

## LADY LEAFS CAPTURE ROCK ISLAND INVITE GOLD WHILE BOYS CLOSE 2ND

On Friday, September 24th, the Leafs traveled to Rock Island to participate in the annual Rock Island Invitational. The meet is usually hosted at Credit Island in Davenport but due to summer flooding on the Mississippi the park is closed and the meet needed to find a new location. Augustana College solved the problem when they extended Rocky an invitation to join their huge college meet site. The resulting solution was perfect and allowed the high school athletes to race on well groomed turf and FLY. Due to the time crunch of running all the races all the high school girls ran in one race while the boys did the same.

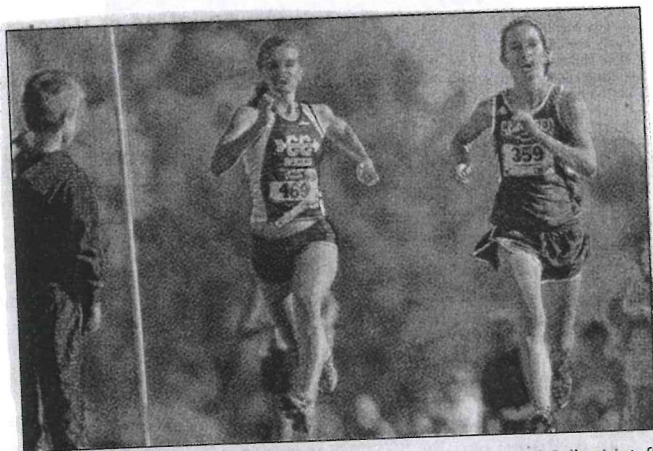

The Lady Leafs got things rolling at 4:00 pm. At the gun a very vastly improved and dangerous Rock Island team exploded off the line and quickly grabbed 5 of the top 7 places turning many heads. They held these positions past the 3/4 mile mark and then started to pay for their aggressive racing tactic. The Lady Leafs charged up through the pack and ROARED the 2nd half of the race. Emily Ford and Paige Gatter grabbed the top two places to lead the team effort. Not far behind were Jessa Coulter and Morgan Kelly as they moved up to place 4th and 5th overall. That's right Leaf fans....the Lady Leafs took 4 of the top 5 places. Closing the scoring was Jenny Ford who placed 12th overall (top 15 earned beautiful medals.) Hilary Lohman (25th) and Kelsey Klein (36th) rounded out the Varsity's top 7 with strong efforts. Also putting forth strong efforts were Britta Conrad, Mandy Morse, Brittany Mielke, Chelsea Rahmus, and Haley Henderson who placed 54th, 70th, 79th, 90th, 92nd respectfully. Mielke, Rahmus, and Henderson were debuting at 3 miles as they continued the "little lungs to big lungs" Klein experiment.

Running in the same race but a separate division were the freshmen/sophomore girls. Leading the team were Halle Olson, Sarah Dellett, and Amber Fobert who placed 6th, 10th, and 11th overall to earn top 15 medals. Closing the scoring were Courtney Backes, Jeni Bergles, and Jenna Whipple who placed 21st, 25th, and 49th places respectfully and helped lead the team to a strong 3rd place finish. This race marked the season debut of Jenna Whipple who was spotted wearing spikes and a big smile. Great job Ladies!

Geneseo's Big 3 once again led the charge as Jordan Starkey, Kyle Reiling, and Thomas Sigwalt all placed in the top 10 (top 15 earn awesome medals) by going 4-5-9. Branden Smith and Marcus Gagnon also put forth strong efforts to nail 21st and 23rd places respectfully. When the points were added the Leafs had tied U.T. with 62 points but lost the 1st place tie-breaker (6th man) 32 to 38. Great job to Daniel Hanford for making it close. This first year rookie is having quite a season. The team really ran well and closed the gap on Alleman and U.T. since they last met at Richmond Hill Park. Also running strong races were Tyler Rusk (54th), John Mullin (64th), Jesse Mohr (72nd), Trevor Specht (86th), Tom Dellett (93rd), and Josh Lawson (94th.)

