

Runners continue moving

Cross country teams still running well

Both the boys and girls cross country teams are running well and improving their dual meet records to 9-0 for the boys and 8-1 for the girls.

On Tuesday, September 21, both squads went to Ottawa for a dual meet with Sterling and Ottawa. The boys pulled off the sweep while the girls split, beating the host team but losing to Sterling for the first loss this season. Andy Snyder took first place with a time of 16:05 and his two teammates, Chris Pobanz and Jeremy Michels, finished third and fifth, respectively. Eric Anderson, Ryan Carter, and Eric Misfeldt all finished in the top ten to help their team to victory.

The girls team put up some good times, but Sterling edged them out. Molly Reade was the first Geneseo runner to cross the finish line with a time of 14:43 and then her teammates, Kristy Windy, Dawn Yarger and Mary Stancliff came in sixth, seventh and eighth place. The Frosh/Soph boys also split at Ottawa, losing to Sterling but beating Ottawa. Chris Farmer posted the best time of 12:54. The only other Maple Leaf to finish in the top ten was Jared Thompson who placed fourth with a time of 13:30.

Then all of the squads took off to Palatine for its Invitational on Saturday, September 25. The varsity boy's placed seventh overall, out of the 17 teams that participated, and the

six teams that were ahead of them are all state ranked teams. Andrew Snyder received a medal for finishing 18th with a time of 16:46 (Runners finishing in the top 20 in each race received a medal). Other notable finishers were Anderson with a time of 17:17 and Pobanz with a time of 17:22. For the JV squad, medal winners were Joseph Loftus, finishing 14th and Michael Hanson, finishing 17th. Commendable performances were turned in by David Cryer and Jeremy Brown of the sophomore squad who finished two seconds in front of the other. Freshman Jared Thompson finished 15th to earn a medal.

The varsity girls as a team finished 10th and Dawn Yarger and Kristy Windy were the top finishers for the Geneseo team. The sophomore girls finished just two points over Lyons Township to end up in third place. Molly Reade finished in fifth place with a time of 13:11 and the other medal winners for Geneseo were Jenny Terronez (13th place), Amy Gibson (16th place), Molly Patten (17th place) and Sara Rutledge (19th place). JV runner Erica Williams took 20th place to earn a medal with a time of 14:22.

The JV teams then took on Orion's varsity squads on Tuesday, September 28 and faired well against them. The girls lost by only one point with Molly Patten and Angie Smith leading the way. Amy Gibson and Sara Rutledge both put in good times for their team. The boys squad did not do as well, losing 19-37. Josh Inch finished in third place and Jeremy Michels, Joe Loftus, and Chris Farmer ran well.
