

Geneseo at Galesburg Invite

Behind the first-place finish of D. Chenoweth the boys' cross country team captured first place at the Sept. 2 Galesburg Invitational with 66 points.

D. Chenoweth took the tape in 15:27 for first, while Wyffels raced to a top 10 finish in 10th with time of 16:54.

"This was a course record for Dan and was the first time the boys won the meet since 1999," Fredericks said. "The team is really coming together and from here we can only get better. The guys are running on total strength and running great."

Kotecki crossed the finish line in 17:12, Lodge in 17:19, Silver in 17:28 and Brenny, 18:27. Windsor came in at 20:23, followed by Cross in 20:41; Wake, 20:43; Watkins, 22:13; Pyatt, 22:18; Toom, 22:42 and Reyes in 26:33.

The F/S girls' squad led by Dewey, Cosgrove and J. Chenoweth brought home a second-place finish with 34 team points.

Dewey paced the pack and raced to a first-place finish in 21:34. She was followed by Cosgrove in third place in 22:18 and J. Chenoweth took fourth in 22:27.

Geneseo boys, Moline girls run past competition

It's still a good two months to the state cross country meet.

However, for Geneseo's boys and Moline's girls, state is very much on their minds at this early stage of the season, and the two teams ran like it Tuesday night at Credit Island Park in Davenport, sweeping duals over their opposition in a five-team competition hosted by the Maroons.

The Maple Leaf boys had their closest dual against Moline, putting five runners across the finish line before the Maroons' third, taking a 22-33 victory. In the girls' race, Moline defeated United Township 24-32 in its closest dual, as the Maroons' fourth and fifth runners both crossed before the Panthers' fourth.

Boys

Senior Dan Chenoweth sprinted out to the early lead just 100 meters or so into the race, and while the field faded back, Chenoweth kept stride, finishing the fast Credit Island track in 14 minutes, 54 seconds, a very solid time this early in the season.

"I know I can improve a lot more; we haven't really done any speed training yet. I'm just running off of strength, so it's all good right now," said Chenoweth.

The race provided a solid tuneup for Saturday's Peoria Woodruff Invitational, where Chenoweth and the rest of the field will try to run down the nation's best, Jacobs senior Evan Jager.

"I'm still kind of figuring out

what strengths I have, but when there's hills, it gives me a little bit of an advantage," said Chenoweth. "But I think I can run good races on any (course)."

Geneseo put five runners into the top 11 individually, pleasing coach Don Fredericks.

"Our top group put in the best season of work Geneseo distance has seen since 1999, and it showed," Fredericks said.

Girls

The Maroon girls, too, put together a solid near-the-top pack, as all five scoring Moline runners finished in the top 15 individually, led by the 2-3 tandem of junior Aisha Praught and sophomore Sarah Castel.

"Their end goal is, they want to qualify for state. They want to be able to defend their conference title, head into regionals and move on from there," said Moline coach Tauwon Taylor.

UT put up a solid showing in taking second in the duals, led by individual winner Brooke Ashcraft's fine 19:04 clocking.

Ashcraft, a senior, added Tuesday's win to Saturday's runner-up finish at the Galesburg Invitational, showing the strongest form she's had since her freshman year, when she won the Western Big 6 title.

"I feel a lot better," said Ashcraft, who suffered from a stress fracture during her sophomore year and anemia last year.

"The last two years, it wasn't even fun at all. I didn't think it (the anemia) would make a big difference, but it did. Last year, I felt like I couldn't breathe, and this year has been fun so far."
