

Cameron Hodgson, Joann Chenoweth, Jaran Heaton, Danielle Dewey, & Amber Kajdacs were caught in the act of cheering on the Running Leafs on Saturday at the 90-Team Peoria Woodruff Invitational

Fast Times at Powerful Woodruff Invitational

On Saturday, September 9th, the Leafs traveled to Peoria's Detweiller Park to participate in the huge Woodruff Invitational. Ninty teams participated in this year's event (Class A & Class AA Schools) and the official number of finishers in all races was listed at 2,076 (there were over one hundred DNF's.)

We are still waiting the the team scores to be posted. Individually, the Leafs successfully battled the huge field and the high temperature and high humidity. Race-time temperatures near 90 were certainly cooler than last year's 99 degrees but still far from ideal weather to race in. Most of the team raced to a season best time with over half of the team nailing life-time personal bests. Not bad for early September. Leading the way was senior Dan Chenoweth who ran to a school record of 14:39 as he finihed a close 2nd to state favorite Evan Jager of Jacobs High School

In the words of Hall of Fame Coach Jeff Quick: "Run with your feet not your mouth"
