

The Lady Leafs turned a few heads as they brought out UV protection for Saturday's Regional warm-up. The Lady Leafs literally ran wild as all 7 runners dropped their Lake Storey season best totally a jaw-dropping 10:36 combined time.

### **Both Girls & Boys Squads Punch Sectional Tickets**

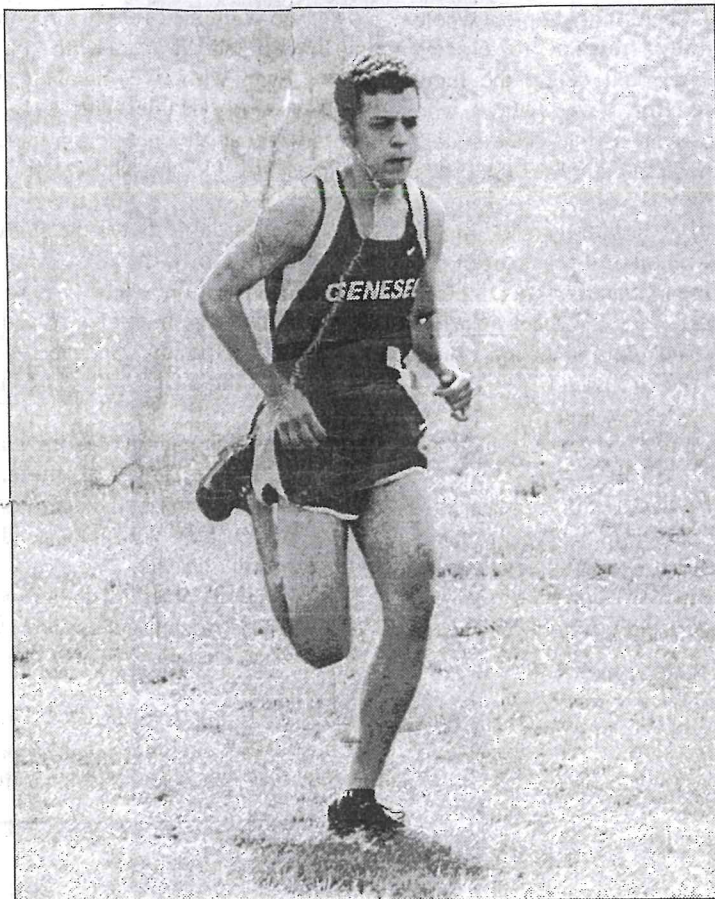

On Saturday, October 21st, the Leafs traveled to Galesburg's Lake Storey Park to participate in the IHSA Regional. The number one goal of the day was to advance both the girls and boys teams to Sectional and that goal was accomplished. Each team is now one step on the ladder from the State Finals.

Last year at this time the Lady Leafs were licking their wounds as the team failed to qualify for the Sectional Finals for the first time in over 20 years. Not this year! Pacing the girls team to a strong 5th place showing were Danielle Dewey (10th); Joann Chenoweth (27th); Amy Cosgrove (28th); Kate Langdon (30th); Nicole Carton (34th); Abby Winberry (45th); Rachel Atwell (64th.) Great efforts Ladies and all without an ill Eliza Cropp who will return to the line-up next Saturday.

The boys team placed 2nd in the Regional Final for the second straight year to advance to next Saturday's Sectional Final in East Peoria. The team's chance for the Regional Title was dashed by a spirited effort from the hosting Galesburg Silver Streaks. The Leafs were led by senior Dan Chenoweth who took an amazing 16 seconds off his already outstanding course record. Josh Lodge (12th); Ryan Kotecki (17th); Blake Wyffels (23rd); Nate Silver (25th); Rob Brenny (51st); and Chad Ford (53rd) provided great depth as the team held off the Rock Island Rocks by 1 point. The top 5 Leafs all entered the Regional Honor Roll by finishing in the top 25. Well done men.

