

Nathan Schlindwein, Individual Sectional Qualifier, poses with the Girls Team who won the Regional Title on Saturday. Nathan and the Lady Leafs will be competing in the Sectional Finals in East Peoria next Saturday.

"Lady Leafs Capture Regional Title While the Boys Just Miss Advancing"

On Saturday, at Lake Storey Park in Galesburg, the Lady Leafs found the way to upset the field and grab the school's tenth Regional Title in school history. Leading the charge were Eliza Cropp (6th); Rachel Wyffels (8th); Katie Croegaert (19th); Erica Brenny (22nd); Alison Curran (25th); Sally Collis (37th); and Rachel Atwell (44th.)

Leading the boys squad was an under-the-weather Nathan Schlindwein whose 10th place overall was good enough to qualify him as an individual for next Saturday's sectional final in East Peoria. Providing strong efforts on the team's near miss (6th place finish) were Justin Goodrich (25th); Blake Wyffels (28th); Nate Silver (29th); Scott Mattan (36th); Jordan Wildermuth (42nd); Erik Kowitz (48th.) This is the first time that the Leafs haven't advanced to Sectionals in 25 years (1979.)

Lady Leafs; Schlindwein advance to CC sectionals

The Lady Leafs cross country team and senior Nathan Schlindwein tackled the competition and the Lake Storey Park course at the IHSA regional meet last Saturday, Oct. 23 in Galesburg. Geneseo won the girls division with 77 points claiming their 10th regional

championship in school history while Schlindwein placed 10th in 17 minutes and seven seconds advancing them to the sectional meet this Saturday, Oct. 30 in East Peoria on the Illinois Central College campus.

"I was ecstatic for the girls," Head Coach Don Fredericks said. "To win the regional championship is a tremendous accomplishment. The door

opened and presented itself and the girls grabbed it.

"Nathan was not 100%, he was a little under the weather Friday, but came out and ran a very courageous race on Saturday," Fredericks said. "He is a very talented young man."

Top finishers for the girls team and placing in the top ten at the meet were freshman Eliza Cropp crossing the line in sixth place with a time of 20:36 followed closely by junior Rachel Wyffels in 20:48 for eighth place.

"Rachel Wyffels battled for second place throughout the race, but was only able to hold on for a top ten spot," Fredericks said. "She stepped forward when we needed her to like she has always done throughout the year."

Others contributing to the Leaf's victory were seniors Katie Croegaert with a finish time of 21:52 for 19th place, Erica Brenny in 22nd in 21:59 and Alison Curran with a 22:04 finish for 25th place. Junior Sally Collis came in 37th with a 22:58 time while teammate freshman Rachel Atwell finished things off for the Lady Leafs with a final time of 23:35 for 44th place.

"The girls had a solid effort down the line," Fredericks said. "Eliza Cropp and Katie Croegaert both ran a tremendous race with Croegaert charging ahead the last mile and a half for her 19th place finish."

"The girls have improved steadily and they have a lot of momentum going into this weekend's race and are very excited about this opportunity," Fredericks said.

In the boys' race, the Leafs just missed qualifying for sectionals as a team by 11 points, coming in sixth out of nine teams at regionals with a combined score of 128 points.

Schlindwein was the only individual qualifier from the Geneseo team to advance to the sectional meet. Sophomores Justin Goodrich, Blake Wyffels and Nate Silver claimed the next three finishes for the Leafs after Schlindwein; Goodrich in 25th place with a 18:01 final time, Wyffels in 18:12 for 28th and Silver one second behind Wyffels in 18:13 for 29th. Junior Scott Mattan, senior Jor-

dan Wildermuth and sophomore Erik Kowitz also contributed to Geneseo's sixth-place finish with Mattan placing 36th in 18:30 followed by Wildermuth in 42nd in 18:44 and Kowitz in 48th with a time of 19:26.

"I am very proud of all these kids. The boys had a strong season and there is a lot of talent coming back next year," Fredericks said.

