

Moline, R.I. individuals cop gold at Galesburg

GALESBURG — Rock Island dominated the individual sweepstakes, but it was the Moline boys earning team gold Saturday at the Galesburg Cross Country Invitational.

Brad Wilson took first for the fifth-place Rocky boys, registering a time of 16:45.8, while the third-place Rocky girls were led by the 1-2 punch of Tasha Esparza (1st, 12:21.20) and Jen Wilson (2nd, 12:37.30).

The Maroon boys, who placed five runners in the top 10, scored 28 points to outdistance runner-up Peoria Richwoods by 40.

Pankey, Blomgren lead Moline runners

Moline's Chad Pankey and Jennifer Blomgren each ran to victory Tuesday as the Maroons cross-country teams dominated a local quadrangular hosted by Davenport North at Emeis Park.

Paced by Pankey, the undefeated Moline boys dominated, putting four runners in the top five.

Chris Quick, Jeff Adams and John Blomgren all joined Pankey in helping Moline crush United Township (18-41), Davenport West (15-43) and North (15-45).

Meanwhile, the Moline girls leaned on Blomgren's win and Stacy Winters' third-place effort to sneak past UTHS (23-34) while romping over West (18-44) and North (15-50).

The Panthers top five finishers included Michelle Hess (second) and Jackie Norman (fourth) in the girls race and Dan Walker (third) in the boys run.

Moline (5-0 in boys, 4-1 in girls meets) placed six runners in the top 10 of each race. The Maroons also got victories from Braeden Peters and Stacy Mitchell to also dominate the junior varsity races.

Verstraete 4th as Maroon boys take 3rd

PEORIA — Moline's ace runner Jamie Verstraete led his team to a third-place finish at Saturday's Notre Dame Cross Country Invitational, taking fourth with a 15:13 clocking at Detweiller Park.

Harriers race the state's best

The good times just keep rolling when a team's hot, and that has been the case this season for the Moline boys cross country team.

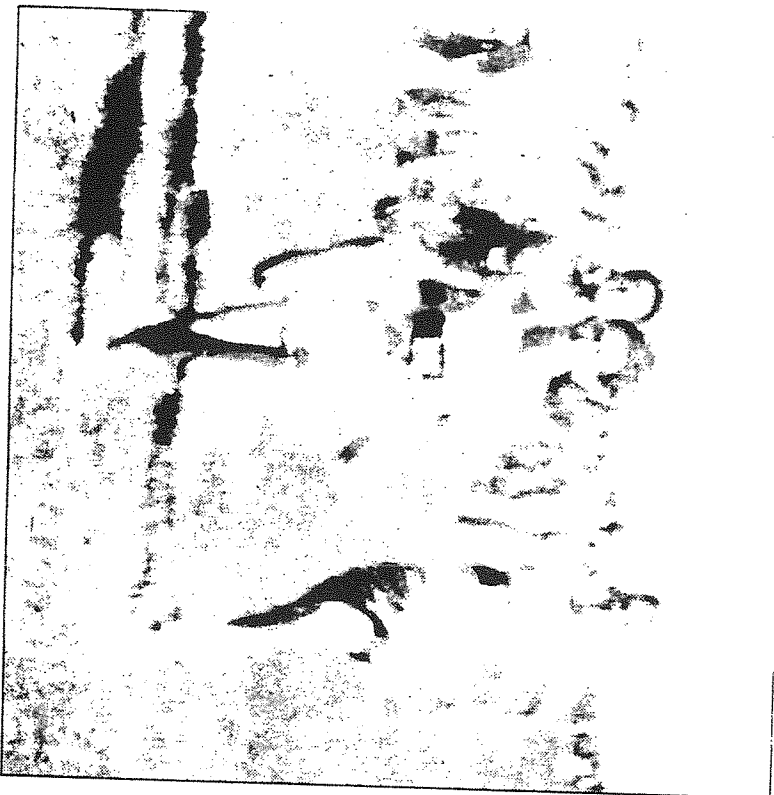

The boys' first true test of the year came at the thirty second team Peoria Woodruff Invitational. Although the guys were tired from a series of exacting workouts, they still managed to come in second to a tough Prospect team. Jamie Verstraete, who was coming off of a hip injury, led the way with a twelfth place finish. The Moline girls team also competed, placing eleventh.

The Maroon harriers encountered their stiffest competition of the year, other than the state meet, at the Peoria Notre Dame Invite. The sixth second best team in the state

ranked Maroons ran against by about five points," said the second, third, fourth, and seventh ranked teams in the state. Jamie Verstraete returned to his all state form by placing fourth overall. The team placed third even though second runner Chad Pankey endured a terrible side cramp and did not score. John Roehr, tired from a series of exacting workouts, they still managed to come in second to a tough Prospect team. Jamie Verstraete, who was coming off of a hip injury, led the way with a twelfth place finish. The Moline girls team also competed, placing eleventh.

This showing by the Maroon harriers, really up for this meet, and they showed it with twenty second drops in their times from the previous week. If all of the work is paying off and that their goal of a state championship is quite attainable.

After these stellar performances, the boys realize that the work is paying off and that their goal of a state championship is quite attainable.
