

## Class AA boys and girls cross country regional

■ **Time & place:** Saturday's Galesburg Regional starts at 1 p.m. with the 2.5-mile girls race at Lake Storey Park, followed by the 3-mile boys race at 1:30 p.m.

■ **What's at stake:** The top five teams and top five individuals not on qualifying teams advance to next week's Class AA Sterling Sectional. The state meet is Saturday, Nov. 7 at Peoria's Detweiller Park.

■ **Competing teams, boys:** Dixon, Galesburg, Geneseo, LaSalle-Peru, Moline, Princeton, Rochelle, Rock Island, Sterling and United Township.

■ **Competing teams, girls:** Dixon, Galesburg, Geneseo, LaSalle-Peru, Moline, Princeton, Rochelle, Rock Island, Sterling and United Township.

■ **Local boys entries, Geneseo:** Chris Studer (Sr.), Tim Nelson (Jr.), Justin Fluck (Sr.), Grant Venema (Jr.), Mark Keplinger (Sr.), Billy Bean (So.) and Bobby Ristau (Jr.)

■ **Moline:** Ben Shumaker (Jr.), Reed Patterson (Jr.), Jeff Decker (So.), Tim Davies (So.), Brent Clawson (So.), Ohracio Castaneda (So.) and Tom McDonald (Sr.).

■ **Rock Island:** Sean Mendoza (Sr.), Boomer Creger (So.), Ryan Allen (Sr.), Jeremy Shirk (Jr.), Dustin Green (Sr.), D.J. Waller (Jr.) and Keith Moroney (Fr.)

■ **United Township:** Eric Wesselman (Sr.), Jacob Pender (Jr.), Ben Prickett (Sr.), Ammon Paquette (So.), Steve Gates (So.), Jason Gavin (So.) and Brian Taghon (Fr.)

■ **Local girls entries, Geneseo:** Jenny Lake (So.), Rhonda Loftus (Sr.), Jill Hinrichs (Sr.), Taren Komadina (So.), Andrea Blondell (Jr.), Alysa Snyder (Jr.) and Nicki Sellon (So.)

■ **Moline:** BreAnn Steffens (Jr.), Jill Steffens (Fr.), Kayti Bouljon (Jr.), Cara Roge's (So.), Cara Lagomarcino (Fr.), Jenny Gloeckner (Jr.) and Rachel Johnson (Jr.)

■ **Rock Island:** Melanie Round Jr., Amy Farrar (Jr.), Jenny Dailing

(Jr.), Emily Marquis (So.), Erin Champagne (So.), Erin Copen (Fr.) and Alise Karadsheh (Fr.) or Holly Etheridge (So.).

■ **United Township:** Beth Brorby (So.), Jessica Wright (Jr.), Jessica Hess (sr.), Christine Cooney (Fr.), Shayla Brown (Fr.), Sam Atkins (Jr.) and Natalie Weaver (Jr.).

■ **News and notes:** Geneseo is the defending champ in both races and have the strength to repeat, but it will not be easy as they will be challenged by Rock Island in the boys race and Moline in the girls.

On the boys side, coach Don Fredricks team returns five runners from a squad that eventually placed 21st at the state meet.

Still, the Leafs have seen their top two runners — seniors Chris Studer and Justin Fluck — struggle with injuries this season and have yet to finish in front of Rock Island in their encounters at the Rock Island and Sterling Invitationals.

Rock Island, meanwhile, seems to be peaking at exactly the right time. Led by individual champ, Sean Mendoza the Rocks placed six runners in the top 10 of last week's Western Big 6 meet and probably deserve the favorite's role on the boys side.

While nothing is assured up top, there should be an interesting battle for the three remaining team tickets to the Sterling Sectional.

A young Moline team was not all that far behind Rock Island at the halfway-point of the Big 6 race before fading at the end and settling for second. A solid performance by the Maroons should be enough to give them a chance to run again next week.

Rochelle finished second, just 12 points behind Geneseo, at the NCIC meet and has to be thrown into the mix of potential sectional qualifiers. That list also includes United Township, along with Dixon and Ottawa.

