Girls Cross Country

Cross Country

The 1989 Cross Country team had an outstanding season, highlighted by winning the conference "Tri-Crown." Winning the boys' varsity, girls' varsity, and boys' frosh-soph was an amazing accomplishment. At regionals, the girls placed third and the boys placed second. The girls' Cross Country team were seventh at sectionals. This eliminated them from state competition. The boys' Cross Country team qualified for state by receiving fourth at sectionals. In the state competition, the boys finished twentieth.

The team is coached by Don Fredericks and his assistants, Coach Snook and Coach Moore. Renee Clifton and Jason VanVooren were elected captains. Special award winners were elected by the runners and presented trophies at the Cross Country banquet. The Most Improved Athlete awards went to Julie Ghys and Travis Stroh. The Most Inspirational Athlete awards went to Karmen Roehrs and Michael Bell. The Most Valuable Athlete awards were presented to Wendy Wassell and Jason VanVooren.
