

Harriers make strong showing against top field

PEORIA - The big meets are just around the corner and Geneseo's high school cross country teams are preparing to take on the upcoming challenges.

The Maple Leafs turned in an impressive showing Saturday, Sept. 30, in the Peoria Invitational at Detweiller Park. Detweiller is the site of the state meet.

Both the boys and girls teams placed sixth in their respective races. Forty-four teams took part in the boys 2.75-mile race with Elmhurst York capturing first place with 31 points. Geneseo finished with 268.

In the girls 2.1-mile race, 33 teams were represented with Peoria Richwoods taking first with 131 points. Geneseo's 228 points put them in the top 10.

Wendy Wassell took ninth place in the girls field. Geneseo's highest place finisher for the day. Adam Boardman and Jason VanVooren took 11th and 15th, respectively in boys action.

"This was like a mini-state meet. I am definitely happy both teams finished in the top 10," Geneseo coach Don Fredericks said. "The entire team performed well. The biggies are just around the corner and we have to be prepared."
