Girls tennis and CC have strong season

Girls tennis had a strong '91-'92 season. Amanda Ahlstrand and Paula Hulting teamed up for strong doubles competition. They came close to qualifying for state. Joletta Roth had a great singles season. Her record was 22-1 losing only her second match at the state level. The varsity team placed 5th in the NCIC tournament. The varsity team

ended their season with a record of six wins and eight losses.

Coach Roth believed that the success of the girls tennis team is due to the teams excellent desire to win and their willingness to work hard and develop their tennis skills. The team worked on developing their court speed, endurance, and mental toughness.

Girls Cross Country also had a strong '91-'92 season. They came in first at NCIC, they placed fourth at regional, and they placed ninth at sectional. Kristy Windy had the best girls times but was unable to attend sectional due to illness.

Award winners included Kristy Windy, Dawn Yarger, Noel Myers, and Mary Stancliff. The team captain was Dee Ann Olson.
