LEAFS RUN STRONG IN GENESEO QUAD

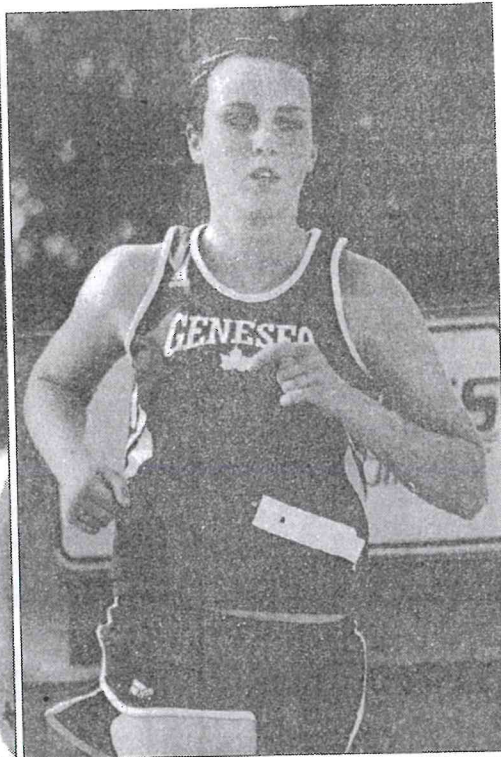

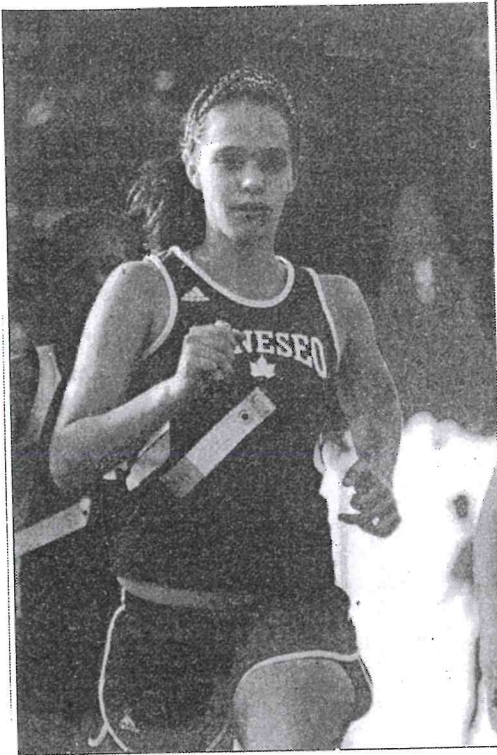

On Tuesday, September 8th Geneseo played host to Rock Island Alleman, Moline, and Moline. To say the least this was a strong quad and the Leafs were glad to host the meet. The coaches agreed to one girls race and the same for the boys. The racing conditions were a bit humid with a moderate temperature of 78 degrees. Not bad for early September in Illinois.

The Girls got things rolling first. The Lady Leafs were racing without two of their top 5 runners as Amy Cosgrove

and Jenny Ford were both home ill today. Danielle Dewey, Emily Ford, and Joann Chenoweth did a great job of packing early and grabbed the 3-4-5 places. Paige Gatter nailed down her usual number four Lady Leaf spot with a strong 8th place finish while Betsy Winberry, Hilary Lohman, and Britta Conrad provided a lot of depth via their 10-13-15 place finishes. The Lady Leafs topped the field. Great job Lady Leafs.

The Boys were up next. U.T. chose to hold out their top 3 (they went 1-2-3 on Saturday at Galesburg) so that really changed the meet. Moline got out early and ran to a 1-2-3-4 finish showing that their goal of returning to state is a possibility. The Leafs packed it in nicely with Kyle Reiling regaining the number one man position via his 5th place finish. Carlisle Evans-Peck was right on his heels in 7th while freshman Jordan Starkey out sprinted fellow freshman phenom Adlfinger from Alleman....they were flying. Chad Ford and Thomas Sigwalt were right there also via their 11th and 14th place finishes. Brandon Smith was a solid number 7 man in 17th as well as freshman Marcus Gagnon who continued to his stranglehold on the number 7 man position with his 27th place finish.