Also running in the same race but a separate division were the freshmen/sophomore boys. Leading the team and grabbing top 15 medals were Mitchell Lamb (13th) and Tony Gatter (15th) who each helped lead the team to a solid 4th place finish. Mitchell Lawson ran his strongest race of the season to earn 3rd man honors in 27th with Chaise Blakley (29th) and Bryce Gramling (50th) not far behind to close out the team scoring. Also putting in strong efforts were Seth Stewart (54th), Evan Koisti (61st), Ethan Radue (79th), Jay Wilson (81st), Brain Bordwell (87th), Alec Damitz (88th), Hunter Kuffel 91st, and Michael Neuwohner (95th.) Mr. Radue was making his season debut after a late season hold out. He is a welcomed addition to our team. Solid efforts men.

Photographers call the hour before the sun sets the magic hour because the quality of the light is at its peak.

At the Rock Island Invitational at Saukie Golf Course on Friday, some of the Quad-Cities best prep cross country teams showed that they are ready for their moment in the sun.

On the girls side, Geneseo (24) edged out Class 2A rival Rock Island (43) for the team title. Alleman (79) finished third ahead of North Scott (100), Pleasant Valley (107), Davenport West (184), United Township (189) and Davenport Central (209) in the eight-team race.

On the boys side, United Township and Geneseo each finished with 62 points and the Panthers won the meet with a faster overall time of 1:22:47 to the Maple Leafs 1:23:44. Third place went to Rock Island (83) which was followed by Alleman (105), Davenport West (128), Davenport Central (141), Pleasant Valley (157), North Scott (184) and Davenport North (190) in the nine-team gathering.

Geneseo's Emily Ford blew away the competition in the girls' race with an 18:40 winning time.

"Even though you are totally beat and tired, the cheer of the crowd pushes you home," the sophomore Ford said. "The crowd is what pushes you across the finish line."

Ford believes that this season's Leafs have not lost a step from last year's team that finished fourth in the Class 3A state finals. Geneseo looked dominant with four of the top five spots belonging to Ford (18:40), Paige Gatter (2nd, 19:27), Jesse Coulter (4th, 19:53) and Morgan Kelly (5th, 19:56).

Rock Island was led by sophomore Kelly Bishop's sixth-place finish (19:57), that almost didn't happen when a fast start took its toll and forced her to find even more incentive when thoughts of slowing down crept into her mind.

"I thought about the girls behind me," Bishop said. "I thought what if they saw me walking, how would that impact the entire team? It

wasn't a serious thought, but the thing that kept me from walking was knowing my teammates were behind me."

In the thrilling boys' event, United Township made up the time with its 1-2 finish out front. Cody Webster set the pace (15:05) just ahead of teammate Keith Sands (15:46).

Webster said that he loves when he and Sands can finish 1-2, but he even surprised himself after getting an early lead.

"Once I was out front, I just kept pushing from there," said the senior with a rare smile. "I thought 'I am not tired. I am just going to keep going.'"

► **Brisman-Lundeen Invitational:** Augustana senior Matt Bowman ran the 8k to finish a step shy of third place coming in neck-and-neck with UW-Stevens Point's Joel Heroux.

UW-Stevens Point won the men's meet with 23 points and Augustana finished second (55). St. Ambrose landed in 12th in the field of 26 teams.

"I think we took a step up from what we have been doing," said Bowman, a senior. "I think you kind of want to run well every weekend."

Augie's men nailed down four of the top 15 spots, while St. Ambrose junior John Darmody finished 23rd with a personal best of 25:51.

Darmody had missed a week of practice after the

passing of his mother, but topped his PR by three seconds.

"It was more than I expected," Darmody said. "If anything, it has given me more focus."

On the Women's side, Northern Iowa finished first with a team score of 74, while Augustana (275) finished 11th and St. Ambrose (362) 14th.

SAU's Abby Parsons had the school's third-best time ever with a 23:23 clocking that was good for 25th overall and Brooke Ashcraft had the school's fourth-best time of 23:31 as she finished 33rd.

"When I saw (Ashcraft) up ahead, it was motivating to me," Parsons said. "I think we helped push each other to the finish."

