

Season's last strides

Harriers take second in regionals, look to sectionals

Coming off their ninth consecutive conference meet title, the Leaf harriers took second in the regional meet at Detweiller Park in Peoria. The boys' Cross Country team scored 63 points behind Peoria Richwoods (31) on Saturday, October 23.

The girls placed second in the regional competition with 59 points behind Peoria Richwoods, 38. The Lady Leafs finished second, as well, in the NCIC meet Saturday, October 16.

The top five teams and the top five individuals not on a qualifying team, in each division, will compete in sectionals Saturday, October 30. The meet will begin at 10 a.m. at Belvidere High School.

Peoria schools dominated the top five slots of the boys' division. Adam White of Peoria Notre Dame took the tape in a time of 14:36. White is the #1 returner this year, having finished third at state last year. He was followed at the regionals by teammate Nate Birkmeier who clocked a 15:17. Brendan Corrigan (15:24), Eric Moos (15:54) and Jeff Maris (16:02), all of Peoria Richwoods, completed the top five finishers.

Eric Anderson and Andy Snyder were the first two Leafs to cross the line, taking sixth and seventh places, respectively, for the field. Anderson clocked in at 16:07 while Snyder was close behind with a time of 16:08.

The top five finishers from each school are used for the team score with the sixth and seventh man's finishes used in case of a tie.

Other Leaf harriers finishing in the

top 20 for the field were Chris Pobanz, 15th, 16:31; Josh Inch, 17th, 16:49 and Eric Misfeldt, 18th, 16:55.

Ryan Carter, 17:11 and Jeremy Michels, 17:20, also competed for the Leafs.

The five individuals earning a trip to sectionals were Joe Ingersoll of Woodruff, who finished 12th overall with a time of 16:23; Peter Quigg, Illinois Valley Center, 13th, 16:28; Mike Wherley of Canton, 16th, 16:35; Mark Walzer of Macomb, 20th, 17:01 and David VanBehren of Manual, 31st, 17:38.

The other three teams to join Peoria Richwoods and Geneseo at the sectional meet will be Peoria Notre Dame (70), Peoria Central (141) and Galesburg (163).

A total of 11 teams fielded runners in the boys division. The other schools competing were Woodruff (167), Illinois Valley Central (195), Macomb Senior High (220), Canton (220), Limestone Community (254) and Manual (258).

The Lady Leafs also qualified for the sectional meet having placed second in the field. Joining Geneseo and Peoria Richwoods will be the teams from Peoria Notre Dame (66 points), Illinois Valley Central (131) and Peoria Central (133). Other teams tallying scores were Galesburg (141), Macomb Senior High (144) and Limestone (231).

Katie Nielsen from Richwoods was an All-Stater last year, finishing 25th, and proved she hasn't lost her stride by claiming the title in the regional competition. Nielsen clocked 12:48 for the winning time.

Molly Reade was fourth in the field, the top Geneseo finisher. She was pre-

ceded by Rachel Dorsey of Notre Dame, 13:05 and Beth Doling, Richwoods, 13:13. Currie Robertson of Richwoods, 13:31, rounded out the top five runners in the field.

All five of Geneseo's scorers finished in the top 20. Mary Stancliff claimed 11th place with her time of 13:42; Kristy Windy, 16th, 13:59; Mindy Patten, 17th, 14:03 and Dawn Yarger, 18th, 14:09.

Sara Rutledge clocked 14:16 and Angie Smith finished in 14:41 to complete the Lady Leaf field.

Individuals qualifying for sectional and not a member of a qualifying team were Marcy Howerter, 13:36, Lynn Herberger, 13:47 and Kilee Lidwell, 14:12, all of Canton; Angela Nelson of Manual, 15:52 and Celeste DeLap of Woodruff, 16:50.

Sectional competition will not be new to some of this year's harriers.

Both the Geneseo's varsity cross country teams advanced to sectionals last year as well, the boys claiming second at regional and the girls grabbing first.

Almost the entire Leaf contingent, Andy Snyder, Josh Inch, Ryan Carter, Eric Misfeldt, Eric Anderson and Chris Pobanz, represented the Leafs in 1992. Andy Snook was the only other harrier on the 1992 team. The team ended its seasons at sectional; however, Snook qualified for the state meet as an individual.

Those running in 1992 for the Lady Leafs were Michelle Eagles, Mary Stancliff, Mindy Patten, Kristy Windy, Angie Smith, Dawn Yarger and Sara Rutledge. Of those, the only Lady Leaf not returning this year is Michelle Eagles.