Individually, there is little doubt R.I.'s Mendoza will come in as the runner to beat. His toughest challenge may come from Rochelle's Nick

Anaya and David Bergeson, who finished second and third, respectively, at NCIC.

Other runners to watch in the boys race include, Dixon's Joel Foster, Geneseo's Studer, Nelson and Fluck, Rock Island's Creger and Allen and Moline's Shumaker.

For Geneseo sophomore standout Jenny Lake not to win individual honors on the girls side, would probably be a bigger upset than the Padres winning a game in recently completed World Series.

But Lake, who finished eighth at last year's state meet, will have to get help from her teammates if the Leafs hope to get past Moline.

Geneseo, however, sure looked strong at last Tuesday's NCIC meet putting all five of its scoring runners into the top six as it owned a 25-86 margin over runner-up Rochelle.

At last week's WB6 meet, the Maroons were almost dead-even with Class A powerhouse Alleman at the mid-point of the race before fading at the end.

WB6 individual champion BreAnn Steffens leads the way for the Maroons. Sister Jill Steffens was fifth in that race while Kayti Bouljon completed the top 10.

Led by WB6 runner-up Beth Brorby, UT tops the list of contenders for the other three sectional berths. The Panthers finished just eight points behind Moline at the conference meet and placed three runners in the top 10 that day.

A strong performance by Rock Island could assure that all four Quad-City area schools advance to Sterling, as none of the other entries — outside of Geneseo — from the NCIC seem that strong.

Individually, Lake seems a strong bet to repeat as a regional champion. The sophomore ran a 15:07 over a 2.5-mile course at Sterling at the NCIC meet to win by 58 seconds. Teammate Rhonda Loftus was second that day in 16:05.

— By Mike Renkes

# Top QC cross country teams need to keep running ahead

## PREP CROSS COUNTRY

MIKE RENKES

For some of the teams competing in this Saturday's cross country regionals, a trip to the sectional level is a foregone conclusion.

Based on their performance to this point, teams such as the Moline and Alleman girls, the Rock Island boys and both Geneseo teams are almost sure bets to be in action next weekend at Sterling (Class AA) and Herscher (Class A).

But that does not mean a strong regional performance isn't vital to their postseason success.

The road to Detweiller Park is a series of steps and anyone hoping to be in Peoria on Nov. 7 needs to make sure every stride on the way there is one that's forward and not going back.

"Starting now, each week we need to get a little bit better because the competition is going to be a little tougher," said Rock Island coach Dave Terronez, whose Rocks are expected to battle Geneseo for top honors in Saturday's Class AA regional boys race at Galesburg's Lake Storey Park.

"We're not going into this with the idea Geneseo is our competition, we're our competition — meaning we have to continue to improve — if we want to do anything at sectional or state."

After seeing both his teams advance to state a year ago, Geneseo coach Don Fredericks hopes his athletes know that competing in the postseason is a whole different animal.

The defending regional champ in both races, the Maple Leafs will come into Saturday's race with a little less rest than most of the rest of the field as a lightning storm forced the varsity portion of the North Central Illinois Conference meet to be moved from Saturday to Tuesday.

The WB6 schools in the regional have not had a competitive race since last Friday.

"I believe there are so many runners who go all the way to the bottom of the well," Fredericks said, "and you have to be careful when you put forth that kind of effort."

"But now is the time you want to see that happen. These are the races where your kids need to scrape the bottom of the barrel, because if you don't, there is always the chance your season could be over."

Unlike some of the stronger teams in the field, both United Township entries know it will take one their better efforts of the season to earn the opportunity to run again next weekend.

"The competition for the third through fifth spots is going to be

very good in both races," Panthers coach Joe Verlinden said. "We're fortunate in that everyone is healthy right now and I don't think we've peaked as a team yet."

"If our kids can come out and run a good race, we could make some big strides and be a much better team going into the sectional than we were coming

out of the conference race."

**High expectations:** After a convincing win at the WB6 meet, the Alleman girls team finds itself being mentioned as one of the leading contenders in the chase for the Class A title.

