

Rocks, Bulldogs post wins at Rock Island Invitational

■ Francois, Lake take individual titles

By Steve Batterson
QUAD-CITY TIMES

Davenport North's Chris Francois and the Rock Island boys cross country team found what they were looking for Friday.

Geneseo's Jenny Lake and the Bettendorf girls team found satisfaction, too, as they raced to wins at the hot and humid Rock Island Invitational at Highland Springs Golf Course.

Francois picked up his first win of the season in head-to-head competition with Davenport Central sopho-

more Ben Lloyd, and the Rocks rolled to their first invitational win of the year, topping a field that included three rated Iowa programs.

"I needed this one," Francois said. "I've been running faster times than I was running a year ago at this time, but (Lloyd's) beat me every time out this year. It feels good to finish first. That's what I came here hoping to do."

Iowa's defending state individual champion in the sport crossed the finish line in 16 minutes, 5 seconds, topping Lloyd by five seconds and beating Sean Mendoza of Rock Island by 13 seconds.

"I really liked the way Sean ran," Rocks coach Dave Terronez said. "At about the two-mile mark, he really

challenged Francois, and he probably finished third instead of second because of it, but he went for the win, and that is something I'm encouraging him to do.

"When we get into our larger meets, that's the type of challenge our guys need to make."

As a team, the Rocks met the challenge.

After enduring a sluggish start to the season, Rock Island's top five finished in the top 16 Friday in the type of effort that Terronez had been looking for this week.

and it's no accident that we came out strong today," Terronez said. "We moved our sophomore (Boomer Creger) up with the varsity, and it

helped. But as a group, we really proved that we have come a long way since our first meet of the year when we didn't run well at PV."

Bettendorf, led by three finishers in the top seven, edged Davenport Central for second place in the eight-team field. Pleasant Valley topped Geneseo in the battle for fourth.

In the girls race, Lake took an early lead and held off Bettendorf's Anne Ruffcorn and Davenport Central's Wendy Shaw.

Lake, a sophomore, crossed the finish line on the 5,000-meter course in 15:41, seven seconds ahead of Ruffcorn and eight seconds in front of Shaw.

"It wasn't my best run. I felt the humidity," said Lake, who repeated

the win she had at the Rock Island Invitational a year ago.

"I usually try to go out pretty fast, and I did that today," Shaw said. "The pace felt OK. I knew there were some good girls behind me and that I would have to run well. The last mile was tough."

Five Bettendorf runners finished in the top 12 to lead the Bulldogs past Mississippi Athletic Conference rival Davenport Central.

Behind Ruffcorn, four Bulldogs finished within 18 seconds of each other to help Bettendorf overcome three top-10 finishes by the Blue Devils.

Lake led Geneseo to a third-place finish, while Rock Island, led by Melanie Round's ninth-place effort,

lifted the Rocks to fourth place in the seven-team field.

The meet was held in conjunction with the 17th annual Brissman-Lundeen Augustana Invitational.

The host Vikings won their second straight women's title, placing seven runners in the top 20 to lead the 13-team field. Emily Richard of Washington University won the women's race for the second straight year, while a sixth-place finish by Susan Paige paced Augustana.

North Central won the 14-team field men's field, while Augustana, led by David Martinez's 10th-place finish, finished in fourth. Dan Alvarado of Graceland won the men's race, covering 8,000 meters in 18:19.

you are really coming together as a
team.**

**The field was small (only 7 teams)
but it was a tremendous field none
the less. Both Bettendorf and
Davenport Central could finish in the
top 5 at the Iowa State Meet.**

**We must continue to close up our
spread.....**

**Our 2-5, etc....must move up. (you
did close it up from 3 minutes to only
2:20...keep closing it down. It is the
key to our success in "The Biggies"**

Team Placing

Varsity Boys: 4th place (out of 8 teams)

I know that we are better than our 4th place team showing...racing without 2 of our top men was a tough assignment...but it was the only wise one...Justin and Andy were not healthy enough to race.

We need to focus on getting everyone healthy and hungry at the same time. We are now entering our speed work phase of our training program...so get ready to hammer a few workouts and be flying in the races.

“Obstacles are things you see when you take your eyes off the goal”
