WAY TO GO LADIES

Great efforts on a warm day.

Way to run hard Varsity Lady Leafs...going without Jenny Lake (injury) and our strong F.S. group running down put several of you in scoring positions for the first time in your athletic careers. It may happen again...(running our F.S. group down)...be ready by continuing to work hard and support each other.

Great job of packing it up and working together. Your overall spread (time) between runners 1-5 was only 28 seconds....AWESOME. All you need to do is move the pack up in the field and you will be very hard to beat.

This team can be very good if each of you is willing to pay the "Price of Success" and train like a CHAMPION.

NO EXCUSES, NO RETREATS, NO REGRETS
