First Place with Rachel Wyffels and Amanda Hoste on Varsity.....Incredible!!!!

How many of you plan to make our Varsity Top 7 by the end of the year? Keep working hard and help the Lady Leafs win the 7th straight NCIC CHAMPIONSHIP. We are chasing Princeton and need some people to step up.

Keep working hard at "hanging onto each other" both in practices and races. Take a few chances and try training and racing with teammates just ahead of you in the meet results.

Solid Races Ladies

A strong 2nd place showing in a strong field.

Princeton is for real Ladies.

After all the non-NCIC runners were taken out, the team scores were:

Princeton 55; Geneseo 57; and Sterling 70.

Geneseo: 6 11 12 13 15 57

Princeton: 1 3 4 20 27 55

Sterling: 9 10 14 18 19 70

If you are to continue Geneseo's streak of 6-straight NCIC CHAMPIONSHIPS then you have got to get out quick and refuse to let go of teammates you know you can run with. It starts in practice and must be carried over into meet competition. Make it happen in practice and carry it over into the meets.

You can pull this off but
YA GOTTA WANNA REAL BAD.

Solid Races Men

You've closed the gap on Dixon. Keep up the hard work and lets see how close you can make the NCIC in less than 3 weeks. They think it's in the bag.....we'll have to see about that.

After all the non-NCIC runners were taken out, the team scores were:
Geneseo 59 and Dixon 38.

Geneseo: 1 4 12 20 22 59 32 37

Dixon: 2 6 7 9 14 38 18 21

Keep working hard at "hanging onto each other" both in practices and races. Take a few chances and try and make a move up the ladder of standing in the Maple Leaf Camp.

Together We Can.
