*Striding for the green*

Lucas Cropp, a wrestler by trade, runs like a deer.

## *"Off-season miles bring In-Season smiles" .... Coach Fredericks*

Sun beating down on the runners, sweat running down faces --striving to do better, having more fun, and working harder. All this contributed to a wonderful year. Coach Fredericks and Coach Timmerman guided the team into great victories and helped them prepare for the season.

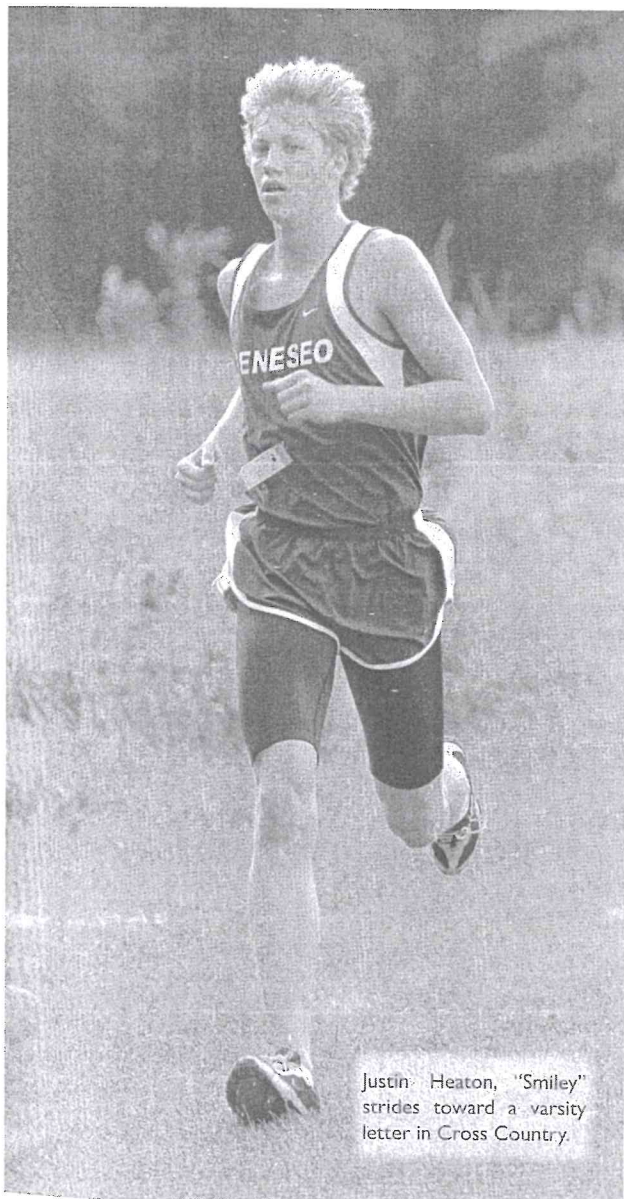

"The cross country season flew by so fast for me this year," Sally Collis, one of the captains, said at their end of the year dinner.

"I am proud to say that I am a Cross-Country runner," said Caleb Diercx, also a captain who was devoted the whole year.

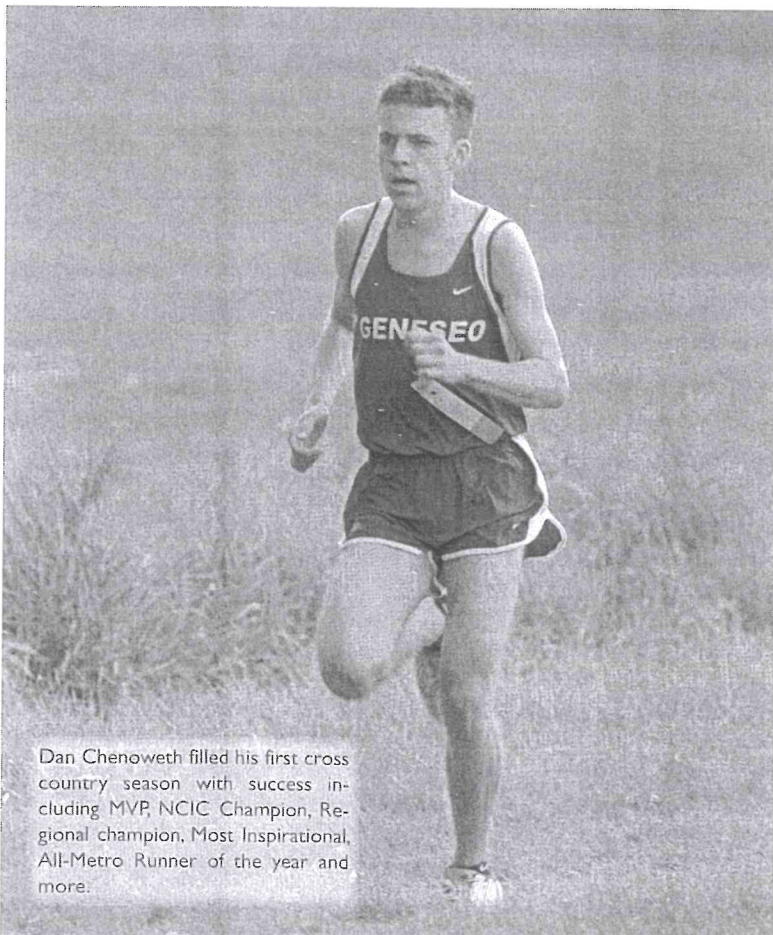

"I was a little unsure at first but to this day I wouldn't trade my CC experience for anything in the world," said a third team captain, Pete Nelson.

Rachel Wyffels, the fourth senior captain, added, "I can honestly say that this is one of the most positive teams I have been a part of."

The team enjoyed trips to several different cities including Sterling and even different states like Wisconsin.

Justin Heaton, "Smiley" strides toward a varsity letter in Cross Country.

Dan Chenoweth filled his first cross country season with success including MVP, NCIC Champion, Regional champion, Most Inspirational, All-Metro Runner of the year and more.
