Freshman/Sophomore Girls: 8th place (out of 15 teams)

We still have a long way to go.

We need to talk it up better in races and work at going with teammates...instead of waiting for them.

**We must close up our spread.....over 3 minutes in a major meet like this will bury our team every time.
Our 2-5 must move up.**

It also appears that we are going to have a battle for our top 7 positions the rest of the season...respond to the challenge.

"The will to win means nothing without the will to prepare"

Don't allow a large field to psych you out. Execute your race strategy.

Talk it up and work together in races.

Saturday's disappointment is only a true failure if we don't learn from it. "Carpe ' Diem"