Augustana senior captain Hannah Hottle finished 36th (23:36) to lead the Vikings across the finish line. She said it's time for the team to kick it in gear.

"It is starting to become fall," she said, "so it is cross-country time."

The Lady Leafs defended their Rock Island Invitational title by claiming four of the top 5 spots to capture the title for the second year in a row Sept. 24. The boys' team also had a successful night on the course taking second falling to UT in a sixth runner tiebreaker.

"Well the girls were the defending champions, but I was not expecting to take four of the top five places," said head coach Don Fredericks.

Emily Ford paced the girls taking first and crossing the finish line with a time of 18 minutes and 40 seconds. Paige Gatter followed in

second place with a time of 19:27 and Jessa Coulter in fourth at 19:53. Morgan Kelly rounded out the top 5 in 19:56.

Jenny Ford placed 12th overall in 20:11, while Hilary Lohman finished in 21:22 and Kelsey Klein in 21:59. Britta Conrad ended the race with a time of 23:32, followed by Amanda Morse in 24:52; Brittany Mielke, 26:42; Chelsea Rahmus, 29:23 and Haley Henderson, 31:25.

"It was a great opportunity for our team," said Fredericks. "Rock Island girls' team is vastly improved and went out hard, but our girls did a good job of not panicking. It was very exciting and a lot of good things happened up and down the line up."

In the boys' race, Jordan Starkey led Geneseo in fourth place overall with a time of 16:11, while Kyle Reiling took fifth in 16:14.

"The boys tied for first, but lost in the tiebreaker so we took second," said Fredericks. "They really closed the gap and ran really tough. The guys did a great job."

Thomas Sigwalt finished the race in ninth at 16:34, while Branden Smith placed 21st in 17:20 and Marcus Gagnon in 23rd at 17:25. Daniel Hanford ended the race in 18:12 and Tyler Rusk, 18:49.

"Marcus and Branden did a great job and it is exciting because they are improving," said Fredericks.

John Mullin finished with a time of 19:21, followed by Jesse Mohr, 19:52; Trevor Specht, 21:30; Tom Dellelt, 22:04; Josh Lawson, 22:07; and Mickey Christensen, 22:11.

In the freshman/sophomore girls' race, the Lady Leafs took third. Halle Olson placed sixth with a time of 21:08, followed by Sarah Dellelt, 10th, 21:48; Amber Fobert,

11th, 21:49; Cortney Backes, 18th, 23:16; Jenny Bergles, 22nd, 23:44 and Jenna Whipple, 31:38.

The freshman/sophomore boys' team placed fourth overall. Mitchell Lamb took 13th in 18:12; Tony Gatter, 15th, 18:19; Mitchell Lawson, 26th, 19:14; Chaise Blakley, 27th, 19:17; Bryce Gramling, 38th, 20:14; Seth Stewart, 20:18; Evan Koisti, 20:33; Jay Wilson, 22:14; Brian Bordwell, 23:14; Alec Damitz, 23:23; Hunter Kuffel, 24:34; and Michael Neuwohner, 27:16.

"We are still improving and still putting some pieces of the puzzle together," said Fredericks. "We will have a formidable team when it comes to championship meet season. It is all about being at our best when championship meet season roles around."

Geneseo has a weekend off and will return to action at 9 a.m. Oct. 9 at the Sterling Invite.

Geneseo sophomore Emily Ford has been running with the cross country team since the seventh grade. She recently won the Rock Island Invitational title with a time of 18:40. 'I like the challenge,' Ford said about running. Ford is this week's Metro Pacesetter for The Dispatch and The Rock Island Argus.

Each time Emily Ford races, the Geneseo sophomore cross-country runner has the same mentality.

No fear.

Deep inside, Ford has the determination that takes her to another level. She can't explain it, but Ford simply believes she can conquer any race, course or runner thrown her way.

"I feel like I have a competitive edge because I don't really like to lose," Ford said. "It comes out on the course."

It's not arrogance that drives this week's Metro Pacesetter for The Dispatch and The Rock Island Argus. Rather, it's a tough-love upbringing from a childhood spent in the back yard with three older brothers.

"I kind of learned from them to never lose," said Ford, the youngest of four children.

