

PEORIA — The Alleman Pioneers did what they came here to do at Saturday's IHSA Boys State Cross Country Meet.

"We were coming in looking to equal or do better than last year's 7th-place finish," said Alleman coach Joe Lopez after his squad matched its 1993 effort, finishing 7th out of 20 teams in the Class A race at a water-logged Detweiller Park.

"I would've liked for the guys to place higher, but they did a helluva job. Finishing in the Top 10 again, that shows consistency."

The Pioneers' total of 225 points put them 23 behind 6th-place Robinson, while Normal U-High rolled to the team title with 89 points.

In the Class AA competition, the Moline Maroons started building for the future with this year's state meet. Coach Jeff Quick's youthful squad finished in 23rd place out of 27 teams, but of more importance to Quick was getting the experience under his kids' belts.

"I didn't know what to expect, since this is a totally new experience for these kids," said Quick, who ran five sophomores and two juniors Saturday. "It was terrible that they had to run under these conditions. It was just a sloppy mess out there."

In the Class A race, senior standout Bill Hawley delivered a solid performance in his final cross country race for Alleman, being the only Quad-City area racer in the boys' competition to gain All-State honors.

Hawley completed the 3-mile course in a time of 15:46, ending up in 12th place, finishing just behind Galatia's Jeremy Parks, who beat Hawley with a kick.

"I just ran my butt off today, and my times were really low," said Hawley. "I was running scared, because everybody was putting pressure on me to be in the Top 25, and I was afraid I was going to choke."

"I wanted to make sure I'd get up there, and I took off fast. I just kept pushing myself and turning it up another notch whenever I got worried out there."

Westmont's Chris Bailey literally ran his own race Saturday. His winning time of 14:52 was 35 seconds ahead of runner-up Matt McClelland of Rushville.

Also finishing inside the top 100 for the Pioneers were Dave Haronik (58th, 16:29), Dave Dalmasso (71st, 16:39) and Benjie Wolter (74th, 16:40), with J.R. Hills just missing out at 101st

place.

"Our guys were packed together really well, but they got behind early in the race, and in these conditions, it's hard to make up," said Lopez. "But they were coming on at the end."

The other Q-C area Class A entrant, Monmouth's Jamie Nelson, finished out of the money in 122nd place, posting a time of 17:17.

In the Class AA race, junior Dave Andrews paced Moline, finishing 79th with a time of 16:12.

Sophomore teammate Eli Soliz also landed inside the top 100, finishing 96th in 16:19.

"I've got most of them coming back for another 2 years," said Quick of his youthful club.

'It's tough to come down to state for this first time and do well, but they didn't seem nervous at all.'

Jeff Quick,
Moline coach

"It's tough to come down to state for this first time and do well, but they didn't seem nervous at all. If they keep up their attitude and work hard, they can come back here next year and do better."

East Peoria senior star Tim Broe repeated as Class AA state champion.

After battling with a huge pack of runners for the first 1.5 miles, Broe gradually pulled away and finished the 3-mile run in a time of 14:52, beating out Prospect's Lou Petricca by 7 seconds.

Bloomington's Clint Kaeb, expected to challenge Broe for state gold, slumped to 34th place with a time of 15:48 and never mounted a serious threat.

Western Big 6 Conference champion Matt Flachs of Quincy earned All-State honors, taking 20th place with a time of 15:32.
