Leafs Battle QCA's Best at Rocky Invite

On Saturday, September 22nd the Leafs traveled to Davenport's Credit Island Park to participate in the annual Rock Island Invitational and take on the QCA's best. The field included the cream of the crop of the QCQ's talented distance running programs making each race extremely competitive.

A large number of the Leafs ran to personal bests even though the course was 3.05 miles in length. Leading the team were Danielle Dewey, Rachel Atwell, Josh Lodge, Chris Bisom, Jon Flemikng, and Micah Stewart who all craked the top 15 in their respective races to earn individual hardware.

In the highly-competitive and tough Rock Island Cross Country Invite Sept. 22, the Geneseo girls' team placed sixth, while the boys' squad took home seventh at Credit Island Park in Davenport, Iowa.

"I was certainly pleased with our performance," head coach Don Fredericks said. "A large number of runners record their personal bests and we are really happy about that. Both teams are making good progress. There were some distractions with homecoming, but I thought they did a good job and I am very satisfied."

The Lady Leafs' top three sophomore runners led the way for Geneseo. Danielle Dewey finished in 11th place with a time of 19 minutes and 42 seconds, followed by Joann

Chenoweth in 23rd at 20:19 and Amy Cosgrove in 29th in 20:42.

Others racing for Geneseo were Lauren Schroeder in 21:23; Betsy Winberry, 22:24; Eliza Cropp, 22:38; and Kate Langdon, 23:51.

Leading the boys' team the usual suspects, Josh Lodge in 13th with a time of 16:24 and Ryan Kotecki in 23rd place at 16:44.

Rob Brenny followed in crossing the finish line in 17:14, while Chad Ford came in at 17:36. Carlisle Evans-Peck ended with a time of 18:01, followed by Ian Mattan in 18:04 and Eric Windsor at 18:13.

"Josh Lodge put forth an excellent effort, while Ryan Kotecki just missed placing in a tough field," Fredericks said. "Chad Ford sprained his ankle at practice on Thursday, so he wasn't at his best, but made a good effort."

The freshmen/sophomore Leafs

placed fifth with Micah Stewart placing first for the Leafs in 14th place at 18:03.

Others contributing to the effort were Micah Morrill in 18:34; Branden Smith, 18:47; Andrew Kellogg, 19:17; Tyler Timmerman, 19:34; Cameron Hodgson, 19:39; Andy Adams, 19:45 and Greg Pemble, 19:47.

Also, Brandon Meeks in 20:44; Alex Strohmeier, 20:54; Cole Barrett, 21:12; Ethan Koisti, 21:17; Tom Dellett, 22:25; and Mark Morrill, 25:24.

The freshmen/sophomore girls raced with an incomplete team, but those who competed at the level were Hillary Lohman in 23rd with a time of 23:58 and Mariah Carney in 27:59.

In the junior varsity boys' race, the Leafs placed third with Chris Bisom leading the pack in eighth place with a

time of 18:36.

"All and all some really good things are happening and we just have to keep improving," Fredericks said. "We have to look at the finish line because it is going to be over before you know it."

Jon Fleming took 13th place in 18:57, while Austin Carney came in 17th at 19:10. Bryce Borkgren finished in 21:29; Jaran Heaton, 21:31; Chaz Augustine, 22:31; Steve Whittington, 22:36; and A. J. Kellogg, 22:48.

No scores were kept in the JV girls race, but those competing for the Lady Leafs were Rachel Atwell in ninth place in 22:20, Elaine Orendorff with a time of 23:22 and Liz Hanford in 23:28.

"Danielle Dewey lead the way with a strong 11th place and ran a phenomenal race," Fredericks said. "A large

ant surprise was Rachel Atwell with our sixth fastest time in the JV race."

This weekend the Lady Leaf runners will be in Wheaton for a race at 9 a.m., while the Leaf runners will race at Crete-Monee at 10 a.m.

"At Wheaton, the girls will see some of the top teams in the state in an absolutely loaded field," Fredericks said. "At Crete-Monee, the boys will see some great teams, but the girls' field is more loaded than the boys' field."

"We hope to see the best races of their lives (this weekend). When the pressure is on it is easy to fold and that is not what we want to see happen. This weekend will be a good trial run for championship meet season as far as importance of the meet. We will feel a little bit of pressure this weekend and hopefully we can respond
