► State cross country finals

► **Where and when:** Detweiller Park, Peoria, Today

Boys

► **Times:** 10 a.m. (Class 1A); Noon (Class 2A); 2 p.m. (Class 3A)

► **Local teams:** Alleman (Class 1A); United Township (Class 3A)

► **Locals to watch:** Matt Billingsley (Alleman), Ethan Adlfinger (Alleman), Liam Otto (Alleman), Joe McLaughlin (Alleman), Austin Teel (Alleman), Cody Webster (United Township), Keith Sands (United Township), Tyler Rasso (United Township), Austin Webster (United Township), Pauly Boore (United Township).

► **Qualifying individuals:** Gatlin Marlow (Monmouth-Roseville), Sam Whan (Mercer County).

► **FYI:** United Township's Webster enters today's race on a hot streak, winning the past three weeks at the Western Big 6 Conference meet ahead of regional and sectional meets. The senior, who finished 25th last season at state, looks to become the first Panther runner to become state champion since Fred Sandoval in 1954. Webster will have to chase down defending state champion Lukas Verzbicas of Sandburg (14:07), and Jack Driggs (14:28) of York, who finished third last year in 3A. ... The Pioneers are running their strongest after finishing third at the Class 1A Elmwood Sectional where senior Billingsley (16:02) was fourth and sophomore Adlfinger (16:04) fifth. Billingsley has been aiming to get the Pioneers to state since the beginning of the year, but Alleman has been slowed by injuries. Now the Pioneers are looking like a strong contender to finish in the top five at state.

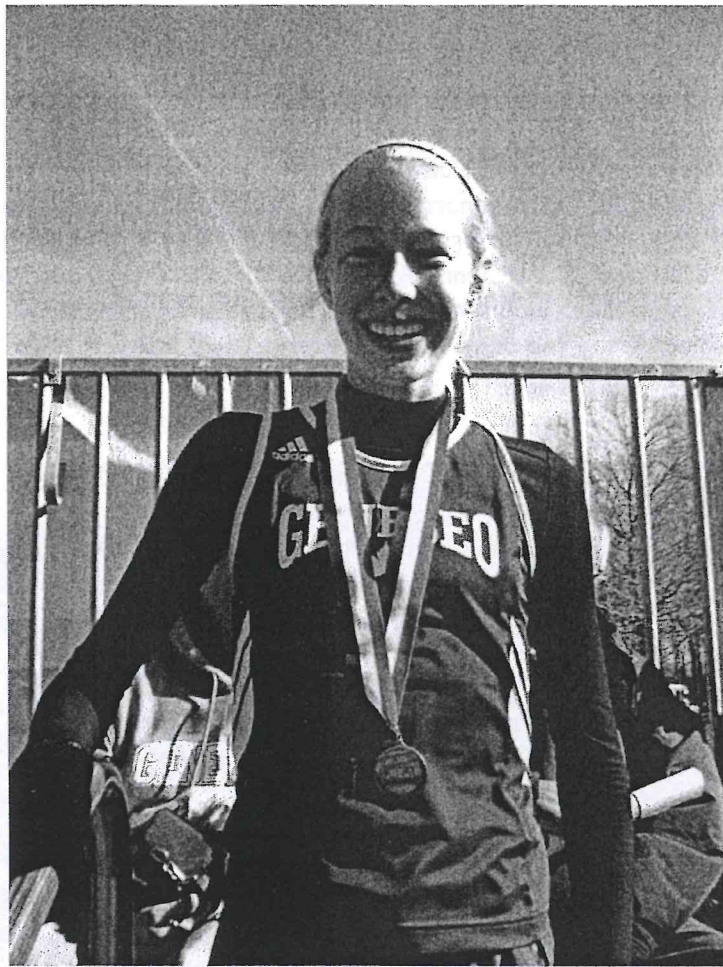

Girls

► **Times:** 9 a.m. (Class 1A); 11 a.m. (Class 2A); 1 p.m. (Class 3A)

► **Qualifying individuals:** Miranda Biddle (Mercer County), Haley Verbeke (Moline), Emily Ford (Geneseo), Paige Gatter (Geneseo).

► **FYI:** After making it to state her freshmen season, Verbeke plans to do more than just take in the state experience this time around. The Maroon sophomore finished 35th last season with a time of 18:12 while, Normal's Carly Pederson (17:55) was 24th. This year the two sophomores have been sharing each others shadows with Pederson taking second (17:34) and Verbeke third (17:52) at sectionals. At regionals, the finishes were juxtaposed with Verbeke (17:51) finishing second and Pederson (17:59) third. Most teams would consider themselves lucky to get one runner out of the Class 2A East Peoria Sectional, and the Maple Leafs earned two with Ford and Gatter. Last year, Geneseo took home fourth as a team with Ford in 53rd (19:26) and Gatter 58th (19:28) both scoring points for the Leafs. This year, both runners could find themselves in the mix for all-state honors. Mercer County's Biddle won the Sherrard Regional two weeks ago with a time of 19:42, but will find it hard to keep up with competition from the Decatur St. Teresa's Devereux sisters Ellen (18:17) and Rachel (18:32) who are favored to contend for the state crown.