The Pioneers, who placed fifth at last year's state meet, open the postseason Saturday at the Oregon Regional. Alleman was a regional champ in 1997 at Rockridge and followed it up with a third at a sectional held on the same course at Oregon.

"It's flattering to hear comments like that," Pioneers coach Mike Ethington said, "but I see us in a pool of about five or six teams that have a legitimate shot at being in the top three."

"I'm talking teams like Sandwich, Petersburg Porta, St. Joseph-

Ogden, Woodstock Marian, Herscher and us. All those teams have strong traditions in cross country, and it's great to be mentioned as being in the same category as them."

**Chasing the green:** Last week, it was Alleman. This week, it's Geneseo who the Moline Maroons girls cross country team has set its sights on.

The young Maroons, who start no seniors, hung right with mighty Alleman through most of the WB6 varsity race before the Pioneers pulled away at the end.

Coach Jeff Quick said the game plan will be the same when it comes to competing against the powerful Maple Leafs on Saturday in Galesburg.

"Two weeks in a row, it's going to be the same thing, go after anybody wearing green and white," he said. "They just might be the best team in the sectional and if we do everything we can to stay close to them, they just might carry us all the way to state."

Mike Renkes covers prep cross country for The Dispatch and The Rock Island Argus.

# Back to Sterling

## Leafs take second at regional; earn sectional berth

For the second year running, the J. D. Darnall High School varsity boys cross country team has taken second place at the Class AA Regionals. This year's event was held Saturday, October 17 at Lake Storey Park in Galesburg.

Three Leafs placed within the top 10 for the field with a matter of just seconds between them.

Tim Nelson, a junior on the Leafs roster, took seventh overall and was the first Geneseo harrier through the gate. His time for the 5,000-meter course was 16:25.

Senior Chris Studer was eighth overall, the second Leaf harrier, with a time of 16:31 while senior harrier Justin Fluck was ninth in 16:34.

Grant Venema, a junior, took 12th overall with his time of 16:41.

Coach Don Fredericks was pleased with his top runners' efforts.

"Our number one through five men had a spread of :28," the coach noted. "That's nice but we'll need it lower next Saturday," Coach Freder-

icks said in regards to the Sterling Sectional on Saturday, October 24.

Rounding out the Leafs' running attack were senior Mark Keplinger, junior Bobby Ristau and sophomore Bill Bean.

Keplinger claimed 19th place overall with his time of 16:53. Ristau came through in 27th place, 17:21 while Bean finished 35th at 17:50.

Rock Island won the team standings with 37 points. Geneseo's 55 points were 23 ahead of third place Rochelle who finished with 78. Moline scored 82 points while Dixon took fifth with 118.

The top five teams from the Galesburg Regional advance into sectional competition on Saturday, October 24. The girls kick off at 10:30 a.m. while the boys will follow at 11:15 a.m.

Finishing out the regional field were United Township, 188; Princeton, 207; Sterling 220; Galesburg, 243 and LaSalle-Peru, 251.

Sean Mendoza of Rock Island won the individual title with a time of 16:02.

In addition to the top five team qualifiers, the top five individual runners not members of those teams will advance to the Sterling Section-

al. United Township is sending two individuals, Princeton, one; Galesburg, one and LaSalle-Peru, one.

Joining Geneseo and the other Galesburg Regional qualifiers will be teams from the East Peoria, Pontiac and Rockford Guilford regionals.

The Class AA state cross country meet will be run at Detweiller Park in Peoria on Saturday, November 7.

The 1997 Leafs took the conference meet and placed second at regional, fourth at sectionals.

For the second year in school history, both the boys and girls cross country teams qualified for the state meet in 1997.

Coach Fredericks looks to repeat that effort this year.

"We've got the Detweiller Fever," he stated. "Our goal is to put both the girls and boys back at state this year and make it a trend in the year's to come."

Coach Fredericks has been guiding the Leaf harriers for ten years now, from 1985 through 1991 and from 1996 to current.

Geneseo has taken two regional crowns in school history, 1982 and 1990, both at the Class AA level. According to records compiled by the IHSA, they have yet to take the top prize at the sectional level.

