### Harriers Lake, Fluck, Ristau earn wins for Geneseo

Geneseo is fast becoming known for its lake . . . Jenny Lake, that is. Lake earned yet another title as she took first in the Tuesday, September 16 meet with United Township of East Moline and Dixon.

Running under hot and humid conditions, Lake completed the 2mile course at Northeast Park in East Moline in 11:35. Teammate Natalie Myers earned second place with a time of 12:58.

But Lake wasn't the only Geneseo harrier to earn the spotlight. Out of the four divisions (varsity boys, varsity girls, junior varsity girls and junior varsity boys), Geneseo took three of the titles.

Justin Fluck covered the 2.71-mile varsity boys race in 14:31 for the title. Stacking the results in Geneseo's favor, Leaf runners Chris Studer and Jason Gray went second and third, respectively, with times of 14:36 and 14:43.

The top five slots were earned by Geneseo harriers in the boys' froshsoph race. Bobby Ristau took first in the 2-mile race in 11:59 followed by teammates Neil Kuhlman (12:07), Luke Owens (12:12), Matt Travis (12:18) and Bill Bean (12:20).

Showing what focus can do for you the varsity girls beat United Township 25-32 and Dixon 18-45 in the team competition. This brings the Lady Leafs' record to 7-1 for the season.

Three other varsity girls finished in the top 10 for Geneseo, Andrea Blondell (sixth, 13:31), Rhonda Loftus (ninth, 13:56) and Rachael Williams (tenth, 14:10).

Packing the field, Geneseo also claimed the 11th through 14th slots.

Becky Riewerts started the sequence, clocking in at 14:21 with Alysa Snyder (14:29), Chris Kempher (14:41) and Amy Schneider (14:41) following.

Jill Hinrichs also ran the course for Geneseo, taking 19th overall with a time of 15:43. A total of 30 girls were timed in the event.

At the varsity boys level, Geneseo also took a double win, downing U.T. 19-36 and Dixon 21-50. The victories put the Leafs at 5-0 for the 1997 season.

In addition to Fluck, Studer and Gray, four other varsity harriers finished within the top 10 for the field. Andy Beuster took seventh in 15:28; Mark Keplinger, seventh, 15:37; Grant Venema, ninth, 15:51 and Tim Nelson, tenth, 15:52.

Josh Fleming also competed for the Leafs, finishing in 20th place with a time of 17:33. A total of 25 runners were timed in the varsity division.

Even though Geneseo did not place a runner in the first slot of the junior varsity girls' division, seven Lady Leaflets did finish within the top 10. Overall, the Geneseo girls beat United Township 21-39 and moved to 3-1 for the season.

Taking second overall was Lady Leaflet Mary Terronez with a time of 16:04. Hope Davenport of U.T. won the event in a time of 16:01.

Geneseo had runners in third, fourth and fifth positions as well. Kelli O'Dell led the way with a time of 16:08 followed by Codi Hultman, 16:29 and Kari Reagin, 16:30. Heidi Lathy of U.T. and Beth Bos of Geneseo each clocked in at 16:45 with Lathy taking sixth place and Bos earning seventh. At number eight was Lady Leaflet Dawn Miller with a time of 16:58, the same time marked by Sara Lundeen of U.T. who earned ninth overall. Taking tenth place was Jaime Gunnison of Geneseo with a time of 17:22.

Also covering the course for Geneseo were Joy Gray, 13th, 17:50; Angie Swagger, 15th, 18:00; Jennifer Vermost, 18th, 20:36; Megan Irish, 19th, 21:46; Nikki Thompson, 20th, 22:36; Sherry Erwin, 21st, 22:39 and Jody Thompson, 22nd, 23:05.

Two miles were also run by the boys' frosh-soph teams on Tuesday. Geneseo pretty much took control of the top ten slots, with just one U.T. runner and one from Dixon allowed into the elite group.

With Ristau, Kuhlman, Owens, Travis and Bean topping the field, Geneseo also had three others earn-

ing a top-10 slot. Mike Heitzler earned seventh overall with a time of 13:03 with teammate Brandon Sandoval close behind in 13:05 for eighth. Mike Skelton took ninth place with a time of 13:28.