FORD WINS ALL-STATE HONORS

EMILY FORD RUNS TO ALL-STATE HONORS

On Saturday, November 6th, the Leafs traveled to Peoria's Detweiller Park to participate in the IHSA State Finals. Representing Geneseo were Junior Paige Gatter and Sophomore Emily Ford. They were treated to a wonderful day weather-wise with a daytime high of 55 degrees and mild winds. The course was hard and fast due to a lack of rainfall in the last month. A large support crew from the Maple City that included teammates, parents, and a lot of fans, was in attendance and made their presence count with wild support for the Lady Leafs.

This was the 3rd State Final for both Emily and Paige (2 XC and 1 track.) The previous experience of having been there and done that was omnipotent. Both girls had a quiet confidence about them. They were ready to RACE. At the gun, Emily shot off the line while Paige appeared surprised by the quick gun. At the half mile mark Emily was rolling in 8th place with Paige around 70th. At the mile, Emily was 12th with Paige around 60th. Emily hit the mile in 5:34 while Paige rolled past in 5:48. At two miles Emily was in 16th place while Paige had climbed to 55th. They each had intense concentration etched into their faces. With 800 meters to go Emily was 20th and running for All-State Honors. Could she hang on? The answer is yes as she fought off the pack that was closing to nail down 22nd place. Paige fought well herself as she roared to a strong 49th place finish.

When the dust had settled and we had the results in front of us it was staggering to see how fast the field had run. Plug in Emily's time of 17:51 into last year's results and she would have placed 4th overall. Paige's time of

18:24 would have placed her 14th in last year's State Finals. It just goes to show how amazing Saturday's race was. Some additional things to ponder: Emily becomes Geneseo's 5th All-State female cross country runner. This is a very difficult accomplishment to achieve to say the least. It is also the first time in school history that Geneseo athletes have earned All-State honors in back to back years (Danielle Dewey last year.) Emily's time of 17:51 is the 2nd fastest time in school history. Page's time of 18:24 is the 3rd fastest time in school history over the 3-mile distance. I will never forget Jenny Ford telling Emily, "Okay, Cuz. Do whatever you want to my hair." The hair styling experiment on Britta Conrad & Jenny Ford accomplished its goal of helping to keep Paige and Em relaxed and smiling during the drive down to Peoria. And lastly, it hard for me to admit, but Olive Garden kicked Avanti's butt. Yum.....Yum.

Support for the Lady Leafs was HUGE

Ford races to All-State finish

Geneseo sophomore Emily Ford became just the fifth Geneseo girls' cross country runner to earn All-State honors, while recording the second fastest time on the state course in school history.

"Emily missed the school record by one second on the state course," said head coach Don Fredericks. "Emily is the fifth Geneseo girl to earn All-State honors (Priscilla Gomez, Jenny Lake, Rachel Wyffels and

Danielle Dewey), but we have never had back-to-back All-State runners (Dewey in 2009 and Ford in 2010)."

Ford and junior Paige Gatter battled with the top runners in the state in Class 2A Nov. 6 at Detweiller Park in Peoria at the IHSA State Cross Country Finals.

"To be completely honest, I don't think it could have gone any better than it did," said Fredericks. "As runners they always want more, but when you look at the overall results you couldn't have dreamed of better results. The state just exploded with talent this year."

Ford placed 22nd overall with a time of 17 minutes and 51 seconds. Top 25 runners earn All-State honors.

"Emily just exploded off the line and did some ferocious front running," said Fredericks. "The pack was hovering behind her and there was a battle for the All-state awards, but she hung in there."

Gatter finished in the top 50, crossing the finish line in 49th overall with a time of 18:23.

"Paige ran a phenomenal race herself and ran the third fastest

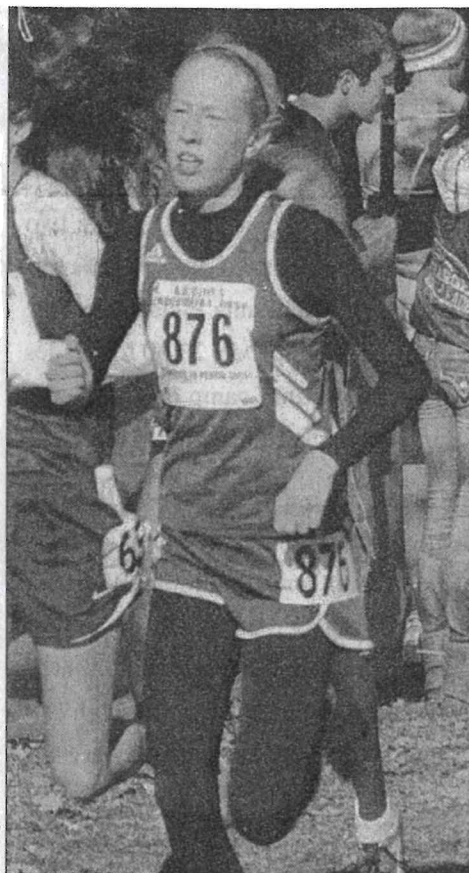

time in school history," said Fredericks. "Last year her time would have been good enough for 14th. It is just jaw dropping how the field has improved."