# Storey book ending

## Lake, Lady Leafs take regional title; sectionals Oct. 31

Sophomore Jenny Lake won her second consecutive Class AA regional cross country crown and, in the process, led her fellow Lady Leaf harriers to their second straight title as well.

Lake covered the 4,000-meter course at Lake Storey Park in Galesburg in 15:25 to claim the individual title.

"The course wasn't easy," noted Coach Don Fredericks. "It had tight turns, rough footing and was an all around slow course."

But that didn't stop the Lady Leafs. The J. D. Damall varsity girls cross country team took first of ten teams to advance into sectional competition this weekend.

The top five teams from the Galesburg Regional progress to the Sterling Sectional slated for 10:30 a.m. Saturday, October 31.

"We plan to show them it's no trick that we're there," quipped Coach Fredericks. "We earned this second consecutive title and we plan to head to state again this year as well."

Joining Geneseo in the trek to Sterling will be Moline, Rock Island, United Township and Dixon.

Last year, Geneseo qualified both its boys and girls cross country teams for the state meet, only the second time in school history that had been done.

"Our goal is to make it a habit. This year will be number three," the

coach added.

Senior harrier Rhonda Loftus took fifth overall as the second Lady Leaf through the gate. She finished in 16:27.

The top five individual runners earn First Team All-Regional honors. Lake and Loftus each earned the distinction.

Jenny Lake

Taren Komadina, a sophomore on the Lady Leafs' roster, took ninth overall with her time of 16:47.

Two other Geneseo competitors placed within the top 20 for the field, Jill Hinrichs, a senior and Andrea Blondell, a junior.

Hinrichs took 15th overall in 16:54 while Blondell was 17th in 16:58.

Rounding out the field were sophomore Nicki Sellon and junior Alysa Snyder. Sellon took 25th overall when she finished in 17:19 while Snyder, 44th overall, came through at 18:04.

"The girls did a great job," boasted Coach Fredericks. "We're getting the Detweiller fever."

Detweiller Park in Peoria is the

site for the Class AA state cross country meet set for Saturday, November 7.

But first, the Lady Leafs must get past a tough sectional field. Not only are the top five from the Galesburg Regional going to compete in Sterling but those from the East Peoria, Pontiac and Rockford Guilford regionals.

Geneseo scored 47 points at the Galesburg Regional, nearly 20 points better than second-place Moline with 66. Rock Island took third with 105; United Township, fourth, 112 and Dixon, fifth, 122.

Also competing but not advancing into the sectionals were Sterling, 135; Rochelle, 155; LaSalle-Peru, 160; Galesburg, 254 and Princeton, 276.

Lake took an early lead over the field and never looked back. UT's Beth Brorby ran second most of the race but ended in fourth with a time of 16:15. Breanne Steffens captured second in 16:05 and Jill Steffens was third in 16:12. Both are Moline runners.

In addition to the top five teams, the top five individuals not members of advancing teams also qualify for the sectional meet. LaSalle-Peru will send two runners, Rochelle one, Sterling one and Galesburg one.

Geneseo lady harriers have earned seven regional titles over the years and five sectional crowns.

In Class A, Geneseo earned regional crowns in 1984, '85, '86 and '87 and sectional titles in 1984, '85 and '87.

Moving to Class AA, the Lady Leafs earned the top regional mark in 1988, '92 and '97 while capturing the sectional title in 1996 and '97.

**REGIONAL CHAMPS.** The Lady Leafs cross country team claimed its second consecutive Class AA Regional cross country title Saturday, October 24 in Galesburg. Members of the squad, which advances into sectional competition this Saturday in Sterling, include, from left, Alysa Snyder, Nicki Sellon, Rhonda Loftus, Jenny Lake, Taren Komadina and Andrea Blondell. Jill Hinrichs was absent for the photo.

# All Q-C girls teams stay alive in AA race

By Mike Renkes

Staff sports writer

GALESBURG — The cross country season will extend at least one more week for all four Quad-Cities area Class AA girls teams.

Paced by Geneseo, which took the title by a 47-66 margin over runner-up Moline, all of the local entries in Saturday's Class AA Galesburg Regional were able to secure berths for next weekend's Sterling Sectional.

