

Pictured here are a few of the *many* volunteers who helped make the Geneseo Invitational a huge success. Superintendent Scott Kuffel, Business Manager / Parent Jack Schlindwein, numerous parents, Cross Country / Track Booster Club members, former athletes, friends of the Cross Country team, park district employees, and many others spent many hours before, during, and after the race doing it "For the Team". Thank you to everyone.

"Leafs run to overall title in the Geneseo Invitational"

Paced the team by winning their divisions were the overall boys team, the senior girls, and the freshman boys squads. When all the addition was completed the Maple Leafs had claimed the overall team championship at Richmond Hill Park on Saturday.

Cross Country wins the Geneseo Invite championship

By AMY BOLDT
Sports Editor

The Geneseo Maple Leaf cross country runners overpowered the competition last Saturday, Sept. 18 when they hosted the Geneseo Invitational on their home turf claiming first place in the invite. The Leafs finished in first place with a combined team score of 609 followed by Rock Island Alleman, 636 and United Township in third with a 659 score.

"Our team was the overall champion for the day and you can't ask for anything more," Head Coach Don Fredericks said. "It was also a nice addition to the football team's win Friday night who did an excellent job."

The Richmond Hill course is a three-mile race almost entirely on grass with two substantial hills the runners need to overcome. The invitational was split into four races, starting off with freshmen followed by sophomores, juniors and seniors.

The boys team claimed first place honors overall with an

end score of 287 points, 41 points ahead of second place Rock Island Alleman with a 328. In the senior division, Rock Island Alleman received the first place award with 33 points while Geneseo came in a close second with 66 points.

Winning the 12th grade division was Nathaniel Hird of Rock Island Alleman with a 15 minute and 54 second finish and Geneseo senior Nathan Schlindwein was the first to

cross the finish line for the Leafs earning a fourth place with a 16:49 time. Leafs' senior Bill Barton finished the race in 12th place with a time of 18:40 followed by Jordan Wildermuth in 19:08, David Cross 19:52, T.J. Lyttles 20:33 and Joe Rudy in 21:58.

In the juniors division, Rock Island grabbed top honors and Geneseo came in fourth with a final score of 123. Austin Green of Rock Island crossed the finish line first with a time of 16:36 while the first Leaf to cross the line was Pete Nelson in 18th place with a 19:14 time.

Scott Mattan came in 21st for Geneseo in 19:24 while teammates Dustin Brewer and Justin Heaton followed behind in 26th and 27th, respectively, in 20:16 and 20:17. Others finishing in junior the race were Caleb Dierick in 20:54, Wes Stahl 21:06, Ben Arnett 21:07 and Mark Lindell 24:33.

Geneseo came in second to Sterling in the sophomore race with 49 points to Sterling's 33. Nate Silver and Blake Wyffels finished five and six, respectively, with times of 18:16 and 18:24. Justin Goodrich ended the day in ninth place in 18:40 and Erik Kowitz 11th in 19:16. Lucas Cropp with a 20:22 finish and Jesse Cross in 21:11. Others completing the race for Geneseo were Tom Menendez, Dan Morgan, Dyson Wake, John Thompson, Josh Hale and Wyatt Pyatt.

The Geneseo freshmen class also took first place honors with 49 points for the day followed by Dixon with 56. Ryan Koteki took fourth place for the Leafs, finishing in 19:37 and Bryce Borkgren followed in sixth in 20:07. Jaran Heaton

Eric Windsor, Cliff Height and Brandon Huttenlocher also contributed in the Maple Leaf win.

"All the races were very competitive races and I am pleased with how the meet turned out," Fredericks said.

In the girls' portion of the meet, Sterling won with a final point total of 260 while Geneseo compiled 322 points for a fifth place finish.

The Lady Leafs were able to claim a victory in the 12th grade race, finishing with 29 points and all four runners in the top ten. Erica Brenny and Katie Croegaert led the girls team with one/two finishes. Brenny finished in 22:16 while Croegaert ended in 22:28. Alison Curran followed close behind Brenny and Croegaert with a fourth place finish to help the Geneseo cause with a time of 23:23. Ali Minnaert also placed in the top 10 with a sixth place finish with a 23:45 end time.

