

Chenoweth battles top runners

By AMY BOLDT
Sports Editor

The accomplishment of making it to state competition is a feat in and of itself not everyone gets the chance to experience in their high school career. Everyone wants to win and is disappointed when they don't, but on the other hand, just making it to that level of competition is a great achievement.

Geneseo's Dan Chenoweth attained that achievement representing the Maple Leaf cross country team and the city of Geneseo in the IHSA State Cross Country Meet, Nov. 5 at Detweiller Park in Peoria.

In his first Illinois State meet, Chenoweth placed 35th out of 259 of the top runners in the state in the Class AA boys' race. Chenoweth finished with a time of 15 minutes and two seconds and struggled to hide his disappointment.

"I don't feel like I ran my best race," Chenoweth said. "And I let it slip. I am not really sure what happened to me out there. I let some

guys separate at the two-mile mark and I didn't hang with them like I'd planned.

"I wasn't focused enough to stay with it," Chenoweth said. "Other than sectionals in track (last spring) I felt like I haven't let myself down this much before."

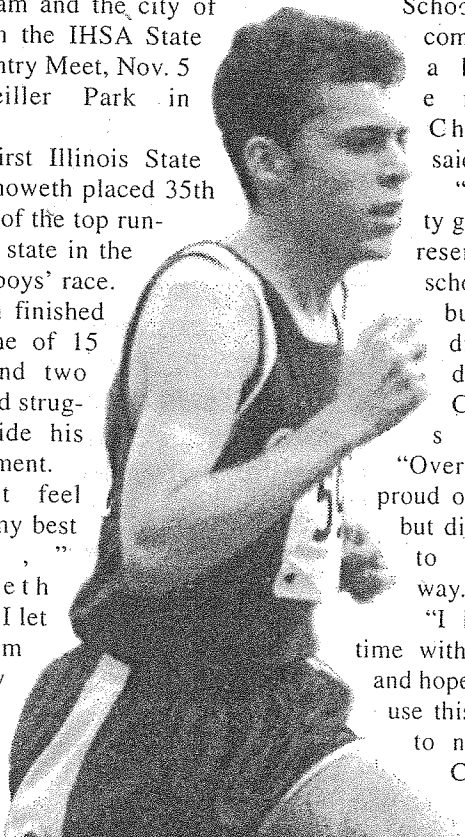

Chenoweth commented that the IHSA meet is a lot bigger and is a totally different experience compared to the Iowa state meet where he placed 10th and was part of the state championship team last year for Cedar Falls High School.

"The competition is a lot different," Chenoweth said.

"I felt pretty good to represent the school (GHS), but I just didn't get it done," Chenoweth said.

"Overall, I am proud of the year, but disappointed to end this way.

"I had a fun time with the team and hopefully I can use this as a step to next year," Chenoweth said.

DAN CHENOWETH tries to make his way to the front of the pack in the second leg of the three-mile race.

Republic photo by Amy Boldt

DAN CHENOWETH sprints to the finish line in the Class AA Boys' IHSA State Cross Country meet last Saturday, Nov. 5 at Detweiller Park in Peoria.

"Dan ran a great race," Head Coach Don Fredericks said. "His goal was to be all-state and he didn't miss it by much.

"This was one of the best fields ever assembled," Fredericks said. "He is very disappointed, he is wounded, but when the dust settles he will know No. 1 he did run a strong race. And second that everyone fails at a goal at some point and the true test is how you respond and I think this will inspire him to great things.

"Dan ran so well, he ran

tremendous," Fredericks said. "It was a tremendous field and we are extremely proud of Dan. He fought so hard and for some individuals when they know their goal is unat-

'I wasn't focused enough to stay with it. Other than sectionals in track (last spring) I felt like I haven't let myself down this much before.'

Dan Chenoweth,
Geneseo Cross Country

tainable they stop trying, but Dan kept fighting to the end all the way to the finish. He got everyone he could. It was very inspirational."

Looking back on the season Coach Fredericks said. "Overall, I am very satisfied, I wish the boys had been able to qualify for state, but they put forth a great effort. I am very proud of the girls' team, we hit a couple of road bumps that made the season more challenging, but the people who finished the season ran with tremendous pride, purpose and passion."

Dan Chenoweth Runs to a 35th Place Finish in the State Finals

On Saturday Junior Dan Chenoweth placed 35th in the State Finals held at Detweiller Park in Peoria. Dan's splits were 4:45 at the mile and 9:52 at 2-miles. Congratulations on a great season Dan.

Ulrey defeats expectations, finishes third in Class A

By Shannon Heaton
sheaton@qconline.com

PEORIA — Anybody who thinks Riverdale senior Dorian Ulrey can't compete with the best distance runners in Illinois missed out on his Class A state cross country run Saturday at Detweiller Park.

Considered a middle-distance specialist for track purposes, Ulrey ran in the top 5 all race long, easily passing Wayne City's Arthur Bradford for third place in the last half-mile to finish the three-mile course in 14 minutes, 52 seconds.

"My legs are a little zapped, but it was a good race; I ran smart," Ulrey said. "Most people don't give me credit in distance, but I proved I can go anywhere."

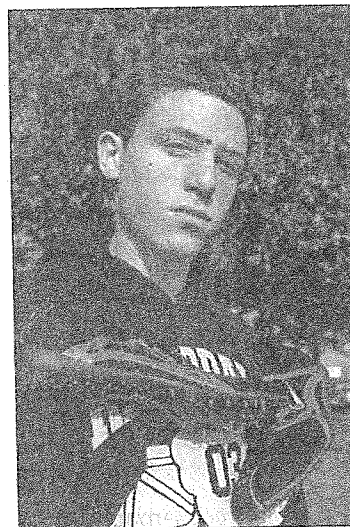

Ulrey had little if no shot at running with Winnebago's Jeremy Stevens, who won in 14:18, or runnerup Charlie Hatch of Nashville, who was second in 14:32.

