## **F/S harriers** take first, second at Galesburg invite

Coming off an N.C.I.C. high, the J. D. Darnall High School froshsoph cross country teams took part in the Galesburg Invitational Monday, October 20.

Genesco took first in the girls division and second in the boys race.

"To win this is pretty neat," Coach Don Fredericks noted. "It used to be like a Western Big 6 frosh-soph meet. Now they have opened it up and invited a variety of other area teams to participate," he explained.

"It's a high quality meet."

Leading the Lady Leafrosh was none other than freshman stand-out Jenny Lake who completed the 2.05mile course in 11:45. Andrea Blondell also finished within the top ten, claiming fourth place overall for Genesco with a time of 12:48.

Also running for the Lady Leafrosh were Rachael Williams, 111h, 13:26; Alysa Snyder, 13th, 13:43 and Codi Hultman, 14th, 13:44.

As a team, Genesco earned 40 points to take the crown, just two points ahead of Peoria Richwoods with 42. The rest of the field was far behind, United Township took third with 93 followed by Kewanee, 103; Alleman, 120; Peoria High, 130 and Rock Island, 137.

## WHAT KIND OF BONE ARE YOU?

Every group is made up of four kinds of bones:

- 1. There are **WISH BONES**, who spend all their time wishing someone else would do all the work.
- 2. There are **JAW BONES**, who do all the talking, but very little else.
- 3. There are **KNUCKLE BONES**, who knock everything everybody else tries to do.
- 4. Finally, there are **BACK BONES**, who get under the load and do all the work.

# WHAT KIND OF BONE ARE YOU?