Rock Island moved on by finishing third with 105 points, seven ahead of fourth-place United Township. Dixon claimed the final sectional spot with 122 points.

"I felt our girls really stepped it up again," Geneseo coach Don Fredericks said. "Both Moline and Rock Island came out and ran aggressively, and at the mile mark, it was up for grabs."

"I was really happy with the way our girls finished the race. We were able to pick up some places and we packed it in real nice."

Maple Leafs sophomore Jenny Lake broke away from the field early and ran solo almost the entire race, covering the 2.5-mile course at Lake Storey Park in 15:24, 35 seconds ahead of Moline's Breanne Steffens.

"This race was a good one for me in terms of preparing me for sectional," said Lake, who finished eighth at last year's state meet. "I was excited that I was able to push myself and run the time I did."

Along with Lake's top finish, Geneseo also got solid races from Rhonda Loftus (fifth, 16:27), Taren Komadina (ninth, 16:47) and Jill Hinrichs (15th, 16:54).

United Township's Beth Brorby ran second to Lake most of the race before being passed in the late stages by Moline's Breanne Steffens and her freshman sister, Jill, who was third in 16:12. Brorby ran a 16:15 for fourth.

"I knew there was this little downhill in the latter part of the race," said Breanne Steffens, "and I knew if I could pick up my pace as I was going down it and then keep it the rest of the way, I could probably get past her (Brorby) at the end."

In addition to the strong races from the Steffens sisters, Moline also got a top-10 finish from Kayti Bouljon (sixth, 16:35). The Maroons chances at catching Geneseo, however, were undone when they had no other runner place in the top 20.

"We knew Breanne had a chance to be second," Moline coach Jeff Quick said, "and I thought Jill Stef-

Jenny Lake

Breanne Steffens

fens and Kayti really stepped it up with how they ran.

"And I thought Tara Rogers and Cara Lagomarcino, for the first time being in this kind of race, also helped us out. To finish within 19 points of Geneseo tells me the kids did a super job."

Despite not putting anyone into the top 10, Rock Island advanced by placing its first four runners into the first 21 finishers. Melanie Round paced the Rocks with a 16:48 for 12th, one second and one place ahead of teammate Amy Farrar.

"Today was the state meet for our girls," Rock Island coach Dave Terronez said. "Our goal all year has been to get them to sectional."

"It is going to be a great experience for them because they all are going to be back."

Brorby's fourth-place finish paved the way for UT. Jessica Wright was the next finisher for the Panthers, running a 16:50 for 14th.

## CROSS COUNTRY

# Rocky boys, Geneseo girls run to wins

By Stephen Moeller

QUAD-CITY TIMES

GALESBURG, Ill. — With a brisk breeze enveloping Lake Storey Park Saturday, Rock Island and Moline's cross country squads sealed a trip to sectionals by delivering first-class performances.

With 66 points in the girls portion of the 10-team Class AA regional meet, the Maroons hammered out a second-place finish and bettered third-place Rock Island by 39 tallies.

The Rock Island and Moline boys teams also stamped an Oct. 31 ticket to sectionals at Hoover Park in Sterling. The Rocks placed three runners among the top four finishers and scored 37 points to top runner-up Geneseo by 18 points and the fourth-place Maroons by 45.

Enabling Geneseo to conclude the girls 2.5-mile race in first place with 17 points was sophomore Jennifer Lake. She captured the individual crown by 40 seconds and completed the twisting course with gradual inclines in 15 minutes, 25 seconds.

"This is a very tough and demanding course, but I'm pleased with the way things went because I beat my previous top time here by more than a minute," Lake said.

Moline junior Breanne Steffens was second and Maroon freshman Jill Steffens was the third.

United Township's Beth Brorby and Moline's Kayti Boulton finished in fourth and sixth place, respectively.

United Township was fourth as a team.

Rock Island didn't position a runner in the top 10, but four Rocks situated themselves between the 12th and 21st-place finishers.

"I knew it would be close, but I'm happy with our runners because they went hard all the way," Rock Island coach Dave Terronez said.

