Awesome Race Efforts Ladies. Your 7th Place showing at today's meet was incredible. You were seeded anywhere from 12th to 15th but all of you ran your season's best races today. We couldn't ask for anything more than that. We aim to peak at Championship Meet time and every one of you did. Congratulations! Let's keep rolling this week in support of Rachel as she prepares for her race at the State Finals in Peoria.

Great Races, Gentlemen. You just missed qualifying for the State Finals by twenty-six points. In fact, after analyzing the results, each of you were just four seconds per man from having our team make it to the State Finals. That is not a criticism. That is proof of how very close our team was to being in the Top Five. That forty-one second spread shows how well you packed it up and worked together. You have had a great season. Let's keep rolling this week in support of your teammate, Rachel, as she prepares for Saturday's race.