Also competing for the Leafrosh were Jared Betcher (15th, 14:01), Nathan Thompson (18th, 14:16), Ryan Cathelyn (22nd, 14:54), Mike Gallant (23rd, 15:16), Billy Johnson, (25th, 15:24), Adam Kuban (26th, 15:32) and Mike Stone (27th, 16:04). Twenty-eight runners were timed in the frosh-soph division.

Three of the sophomore runners competed at the varsity level. In addition, four did not compete, Mike Brown, Chris Cashman, Mark Gleason and Charles Peters.

In the team scoring, Geneseo took United Township, 15-39 and Dixon 15-50. The wins put the Leafrosh at 8-0 for the year.

Saturday, September 20, the cross country teams will travel to Peoria for the Notre Dame Invitational at 9 a.m. The squads will then travel to Ottawa Tuesday, September 23 for a 4:30 p.m. contest.

The talent on the Alleman's girls cross country team is tightly packed. They are, front from left, Aaron Shemek, Jaimee Layer, Natalie Circello and Katrina Hird; and back. April Piasecki, Carly Anderson and Kelly Ceurvorst. The top four, Shemek, Layer, Circello and Hird are this week's Pacesetters.

Call them the young bunch. And certainly call them winners.

But however you refer to them, this week's Pacesetters for The Dispatch and The Rock Island Argus stick together, especially when they run.

The Alleman girls cross country team has been running extremely well as a team, winning the powerful Class A Peoria Woodruff Invitational last Saturday and toting a 5-0 dual meet record.

The team is led by the Pacesetter quartet of sophomore Natalie Circello, juniors Katrina Hird and Aaron Shemek and freshman Jaimee Layer. The rest of the talented squad is made up of sophomores April Piasecki and Carly Anderson and the lone senior, team captain Kelly Ceurvorst.

"I look forward to practice because these girls make it fun," said Alleman cross country coach Mike Ethington. "Not only that, but they are not afraid to work hard and all of them have a positive attitude toward running."

An example of how close knit these girls are on the course comes from their Woodruff Invite victory. Circello, Hird, Shemek and Layer all finished within two seconds of each other to take the

12th through 15th places overall.

"One reason they are running well as a pack is because this year they are more patient and using a better pace to achieve their goal times," said Ethington.

The girls are not only close on the course, but off as well.

"We go out to dinner a lot," said Ceurvorst of her team. "We hang out all of the time and have a real good time running together as well."

Just recently, a few of the girls went to the homecoming dance in a group and took a team picture in

their dresses and their running shoes. Though these Pioneers have fun does not mean they are short-sighted on what they want to accomplish this season and beyond.

"We're dedicated to win the Western Big 6, which has never been done by our school (girls) cross country team," said Hird.

"This year we have worked real hard and we are really close and that makes up push each other," said Circello. "We can go far this season, and the next few, too."

Piasecki also thinks her team's success lies in their togetherness.

"We stick together so we can do well and that makes us better than other teams," she said. "And if we do that, we'll be successful."

With such a young team, the Pioneers can contend for a state crown this year and for years to come.

"Our program is flourishing under our young runners and they are our key to success," said Ethington. "And with Kelly's natural leadership to guide the younger girls who look up to her, that gives us an advantage."

The younger runners, especially Layer, are happy that the team has that close-knit bond because it makes them feel more comfortable adapting to varsity sports.

"Even though I'm a freshman, adapting to high school sports in easier because it is so much fun," said Layer.

This group has made some waves

that can be felt throughout the state. Alleman was ranked ninth in the preseason poll. In the Woodruff Invite, it beat No. 2-ranked Delavan-Tremont by a whopping 47 points.

Ethington believes his team is a force to be reckoned with.

"We beat the No. 2 team handily and that shows me these girls are ready to run," he said.

Not only do the girls support each other, they receive a lot of help from their parents in fundraising.

"Fundraising with the parents has enabled us to buy the girls new warmups and new uniforms and that gives the girls a boost. It shows them that they are a unique team and gives them a better identity," said Ethington.