# Chenoweth rolls to title; Geneseo, Rock Island, Moline teams advance

**GALESBURG** — Dan Chenoweth dominated, and seven local cross country teams kept on dancing.

The Illinois metro region did well at Saturday's Class AA Galesburg Regional at Lake Storey Park, with Moline, Rock Island and Geneseo sending both boys' and girls' teams to next Saturday's East Peoria Sectional on the Illinois College campus.

In the first race of the day, Moline's girls put three runners into the individual top 10, but couldn't contend with Rock Falls' depth, as the Rockets ran all seven in the overall top 25.

Still, the Maroons were well ahead of third-place Sterling, scoring 82 points to the Golden Warriors' 94. Rock Island (107) edged out Geneseo (116) for fourth, with the Maple Leafs comfortably ahead of Dixon for the final qualifying slot.

Chenoweth destroyed the 3.04-mile Lake Storey course, finishing 51 seconds ahead of runnerup Josh Bailey of Galesburg, leading the Maple Leaf boys to a second-place finish behind the Streaks, who had all five scoring runners in the top 20.

The Leafs outpointed Rock Island by one point, 78-79, for second, and United Township outdistanced Moline, 119-145, for fourth. The Maroons edged Dixon and Sterling by seven points.

**►Boys:** The goal, for Chenoweth, was just to get some separation in the first mile. Halfway into that mile, the only question remaining was how much separation he'd achieve in finishing with a time of 15:11.

"Guys like (Rock Island's Kyle) Staley, they can be right up there on you, and you can never be sure how it's going to go, so the idea was to get some separation and just hold it. It seemed to work that way," Chenoweth said.

Indeed it did, as he was never challenged after the first half-mile.

Rock Island's Staley tried the same strategy that he'd employed at the Western Big 6 meet a week ago against Galesburg runners Bailey and Zack Yeager. He surged into second spot and tried to hold on.

It partially worked, as Bailey caught him in the final half-mile, but Yeager didn't, giving Staley third in 16:08.

"The same thing happened, but I was able to hold on to him longer than last week," said Staley of Bailey's charge in the final half-mile. "Through the second mile, I felt (Yeager) go back a little bit. I noticed he wasn't wearing spikes, and that might have hurt him in the woods.

The Rocks were gunning for a sectional spot with a particular intensity Saturday, as their No. 4 runner for most of the year, Topher Leiby, had to skip regionals because of a statewide band competition in Bloomington.

**►Girls:** The Maroons' top three — junior Aisha Praught (second, 18:53) and sophomores Sarah Castel (fourth, 19:36) and Katie Klingborg (ninth, 20:00) proved they could hang with Rock Falls' top three.

However, the Rockets' depth was too much, led by individual champion Victoria Castaneda, who finished 15 seconds ahead of Praught.

"I really think if I had gone out harder in the first mile, I would have been better off," said Praught. "My first mile was probably 20 seconds slower than at conference, and I let her have too much of a lead."

But the Maroons still sailed through to sectional in relative comfort.

"I actually love this course; there's hills here, and I love those," said Castel, whose last appearance at Lake Storey was an all-conference seventh at last year's WB6 meet.

"It feels great (that the team qualified). I love practicing and getting nervous before races."

Rock Island's fourth-place team effort was particularly outstanding, given the rash of injuries the Rocks have had to push through all season.

"At least we've got another chance to run, and the band people didn't have to practice for nothing," said RI senior Erika Jakobsen. "I think we all felt OK (afterwards); we were worried about whether we'd make it, because it's close."

UT's Brooke Ashcraft (fifth, 19:40) and Tari Fisk (14th, 20:24), as well as Alleman's Kathleen Hogan (12th, 20:15), all qualified as individuals.

"Hopefully, we made it through for Topher," said Staley. "To get the girls here (to Galesburg, who also had to go to Bloomington), we had to give him up today."

UT was led by Jerome Harms, who finished 11th in 16:41; Moline's Jonathan Smith was the first Maroon, taking eighth in 16:34. Alleman's Tim Hird (seventh, 16:32) and Brian McGuire (10th, 16:40) will join the four metro qualifying teams at sectional.