JUNIOR RACHEL WYFFELS takes on the Lake Storey Park course during the sectional meet last Sat.

The Lady Leafs and Schlindwein look to advance to the state meet when they compete at sectionals this Saturday, Oct. 30 in East Peoria at Illinois Central College. The girls will race at 10:30 a.m., and the boys at 11:30 a.m.

"This meet brings the cream of the crop, top teams and individuals from the Quad City, Peoria and Bloomington areas along with all the areas in between," Fredericks said. "It will be a big-time challenge to reach state, but certainly that's the goal and they have an opportunity to run for it."

UT boys, Geneseo girls grab

cross country titles

By Shannon Heaton
sheaton@qconline.com

GALESBURG — To reach beyond one's abilities, sometimes a cross country runner must undergo some kind of transformation.

It could be a quick one, like Geneseo's Katie Croegaert. The Leafs' No. 5 runner all year, Croegaert — who was the Maple Leafs' top runner as a freshman — finished third among Geneseo runners and 19th overall. That helped the Leafs outpoint Dixon, United Township and Sterling for a regional title.

Or, it could be an evolutionary one, such as UT senior Damon Bautista went through. Required to leave the Panther

basketball team for an athletic code violation during his junior year, Bautista persevered and is flourishing as a cross country co-captain, finishing ninth overall and helping the UT boys make some history with their first regional team title.

► **It's a first for UT boys:** In taking a two-point victory over Moline (57 points to the Maroons' 59) to win the boys meet, UT earned the historic team win.

"This was our goal the whole season," Panther senior and individual runnerup Kyle Cameron said. "No UT team had ever won either the regional or sectional. Throughout the season, I was running more for myself, but toward the end we're

all running for the team now. We've bonded as a team."

Together, the Panthers collected three top 10 finishes. In addition to Cameron's runnerup effort behind Galesburg's Tom Tate, Chris Matthews (fifth) and Bautista (ninth) also cracked the top 10.

"They're feeling it," UT coach Russ Boore said. "They knew what they had to do."

The Maroons, Rock Island and surprise fifth-place finisher Galesburg will join the Panthers in East Peoria at next week's sectional. Rock Island finished a solid third overall, with 88 points, thanks in part to an individual third from Austin Green.

"It's exciting. It's a lot better

than we did at the last meet (the Western Big 6 meet, where the Rocky boys took sixth)," Green, who was able to consistently hold off Moline's Alex Hutchins all race long for third place, said. "It was probably going to be too hard to catch (Kyle) Cameron and obviously (Tom) Tate. I'm satisfied with finishing third here."

Geneseo's Nathan Schlindwein will join the local teams at sectionals after placing 10th. The Maple Leafs were 11 points behind Galesburg for the fifth spot.

► **Leaf girls seize opportunities:** Coach Don Fredericks admitted that injuries and illness to other teams might have helped Geneseo win its first

regional title in five years. But there's no debate that the Leafs (77 team points) ran well enough to surprise Fredericks, too.

"I'm pleasantly surprised. Our goal was just to qualify, number one, but our girls stepped in and grabbed it," Fredericks said.

In addition to top-10 runs from Eliza Cropp (sixth) and Rachel Wyffels (eighth), Croegaert, Erica Brenny and Alison Curran all finished in the top 25 individually. That helped the Leafs against depth-challenged teams like Dixon and Sterling.

Joining Geneseo among local teams in the field were United Township (third with 83 points) and Rock Island (fifth with 105, just one ahead of Moline. The

Rocks got in with some solid individual efforts, including a third-place run from Erika Jakobsen.

"All season, I wanted to beat Rachel (Wyffels); she's my goal," Jakobsen said of her fellow soccer rival in the spring season.

Moline senior Brittany Minor led wire-to-wire to take the girls individual title. She'll be joined by freshman Kayla Kauzlarich (12th) as individual qualifiers, after the Maroons finished just off the qualifying list.

"I was definitely going after it today. I needed a good position before the woods because it gets tight back there. I didn't want to get caught in a mass of people," Minor said.