You could say she's built Ford tough.

"They would always beat

me and I would just get frustrated with that," Ford said. "I remember learning that I wanted to win. I had that desire and competitiveness."

Whether it was basketball, soccer or football, Ford grew up competing against her brothers Craig, Brett and Chad. All three had decorated athletic careers at Geneseo and the trio rarely gave Emily an inch when it came to sports.

"They were definitely tough," she said.

They made Ford what she

is today.

"She's a fighter," Geneseo coach Don Fredericks said. "She learned a lot of that tenacity from her siblings and parents."

A quick glance at the diminutive, fun-loving Ford makes it hard to believe she has the eye of the tiger. Yet, her mental and physical toughness are unmatched. Fredericks marvels at her work ethic, saying she approaches each run with the same intensity and focus.

The bright lights don't

bother her, either. As a freshman, she helped the Maple Leafs to a fourth-place finish in the Class 2A cross country state meet and she took ninth in the 800-meter run at the state track meet.

'I feel like I have a competitive edge because I don't really like to lose.'

She's continued her success this season, winning the Rock Island Invitational last Friday and taking 13th place in the Peoria Woodruff Invitational.

"She's a competitor," Fredericks said. "Anything she's in — I don't care what she's doing — she's doing the best job she can. That mentality of being a fighter, that's an intangible a lot of athletes don't have."

There's a reason behind that.

"It's a drive of not wanting to lose," Ford said. "I always keep going. I just don't want to lose."

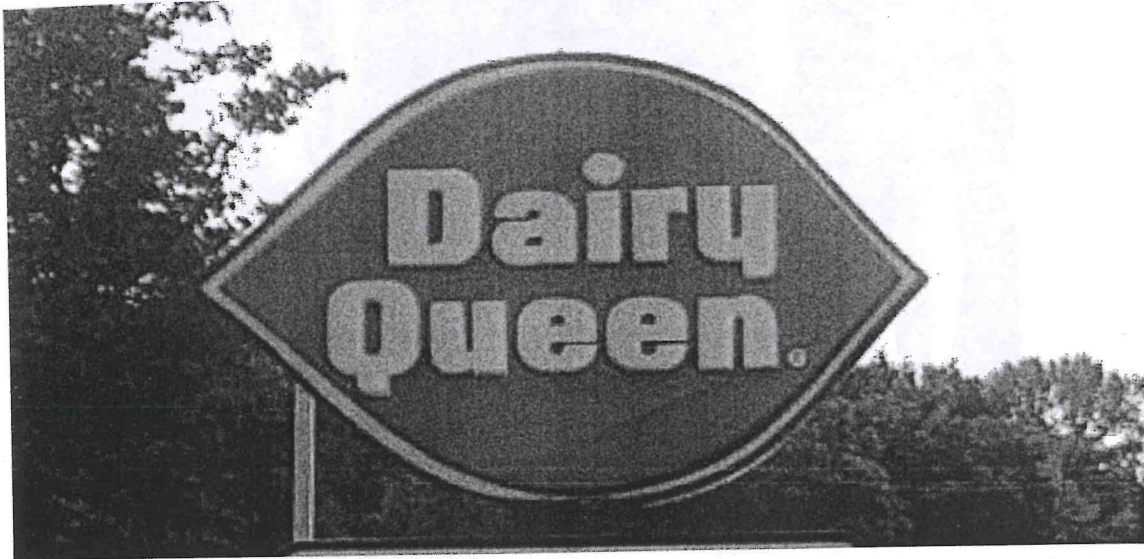

She wants to make her brothers proud.

"They're always calling to see how I do because all

Ford, who got hooked on the sport after watching her brother Chad run cross country in middle school. "I really look up to them."

Emily wouldn't be this way without her siblings.

"I don't think I would have the attitude I do now," Ford said. "It applies to everything I do in life. I always have the desire to be the best at everything because of them."

## D.Q. Run

During Thursday's (9/30) recovery run, several team members took advantage of a "Dairy Queen Run" opportunity.

"Combat Ab's", however, were more interesting as a result. A few gurgling noises were heard.

Mitchell was actually seen running down State Street with several team members while also playing his guitar.
