

Leaf girls win Peoria meet

PEORIA - Geneseo's girls cross country squad won easily once again at the Peoria High Invitational here Saturday, but it was a sprained ankle that kept the Leaf boys from a top-five finish.

Celine Grader of Geneseo took first place overall for the girls with a time of 12:21 for the 2.1-mile course. She was followed up in 3-5 places by teammates Karmen Rochus, Gail Perkins and Wendy Waswell as the Leaf girls scored 27 points to crush runner-up Peoria with 110 tallies in the 29-team field.

"For our girls to get out there and destroy the field like they did was really outstanding," said Geneseo coach John Fredericks.

The Leaf boys managed a ninth-place finish in the 41-team boys field, but that came as a slight disappointment because of a leg injury.

"Our boys really ran well," said Fredericks, "but unfortunately our second runner (Brad) Baker sprained his ankle and didn't finish, and that kept us out of third place."

Phil Walsh led the Geneseo boys in 27th place overall, and he was followed up by other Leafs Mike Harris, Jason VanVooren and Adam Boardman who all cracked the top 100.

The boys field was also top-notch with the presence of Melamora's Mark Scheirer. Scheirer won the overall boys title with a time of 14:31 for 3 miles, 30 seconds faster than the second-place finisher.

"Scheirer was ranked 5th (in the state of Illinois) last year as a junior," said Fredericks, "and he was rated No. 2 coming into this season behind Blake Stepien of St. Charles."

Scheirer had already defeated Stepien in another meet this season.

Harriers ready for NCIC and regional competitions

One thing a coach tries hard to do is not let his team look too far into the future without realizing the obstacles between the beginning and the end. But with the strength and will power of the Geneseo boys' cross country team it is hard not to let them set sights . . . at least a top five finish at sectionals on Saturday, October 31.

Coach Don Fredericks believes in his harriers. They know it takes stamina, dedication and determination. All which the varsity harriers have exhibited this season.

According to the coach, seven of the varsity Leafs logged in more than 500 miles in hot summer temperatures in efforts toward a trip to state. Coach Fredericks admits the returns have been good for both the individuals and the team.

Geneseo's boys won two major invites, the Geneseo Invitational and the recent Dixon meet. The Geneseo harriers placed first last year in conference, the second year in a row, while finishing third at regionals.

The squad's major goal right now is to defend its title as NCIC champs on Saturday, October 17. Then it's on to regional competition Saturday, October 21. Geneseo will be hosting the boys' regionals as well as the girls'. Among the nine teams involved in the boys' regional, besides the hosts, are Dixon, United Township of East Moline, Galesburg, Moline, Rochelle, Rock Falls, Rock Island and Sterling high school.

The Saturday, October 31 sectional competition will be held in Sterling with the state finals to be held Saturday, November 7 in Detweiler park, Peoria.

Topping the list of Geneseo's potential is senior harrier, Phil Walsh. His strength as an individual and team runner has been evident for two years. Walsh was running near the front of the field at the Dixon

tournament when he stepped into a hole about a third of the way through the race.

Walsh dropped back to fourth runner for Geneseo with his twisted knee but he still kept on pushing. "Had I known at the time what he had done, I would have pulled him from the race," Coach Fredericks stressed. "Our other guys zipped up and filled in," the coach explained.

The injury mended quickly and Walsh took the win from Pleasant Valley Tuesday, September 29 in Geneseo's final dual meet of the season.

Keeping close tabs on Walsh are harriers Brad Baker, a junior, Mike Haars, a senior and Jason VanVooren, a sophomore. Tim Moran, a senior squad member, has developed into the team's fifth runner along with freshman harrier Adam Boardman.

Coach Fredericks explained, "A tendon problem kept Moran out of action last year. He has been courageous and has given us great leadership."

Several other harriers have been running strong, solid races in the varsity Leafs' behalf. They include seniors Mike Morris and Heath Lowe, junior Joe Holevoet and freshmen Bryan Glass and Jason Leigh.

Coach Fredericks and his Leafs figure to be in the top five regional finishers to advance to sectionals. The coach believes this sectional, which includes the Quad Cities, Rockford and Peoria areas, may be the toughest in the state this year.

"It'll be an uphill battle for the boys to get to state," Coach Fredericks realizes, "but it's our goal to get both our girls and boys to the state meet."

And the Leafs are well on their way for the uphill climb. Saturday, October 3 the squad placed ninth at the Peoria high school cross country invitational, the took a first place finish in the Dixon Invitational Saturday,

September 20 and they grabbed a victory over Sterling, LaSalle, Peru and Streator Thursday, September 24.

The Leafs brought home the ninth place finish from Peoria from a field of 41 teams. But even that finish came as somewhat of a disappointment to the boys. Coach Fredericks feels his team could have placed third in the invite if it hadn't been for a key injury.

"Our boys really ran well," the coach stressed "but unfortunately our second runner, Brad Baker, sprained his ankle and was unable to finish."

The coach emphasized that Baker is now healed.

