

Flu bug chasing

FRIDAY, SEPTEMBER 24, 1999 THE DISPATCH AND THE ROCK ISLAND ARGUS

Rock Island harriers

Ready to go the distance

■ **Time and place:** The varsity girls race is slated for 4 p.m. followed by the varsity boys at 4:30 p.m. today at Highland Springs Golf Course in Rock Island. There are no frosh-soph or JV races.

■ **Distances:** Boys — 3.1 miles. Girls — 2.1 miles.

■ **Defending team champs:** Boys — Rock Island. Girls — Bettendorf.

■ **Top returning individuals:** Boys — Ben Lloyd, Davenport Central, second. Girls — Jenny Lake, Geneseo, first (injured, may not run).

■ **Competing teams:** Alleman, Bettendorf, Davenport North, Davenport Central, Geneseo, North Scott, Pleasant Valley, Rock Island, United Township.

■ **Notable:** This meet brings together most

of the Quad Cities' best big school runners from both sides of the river. After placing second here a year ago, Bettendorf probably slides into the favorite's role in the boys race, with Geneseo and Moline most likely to press them among the Illinois entries. On the girls side, Bettendorf should contend for a second-straight title with Rock Island and possibly Alleman ranking among the top teams from Illinois.

■ **Afterwards:** Following the completion of the varsity boys race, Augustana College takes over the fairways and trails of Highland Springs as it hosts its Brissman-Lundeen Invitational. The invite features four races with men's simultaneous 3- and 5-mile races beginning at 5 p.m. The women will run their 1.5- and 3-mile races beginning at 5:45 p.m.

R.I. Invite, Augie Brissman-Lundeen meet set for today

Staff report

It might be best to keep your distance today from the runners from the Rock Island cross country team, because you don't know what bug you might catch.

The Rocks, whose roster has been decimated by a flu bug and a few injuries, will host their annual Rock Island Invitational today at Highland Springs Golf Course.

The varsity girls race is set for a 4 p.m. start, followed by the varsity boys at 4:30 p.m. The Augustana College Brissman-Lundeen Invitational begins right afterward, starting at 5 p.m.

"Our whole team seems to be passing around this flu," said first-year Rocks coach Michelle Menke, "so I'm not really sure who I am going to have in either race."

"And it's supposed to be a great day, I sure wish everyone could run."

The Rocks will definitely be without No. 1 boys runner Boomer Creger, who after finishing an impressive 12th in a strong field at the Peoria Notre Dame Invitational last Sat-

urday came down with the flu which kept him out of school much of the week.

The Rock Island boys will also be without No. 3 runner John Harker, a transfer from Rockridge, who could miss the remainder of

the season with a knee injury.

Rocky's No. 1 and 3 girls runners Melanie Round and Jenny Dailing are also battling the flu. Both are questionable for today's race.

Beth
Brorby

"That's too bad. I'm really happy with how our girls team has come along this year," said Menke, whose girls team was the top area finisher at PND, placing 30th. "Hopefully, we can get things back in order by the time conference rolls around."

With Rocky unlikely to defend its boys title, Bettendorf looms as the team to beat while Davenport Central's Ben Lloyd is the field's top individual.

A 12th-place finisher in the boys race at PND, Geneseo is the Illinois team most likely to make a run at the top. Moline was 18th at Peoria last Saturday.

On the girls side, injuries to Geneseo's Jenny Lake and Moline's Jill Steffens leave what should be a pair of strong teams a bit short-handed.

Breanne
Steffens

Neither Lake nor Steffens has run since early in the season, and if neither return today, the best chance for a top Illinois showing in the girls race probably belongs to Moline's Breanne Steffens or United Township's Beth Brorby.