"Both young ladies ran the races of their lives and what a great way to end the season. Both girls are such team players and I don't think I ever saw more support for the kids, which was awesome."

Webster takes third in Class 3A cross country

United Township's Cody Webster finishes the first mile of his race during the Class 3A boys' cross country meet at Detweiller Park on Saturday. Webster finished third.

PEORIA — Cody Webster had to look back over his shoulder one last time to make sure he had finally done it.

"I didn't see anyone behind me," said the United Township senior Webster. "I was thinking is this really happening, right now?"

It happened as Webster finished third (14:27) 33 seconds behind race winner Lukas Verzbicas (13:54) of Sandburg and York's Jack Diggs (14:16) at the IHSA State meet Saturday here at Detweiller Park.

Alleman's team finished 12th in the 1A field; United Township finished 21st in 3A.

Webster realized his goal of finishing in the top 10 after last year's all-state, 25th-place finish left a bad taste in his mouth.

Webster's final closing burst captured spectators attention, and Webster earned himself his coveted spot among Illinois' elite, shaving 15 seconds off his personal best for three miles.

"All the hard work that you put in is finally going to pay off," Webster said of making his final move. "It was my last (cross country) state meet, and I was going to make sure I gave it everything I had."

The Panthers couldn't top their best boys state team finish of 16th and Webster will be graduating, but the UT program still has plenty of hope for the future with five freshmen getting a taste of state.

"We have a lot of freshmen," said Panthers junior Keith Sands after finishing 70th (15:12). "Once they develop, I think we will be even better than we were this year."

In 1A, Monmouth-Roseville's Gatlin Marlow and Alleman's Matt Billingsley just missed Top 25 all-state honors. Marlow edged out Billingsley for 29th place and the two competitors finished with a time of 15:32. The only other local runner, Mercer County junior Sam Whan, finished 59th (16:06).

"I think that it will keep me motivated for those cold days during the winter to help me do really well in track this next season," Marlow said.

Whan's 59th place finish disappointed him as he was slowed by a tight calf muscle that had been bothering him since the Elmwood Sectional.

"There is no way I am going to let myself not be able to compete at the level I'm able to achieve," Whan said "and get the medals that I deserve to win."

Geneseo's Ford motors to all-state finish

By Chris Steele

chrissteele@qconline.com

PEORIA — Emily Ford's style of racing is start fast out of the gate and coast across the finish line in neutral.

Here at Detweiller Park Saturday, if Geneseo's Ford wanted to have an all-state finish in the Class 2A girls championship race, she was going to have to find another gear.

The sophomore had just enough mileage to hold onto all-state honors with a 22nd place (17:51) finish. Maple Leaf teammate Paige Gatter (18:23) crossed in 49th.

"The intensity of trying to hang on, pushing it, and giving it all you have," said

Emily Ford

Ford after running 24 seconds faster than her previous personal best. "The last couple of weeks, I didn't have my best races. It was good to finish off the season right."

A season ago, Geneseo's close-knit team had a historic run to a fourth-place team finish. This year, Ford and Gatter advanced individually, but did their best to keep the team spirit alive.

"We didn't get here as a

team this year," the junior Gatter said. "But it was still like they were all here with us."

The Class 2A race was fast with Kayla Beattie of Woodstock setting a course record with a time of 16:22.

The Class 3A times were just as quick. Moline's Haley Verbeke finished with a personal best time of 17:40 and defeated her sectional rival Carly Pederson of Normal (17:47), but still finished 42nd.

"I was not disappointed because of my time," the sophomore Verbeke said. "As I saw my place, I knew that was the best I could do."

In Class 1A, Mercer Coun-

ty's Miranda Biddle finished 34th with a time of 18:46.

In looking ahead to next season, the junior's gut reaction was that she wanted an all-state finish, but then decided she wanted something much bigger than that for Mercer County cross country.

"I want our team to make it to state," said Biddle after finishing her first state meet. "Hopefully this summer we can train extra hard, and get the girls in even better shape."

And with no local graduating runners in this year's field, they can all find themselves ending their seasons right back at Detweiller Park again.

State Results

Because of the fact that we run against several schools that are Division A as well as Division AAA, we have included those results in this book.