Phil Walsh was the first Geneseo harrier to finish the 3.0 mile course. He placed 27th overall with a time of 16:51. Mark Scheeler of Metamora took the laps in 14:31. The second place finisher was 30 seconds behind.

Following up Walsh for Geneseo's scoring were Mike Haars, 35th overall, in 16:04; VanVooren, 67th, 16:51; Boardman, 77th, 16:59; Glass, 134th, 17:54; Moran, 104th, 18:24.

Top ten team scores were York, first, 46 points, Guilford, second, 137 points, Bloomington, third, 247, Glenbrook south, fourth place, 263 points, Centralia, fifth, 302 points, Maine East, sixth, 305, Salem, seventh, 319 points, Richwoods, eighth, 321, Geneseo, ninth, 340 points and Hoffman Estates, tenth, 344 points.

It was an "outstanding day for the Leafs" when the varsity harriers traveled to the Dixon invitational Saturday, September 26. The boys finished on top of the 12-team field, scoring a total of 56 points for the top notch. Rock Island placed second overall with 70 points while Rockford Guilford took third with 90.

Marie Vesey of Rock Island took individual honors for the three-mile course.

L. P. Paper

"main nucleus to the team. "She ran behind some great athletes like Priscilla Gomez and Lorri DeBlieck her first three years, but she's just giving us great leadership now," her coach stated.

Sophomore Karmen Roehrs and freshman Wendy Wassell are showing future potential as well as strength now. Their running this year has the coach excited. For instance Wassell is improving her time by 10-15 seconds each race according to the coach.

Junior Gail Perkins is rounding back into top form after recovering from back problems stemming from last fall.

But Coach Fredericks stressed the point the team is not really hurting for a fifth runner. "We have 11," Coach Fredericks smiled, all of which "have potential to be in our top seven."

A third straight regional championship title was won by the varsity girls in 1986 during the IHSA regionals in Geneseo.

Kemmis and Roehrs ran strong races in regional competition as freshmen. At that time two of the varsity harriers were coming back from illness, Connie Gradert and Kim Chapman.

Zieller also made a solid effort in the Lady Leafs behalf during regional action.

The Lady Leafs finished 10th in the 25-team class AA girls field, their second appearance. In 1986 the girls finished ninth. Among the state scorers for the girls are returning runners Gail Perkins, Gradert, Roehrs, Chapman, Zieller and Kemmis.

Three recent meets show the strength in this year's Geneseo

runners. Saturday, October 3 the Lady Leafs wiped the field with 27 points for an "awesome" day of competition. Peoria high came in second overall with 118 points followed by Galeaburg, third, 119, Richwoods, fourth, 130 and Bergan, fifth, 140 points.

Twenty teams participated in the Peoria high school cross country "Invitational" Saturday. The meet was held in Detweiller park, the same location for this year's state finals.

Sunny conditions and mild

temperatures provided the ideal setting for the Lady Leaf victory. And none other than Connie Gradert led the pack over the 2.1 mile course. Gradert's time of 12:21 won her first place for the field.

Kris Hahn of Peoria high school broke up the Geneseo packing by taking second in 12:34. Geneseo lady harriers rounded out the top five positions with Karmen Roehrs, 12:39; in second, Gail Perkins, 12:40, in fourth and Wendy Wassell, 12:50 in fifth.

Renee Clifton placed 14th overall with a time of 13:09 while Kirstin Kemmis' time of 13:36 earned a 29th place finish. Kim Chapman, Geneseo's seventh and final fielded runner, came in 31st overall with a time of 13:39.

"For our girls to get out there and destroy the field like they did was really outstanding," Coach Fredericks gloated.

The Lady Leafs proved "awesome" in the Dixon Invitational Saturday, September 26 also. The girls finished way ahead of the remaining 19 teams with 22 total points. Their closest competition came from St. Charles with 132 points. Other teams in the top five include Peoria Bergan, 133, third place, Rock Island, 136, fourth place and Sterling, 182, fifth place.

Again Gradert took top honors. She covered the 2.1 mile course in 12:49 for the tape. She was followed by three of her teammates to pretty well sew up

the top five slots.

Roehrs held tight to second for Geneseo followed by Wassell, third and Perkins in fourth. A St. Charles runner rounded out the top five positions.

The remaining three Geneseo harriers placed within the top 29 runners overall. Renee Clifton finished in 12th place while Michelle Landrum took 19th and Kirstin Kemmis finished in 20th.

"Our girls had their strongest performance all season," the coach remarked. "They're looking very strong, and they're becoming state contenders," he concluded.

Also among the many victories on the Lady Leafs' record is the Thursday, September 24 contest in Spring Creek. Geneseo took Sterling, 15-55. Streater also competed in the race but did not have their score tallied.

Geneseo finished with runners in all of the top six positions against conference foe Sterling.

Those placing in the top slots for the solid victory include Gradert on top with a time of 15:46, Roehrs in second, 16:29, Wassell in third at 16:43, Kemmis in fourth, 16:52, Perkins in fifth at 16:55 and Clifton in sixth with a time of 17:03.

