Cross country teams pound NCIC contingent

Geneseo harriers sweep at Ottawa

OTTAWA — The Geneseo harriers handled themselves well on treacherous course here Tuesday. The Maple Leaf boys swept four of their dual matches while the girls did likewise against schools from Ottawa, Princeton, LaSalle-Peru and Rochelle.

Geneseo's Jason Van Vooren and Bryan Glass continued their friendly head-to-head confrontation by crossing the finish line in virtual tie.

On the girls side, Wendy Wassell led the Geneseo contingent finishing third behind Jenny Faber of Princeton and Renae Paul of Ottawa.

OTTAWA — Geneseo's cross country teams got a look at the NCIC meet course in Ottawa Tuesday afternoon, Sept. 5, and pounded a host of league foes in the process.

With Jason VanVooren winning and five Leafs placing among the top seven finishers, Geneseo's varsity boys had no trouble stopping Ottawa, Princeton, LaSalle-Peru and Rochelle.

Geneseo's girls faced a stiffer test against a strong Princeton team, but the Leafs prevailed, 20-40, and also defeated Ottawa, Rochelle and Streator.

Jenny Faber, who was eighth for Princeton in the Class A state meet last fall, won the race, while

Geneseo's Wendy Wassell placed third to lead a strong Geneseo pack of five runners near the top.

Four Geneseo freshmen were the first four runners into the chute in the sophomore race, led by Andy Snook, whose 12:42 clocking over the 2.27-mile course won by more than a minute.