"He's an animal," said Ulrey of Stevens, who won his second title and ran the fastest boys time clocked on the Detweiller course Saturday.

Ulrey was well back of Bradford in fourth place with less than half a mile to go, but shot past him in the final 100 meters for third.

"I feel like the only thing I could have done differently today was have a stronger summer," Ulrey said. "But it (his down time) set me up for good hard training this fall. I had a great fall that will get me up for another good spring, hopefully."

AlWood senior Cliff Miles joined Ulrey in the ranks of all-staters, finishing a solid 18th in the Class A race, with a time of 15:27.

Dorian Ulrey

"I'm going to wear it (his medal) all day; I'm going to bed with it," said Miles. "My arms felt like there were five-pound links attached to me the whole time. But I'm pretty happy with where I came out. I ran a PR; I was really patient. I kept myself back a bit because I knew I'd need that energy at the end."

Rock Island's bid for a top-10 team showing in the Class AA race melted away under a tremendous sprint by the field. Senior Austin Green, in 48th place, was the Rocks' first runner and the only one to crack the top 100 as RI wound up in 22nd place at 537 team points.

"A lot of people got PRs (personal records), so that was great," said Green, who ran at Detweiller last year. "I liked the climate (overcast, cool, low humidity) a lot; it's a lot different running for the team."

And the fact that so many Rocks ran better than they had at the Peoria Woodruff Invitational nearly two months ago left RI coach Michelle Lillis with a smile.

"It's a little hard to be too disappointed. They ran well, they gave it their all. It was a fast day," Lillis said. "Austin and our No. 5 (freshman Travis Anderson) were only 60 seconds apart at the end, which was really good. But we're not where we hoped we might have been able to be."

Geneseo junior Dan Chenoweth couldn't hide his disappointment after taking 35th in the Class AA race, finishing in 15:02.

"I'm really not sure what happened to me out there; I let some guys separate at the two-mile mark; I didn't hang with

them like I'd planned," Chenoweth said. "Other than sectionals in track (last spring), I felt like I haven't let myself down this much before."

Riverdale junior Josh Moshier tried to hang in for all-state status in the Class A race, but faded just enough to wind up 41st overall, finishing in 15:54.

"That third mile, my legs were just dead. I tried to put together a couple of bursts, but I had no speed; it just felt like a sharp pickup," Moshier said. "I went out in the first mile in 4:52; that was probably a little too fast for me, but all in all it was a good experience."

Alleman senior Alex Knobloch, making his third trip down to Detweiller but his first in Class AA, wound up 100th in 15:36.

"It's a lot harder to do the selfish thing and run as an individual than to come down here and run for a team title and run selflessly," said Knobloch, who was a Class A all-stater in 2004. "I was hoping for something under 15:20, but it's a lot harder to move around people (in AA)."

Pettie runs to runnerup finish at state meet

By Shannon Heaton

sheaton@qconline.com

PEORIA — No one has challenged Carthage junior cross country runner Katelyn Bastert for three years.

If Sherrard freshman Shelbie Pettie has her way, that may change in 2006. Saturday, in the Class A state meet at Peoria's Detweiller Park, Pettie announced her presence on the state scene by getting the closest she's ever come to Bastert — 31 seconds back.

That allowed Pettie to finish in second place overall, by a wide margin over Reed-Custer's Ryan Eichelberger (16 seconds) on Saturday morning.

"My goal was second, but I was kind of iffy on if I'd get it," said Pettie, whose time of 17 minutes and 24 seconds was the fifth-fastest time run at a Class A State Final event at Detweiller since the girls' race was set at three miles (Bastert owns the top three marks, with 2002 champion Sarah Selby of Shelbyville owning the No. 4, just eight seconds ahead of Pettie).

"There's a lot of awesome, strong runners here. I was hoping for second, praying for second also. I'm excited to get it; Katelyn's an awesome runner. I'm just coming into the scene, and there'll be better days ahead."

Pettie ran out ahead of everyone but Bastert right away and held that position across the 3-mile Detweiller distance.

"I wanted to go out in six flat for the first mile and it turned out to be 5:30. I was glad for that, because I don't think I would have done as well as I did without that mile," Pettie said.

Fans along the side of the course called out to Eichelberger,

and Pettie heard them, but the senior never made a serious move.

"I don't want to peak yet; I don't think I have peaked," Pettie said. "I'm just starting to train seriously. Now I can get excited for basketball and track."

Bureau Valley secured its second consecutive top-10 finish, taking 10th this year after finishing third a year ago. The Storm wound up with 312 team points.

"This season's been a lot different, with the injuries we've had, but at the end we all pulled together," said Storm senior Jessica Ries, one of only two BV varsity runners who won't return in 2006. "It was a little different at state, too; since we were third last year, we had something to live up to."

Monmouth-Roseville finished 12th as a team, scoring 343 points. Junior Hannah Hottle, an all-stater last year, didn't fare as well in 2005, taking 62nd overall as the Titans' first runner.

"To do very well here we would have to have personal bests across the board, and we really only had at most three runners that had personal-best times," M-R coach Gary Miller said. "The others about equaled what they did before. I'm not disappointed; I'm sure they are. It was a tougher Class A field across the board."

Galesburg's Shannon Stacey wound up 42nd in the Class AA race after starting out 18th through the first mile.

"Everyone was going out really fast; I went out really fast, too, but I felt really good," said Stacey, the Western Big 6 and Moline Regional champion. "But I trained to peak at sectionals so I could get here, and most of the people here trained to peak at state. I'm happy with how I ran."