Others completing the 2.5 mile course were Michelle Landrum, eighth, 17:13; Kim Chapman,

11th, 17:42; Gretchen Perkins, 17th, 19:17; Karin Miller, 19th, 19:24; Jill Minnaert, 20th, 19:34; Kelli Miller, 21st, 19:35; Cindy Mattan, 24th, 19:54; Cathy Or-

Scheirer, York

too much for PHS field

By RALPH LEE
of the Journal Star

Metamora's Mark Scheirer and the York cross country team left lasting impressions Saturday by recording dominant firsts at the 22nd annual Peoria High Invitational.

Scheirer won the three-mile race at Detweiller Park in a season-best 14 minutes, 31 seconds. York placed five runners in the top 16 to win the 41-team race with 46 points. Runnerup Rockford Guilford, the defending champion, scored 137.

One person most impressed was Guilford coach Brad Seago.

"You can write it now: York will win the state meet," Seago said.

Seago speaks from experience. York coach Joe Newton has enjoyed 13 Class AA state titles in 27 years. Seago's team has been runner-up to the Ducks in 1963, 1964 and 1965.

On Scheirer: "The kids behind him were dwarfed by him," Seago said. "He looks too easy out there."

Scheirer and York took different roads to the same destination Saturday.

"We went out slow like always, but I knew

when we had five in the top 35 at the mile that we were right where we wanted to be," Newton said. "We followed our race plan to a T."

Almost everyone was slow compared to Scheirer. The senior ran a 4:40 first mile. His nearest rival was eventual runner-up Nick Schwartz of Centralia, who was at 4:45.

Then Scheirer put Schwartz away with a 4:50 second mile for a 25-second lead.

"It felt real good," Scheirer said. "I was really happy with my time in the second mile."

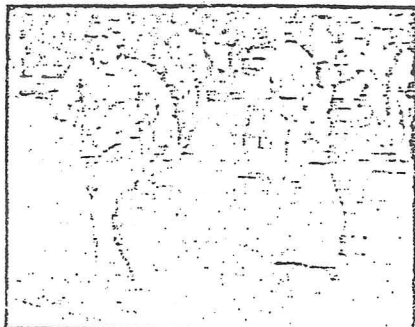

Schwartz said the second mile was the key. "You lose contact like that, and he can coast from there," the senior said.

Tobi Peters, an Illinois Valley Central senior, rallied for a 14th-place finish. "I was coming to the second mile and someone was counting (runners), '40, 41,' and I was back there," Peters said. "It was unreal."

Newton experienced a first by having seven runners finish as medalists (top 35). Senior captain Matt Shell (5th place) led the Ducks. Falling in a green line right behind Shell were Mark Bilal, Chuck Mattis and Al Kebab.

"This is one of the finest groups of guys I've ever had," Newton said. "They got a good, just reward for all their hard work."

Richwoods led local teams at eighth place. The Knights were just 19 points out of fifth, but usual No. 1 runner Craig Frazier finished 25th. Frazier was in the top 35 after two miles.

Geneseo's Connie Graderi, left, and Central's Kris Hahn finish 1-2.

"He had a bad race, but he's done a nice job that's allowed us to win some meets," coach Bob LaCrov said.

David Schreff (38th) led Richwoods, followed by Mark Menze (53rd) and sophomore David Wood (54th). Brian Rutchey of Morton was 27th.

Geneseo dominated the girls race placing four runners in the top five. Geneseo senior Connie Graderi won the 2.3-mile race in 13:21. Central's Kris Hahn was 12 seconds back.

"It seemed like I kept getting stronger," said Graderi, who was followed by teammates Karmen Roehrs (3rd), Gail Perkins (4th) and Wendy Wassell (5th).

"Connie's matured so much over last year," Geneseo coach Don Fredericks said. "I'm pleased to see her doing well her senior year."

Central was second as Marie Winget took 11th and Julie Wade 24th. "Marie ran a helluva race," coach Mike Lawless said. "Julie has been our most consistent runner for the last four years."

Karin Johnson helped Richwoods to fourth place. Johnson was seventh and the Knights also had personal bests at Detweiller from: Anne Schmidt (2nd), Adrienne Haruna (27th), Keri Hart (28th) and Tara Frenue (40th).

Bergan senior Steffie Stump was a strong sixth as the Trojans finished fifth. "That's as well as she's finished a race since her freshman year," said coach Mike Sullivan, who had Kelly Boland at 15th and Lisa Swarden at 16th.

Delavan Classic — The hosts won six of seven fights to win their 11th annual race. In fight one, Delavan's Ron Zimmer ran 2.9 miles in 14:53 to outdist Mason City's Roger Rivera by four seconds. Tremont's Jason Anderson was third, only eight seconds back. "They jockeyed for position and it became a hicker's race at the end," Delavan coach Walt Dure said. Steve Hartman of Brimfield won fight two.
