

Dewey & Evans-Peck Pace Leafs at Rocky Invite

On Saturday the Leafs participated in the Rock Island Invitational held at Credit Island in Davenport. The team took advantage of the fast course as almost everyone posted a season best time. More to follow.

Leading the Lady Leafs was Danielle Dewey while Carlisle Evans-Peck paced the boys efforts.

Praught wins individual title to boost Maroons at RI invite

For a sprinter, Moline junior Aisha Praught has sure adapted herself to distance life.

Last week, at the Geneseo Invitational, Praught didn't blink at the hills galore found at Richmond Hill Park, running the fastest time of the day among female runners.

Saturday, at the speedy track found at Davenport's Credit Island, Praught was equally at home, holding off United Township's Brooke Ashcraft for another big invite win, this one leading the Maroons to a third-place finish. Moline tied Pleasant Valley with 82 points, but the Spartans had a faster sixth runner.

"(Graduated) Brittany Minor and (current Moline teammate) Kayla Kauzlarich just convinced me to go out," said Praught, whose time of 18 minutes, 38.66 seconds was more than 15 seconds ahead of Ashcraft; both runners set season-bests.

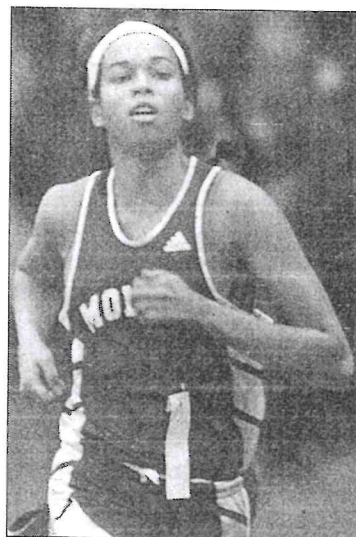

"I figured I could cross-train for track. It took some getting used to, but now I've gotten the hang of it."

Rock Island was fourth in the girls' race with 112 points, as seniors Julie Dietsch and Alyssa Leone — who hadn't run in a competitive race until Saturday — acquitted themselves well in their first action of the season. Geneseo was sixth and Alleman eighth in the nine-team field.

Individually, it was Praught, fellow Maroon Sarah Castel and Ashcraft who ran three-wide

Devin Allbaugh

early in the race; when Castel, who was battling illness all race long and even afterward, dropped back, Praught used her sprinter's speed to surge ahead for good.

"Confidence is everything, and right now Aisha's running great," said Moline coach Tauwon Taylor, whose Maroons bagged the top local team finishes (thirds in both the girls and boys races). "Right after she finished, I said to her, 'You realize, you're no longer a sprinter.'"

"To me, today was a good step forward. It was a big step for our guys. We had huge performances all over the place."

In the boys' varsity race, PV's Devin Allbaugh surged ahead of Rock Island's Kyle Staley at the start of the final mile and his

surge went unanswered.

Though Staley was significantly closer to Allbaugh than the first time the two met at the Pleasant Valley Invitational three weekends ago, he was still 9.2 seconds behind Allbaugh, who finished in 15:17.61.

"It was difficult (regaining his momentum after falling during the race)," said Allbaugh, who led five Spartans to the top 15 overall and the team championship. "Winning (the team title) is pretty big. Last year right around this time, we started to fade a bit."

Pleasant Valley outpointed Bettendorf 36-51 for the team title, with the Maroons (106), UT (122), Rock Island (133) and Alleman (153) in order behind them in third through sixth, respectively.