The girls were not so lucky in the junior race, finishing in eighth place with 101 points with United Township claiming first. Sally Collis just missed finishing in the top ten for the race, completing the course in

11th place with a time of 24:17.

Geneseo also had some difficulties in the sophomore girls race, finishing in seventh place with 137 points to Rock Island's first place finish with 49. Abby Winberry led the Lady Leaf team finishing in 23:25 for an 18th place finish while Nicole Carton and Kelly Lawrence ended the day at 23 and 24 with 24:16 and 24:20 times, respectively.

The freshmen team was able to help the cause and did their part, placing third for the day with 55 points. Eliza Cropp led the way, crossing the line first out of 16 girls. Cropp finished with a 21:59 time. Rachel Atwell also finished in the top 10, in sixth place, with a time of 24:00.

Maple Leafs capture own cross country invite

By Jeff Wendland
jwendland@qconline.com

GENESEO — Never underestimate the value of success for high school athletes.

That's the theory behind the interesting format for the Geneseo Cross Country Invitational on Saturday at Richmond Hills Park.

The format, designed by Maple Leafs coach Don Fredericks, allows for 80 different runners to leave the meet with Top-10 awards; plus 11 team trophies are awarded among the nine squads entered.

The boys/girls event features eight separate races, a boys and girls race at each grade level — freshmen, sophomores, juniors and seniors. There is also a boys and girls combined team winner and an overall combined team winner.

"At my first job in Crystal Lake, we ran a Grant High School/Crystal Lake High School meet with a similar format," said Fredericks. "I made a few adjustments and went with this format. Some of the coaches balked at first, but I think everyone has a hard time adjusting to change.

"The idea is to allow more kids a chance to have some success. This gives runners at each level a feeling like they can win. If they feel good, then they're having fun. If they're having fun, they may be able to get a friend to come out and run next fall."

The idea drew mixed reviews from some of the coaches in the field.

"Initially, I didn't like the idea, but it seems to be kind of fun," said Alleman coach Mike Ethington. "Personally, I'm more traditional and I like the team format. For us, the more we run as a team the better off we are."

Likewise, United Township coach Russ Boore likes the team concept from a traditionalist's point of view. However, he saw the rewards of this format lead-

ing up to Saturday's race.

"I had a freshman boy who was so excited about this race because he felt like he was finally going to have a chance to do something," said Boore.

That's what it's all about and that's what Fredericks was hoping. It's something of which Rock Island coach Michelle Lillis thinks the sport needs more.

"We're all struggling to get kids to come out," Lillis said. "Anything we can do to make it a more positive experience is good. We haven't really run as a full varsity team yet, anyway. So, this is a good opportunity to have some success and have some fun."

The combined team champion was Geneseo. The Leafs won the boys' overall title and Sterling won the girls' overall title.

In the senior boys, Alleman's Nathaniel Hird won in a time of 15:54 to lead the Pioneers to the crown. In the senior girls race Geneseo's Erika Brenny won in 22:16 to lead the Leafs.

In the junior boys, Rock Island's Austin Green led the Rocks to the team title, touring the hilly 3-mile course in 16:36. In the junior girls race Sterling's Megan Fliss was the winner in 20:43 and United Township was the team winner.

In the sophomore boys race, Aaron Winter of Rockford Lutheran won in 17:30 and Sterling won the team title. In the sophomore girls race, United Township's Brooke Ashcraft easily outdistanced the field in 19:53 and Rock Island captured the team title.

In the freshman boys race, John Davenport of Dixon won in 18:19 and Geneseo captured the team title. In the freshman girls race Sterling won the team crown and Geneseo's Eliza Cropp won the individual race in 21:59.

"I am very proud of the team and the efforts they put forth," Fredericks said. "A lot of good things happened on Saturday for us."

Both cross country teams look to continue their success when they compete in the Rock Island Invitational Saturday, Sept. 25 at Credit Island in Davenport at 10 a.m.