In a boys race featuring 69 competitors, Rock Island was rock solid, with three runners among the first four finishers and six of its speedsters in the top 18.

Spearheading the Rocks' resounding success and top finish was senior Sean Mendoza, who completed the 3-mile race in 16:02. Mendoza's top time bettered the second-place, 16:10 finish by Rochelle Township senior Nick Anaya.

"This rough course is tough for me because I run better on flat surfaces," Mendoza said. "Things just seemed to work out in the end, though."

Supplementing Mendoza's performance were Rock Island teammates Bloomer Creger and Ryan Allen, who finished third and fourth, respectively.

Helping Moline to its fourth-place finish and a mark 36 points better than fifth-place Dixon were the dynamic duo of Ben Shumaker (sixth) and Reed Patterson (10th).

"We're a young team and because we don't have a definite front runner, the key for us is balance," Moline coach Jeff Quick said.

Rock Island coaches claimed junior D.J. Waller was shoved from behind by a Moline runner. The accusations were dismissed and the results were deemed final.

# R.I. boys turn it up a notch; Leafs, Maroons also qualify

By Mike Renkes

Staff sports writer

GALESBURG — The Rock Island Rocks seem to be on quite a roll.

Coming off an impressive win at last week's Western Big 6 meet, coach Dave Terronez's boys cross country team seemed to turn it up yet another notch on Saturday as they cruised to the championship of the Class AA Galesburg Regional at Lake Storey Park.

Led by individual winner Sean Mendoza, who covered the 3-mile course in 16:02, the Rocks put all five of their scoring runners into the top 16 to finish with 37 points.

That placed them well ahead of NCIC champ Geneseo, which checked in with 55 points. Rochelle, who had pair of runners pushing Mendoza most of the race, was third with 78.

Moline laid claimed to one of the berths for next Saturday's Sterling Sectional with a fourth-place finish (82 points). Dixon claimed the final sectional ticket taking fifth with 118, 70 points ahead of sixth-place United Township.

"These guys never cease to amaze me," said Terronez after his Rocks claimed their second straight regional title. "They ran a race at conference last week that would be hard to top, but I thought they came out today and took it yet another level.

"And what really pleased me is

we got good starts and good finishes, and that's so important this time of year, because you have to go hard all the way."

Although he was a wire-to-wire winner, Mendoza did not break away from the Rochelle duo of Nick Anaya and David Bergeson until the final half-mile.

Anaya ran a 16:10 for second, but Bergeson faded down the stretch as the Rocks' Boomer Creger and Ryan Allen surged past him to place third (16:17) and fourth (16:18).

"I just wanted to go out hard and make sure I stayed with the two Rochelle guys," Mendoza said, "so I would be able to kick them down at the end.

"This feels great. I think I earned it with all my hard work."

A pack that put its scoring runners between seventh and 19th place enabled Geneseo to easily secure the runner-up spot. Tim Nelson paced the Leafs with a 16:25 for seventh place. Teammates Chris Studer (eighth, 16:31) and Justin Fluck (ninth, 16:34) were the next two runners to enter the chute.

"I thought we had a tremendous team effort," Maple Leafs coach Don Fredericks said. "Individually, there were a few disappointments but the big thing is that we got the team through.

"We were hoping to battle Rock

Sean Mendoza

Boomer Creger

Island to win this thing, and we're going to go into next Saturday (at the Sterling Sectional) with the same idea."

Moline's Ben Shumaker (sixth, 16:22) and Reed Patterson (10th, 16:35) both cracked the top 10 to pave the way to the Maroons fourth-place finish.

"I thought the inexperience of our boys again showed through," Maroons coach Jeff Quick said. "Our fourth and fifth runners did not run cross country for Moline last year, therefore any time you get into this situation, this pressure, this is all new to them.

"Brent (Clawson), Reed and Ben have all been through this before, so a key for us at sectional next week will be how our young kids respond to the pressure."

Although United Township was unable to advance as a team, the Panthers will have two sectional representatives, with Eric Wesselmann (17th, 16:48) and Jacob Pender (21st, 17:07) both being individual qualifiers.
