

LEAF SUPPORT AT STATE

Pictured are part of the large contingent that was at Detweiller Park in support of Paige and Jordan.

On Saturday, November 5th, the Leafs traveled to Peoria's Detweiller Park to participate in the IHSA State Finals. The team was represented by senior Paige Gatter and junior Jordan Starkey. The weather was wonderful (daytime high of 63 with mild winds of 10-12 mph.) Not bad for the first week in November in the Land of Lincoln.

This was Paige's 3rd time to toe the line in the IHSA State XC Finals (twice in track also.) To say the least, she is a seasoned veteran who wasn't intimidated by the 10,000 plus spectators and the pressure of this being the STATE MEET. The only negative was that Paige caught a head cold this week and was running at less than 100 percent. She got out nicely (sub 6 at the mile) and was sitting in around 75th place. She had moved up to 60th by two miles and was looking strong. Paige fought hard and was up to 37th with 3/4 of a mile to go but then hit the wall. She fought bravely and still hung on to a solid 43rd place finish and a flying time of 18:28. She collapsed at the finish and it took her quite a while to recover. Way to leave it on the course Paige. We are all very proud of your season and your "date at state". Look out Charleston...this girl isn't done yet.

Jordan Starkey was making his rookie run in the State Finals and toed the line for the high noon start. He got out nicely and rolled through the mile in five flat. Hard to believe that wasn't fast enough to be sniffing the top 100. Illinois is nationally regarded as one of the top 3 states in the country when it comes to distance running and this year was no different. Jordan did a nice job of getting into a comfortable rhythm and really started passing people in the 2nd mile which he rolled through in 10:18. He kept charging and blasted into the top 60 with 800 meters to go. From there he put down the patented Starkey kick to move all the way up to 51st place and a lifetime best at Detweiller of 15:44. He also was pretty shot after crossing the finish line. Great season and great race. He handled himself very well in his first state final. Look out track season and then senior season. If Jordan can catch a little of that senior pride thing that Hanford and J. Ford caught late in the season, he will be wearing an All-State medal around his neck next fall. Way to roll.

► **Locals to watch: 1A:** Nicole Wager (Annawan-Wethersfield); Regan Weidner (Bureau Valley); Kimi Sanden (Bureau Valley); Robbie Ann Hoye (Sherrard). **2A:** Celeste Arteaga (Rock Island), Paige Gatter (Geneseo).

► **Storylines:** The Maroons have spent the entire season making sure they earned a state cross country berth for the first time in nine years. The Detweiller Park course brought out the best in Haley Verbeke (personal-best 17:40) last season as she finished 35th, and she could be set up for another fast finish this season. Rock Island's Celeste Arteaga cemented her status as one of school's elite athletes, setting the 3-mile school record (17:47) at Maxwell Park in Normal at the Class 2A Normal West Sectional. Today's challenge for Arteaga is becoming just the second Rocky girl — Tasha Esparza is the other — to earn all-state honors for cross country by finishing in the top 25. The Maple Leafs' Paige Gatter has the experience on the state stage, finishing 49th at state last season. The final hurdle for the senior will be to realize her goal of getting an all-state medal. Sherrard's Robbie Ann Hoye has put together a exceptional postseason run, and plans on setting her sight on a top 10 finish. Annawan-Wethersfield's Nicole Wager made it out of a tough Class 1A Oregon Sectional and looked comfortable running with the leaders finishing sixth.

Ackerman, David Ploenzke. **Sherrard (Class 1A):** Schuyler Wardlow, Michael Holdsworth, Nick Ash, Reed Dahlstrom, Jonathon Molburg, Eli Secor, Johnathon Koprucki. **United Township (Class 2A):** Tyler Rasso, Keith Sands, Austin Webster, Sergio Lopez, Pauly Boore, Miguel Laferrera, Manual Martinez.

► **Locals to watch: 1A:** Derrick Johnson (Bureau Valley); Ryan Taylor (Bureau Valley); Trevor Lay (Annawan-Wethersfield); Michael Cook (Annawan-Wethersfield); Sam Whan (Mercer County); Devin Clark, (Monmouth-Roseville). **2A:** Jordan Starkey (Geneseo); Eric Ikundiro (Rock Island).

► **Storylines:** At the beginning of the season, it seemed as if United Township could be a top 5 team at state after dropping from the 3A ranks to 2A. Unfortunately, the Panthers were dealt a bad hand when senior Keith Sands came down with mononucleosis. Then, Tyler Rasso burst onto the scene by winning the Western Big 6 Conference meet. The sophomore showed that was no fluke as he won the Class 2A Normal West Sectional last weekend after a personal-best 14:48. And Sands helped strengthen the boys' lineup at sectionals by making his return to the lineup (25th, 15:40) as the team finished third. It will be a tough race for Sands to balance what he wants to do, against what his body will allow him to do today. Yet, every time the Panthers have faced adversity, they have flourished in spite of it. Cross country fans will watch with anticipation to see if Sands, Rasso and the Panthers have one more surprise left for state. In 1A, Alleman's Ethan Adlfinger picked his way to the front of the pack at sectionals, and was less than a second away from being a champion. Adlfinger has the potential to make himself a part of a storied Pioneer program if he can finish top 5 at state. Geneseo's Jordan Starkey makes his state debut, and looks to become the second Maple Leafs boys' runner — with Dan Chenoweth being the other — to capture all-state honors. Rock Island's Eric Ikundiro is another state newbie, but had been peaking the past few weeks, running a 15:28 at sectionals last weekend. Ikundiro's previous best was set at the Peoria Wodruff Invitational held at Detweiller Park.

Gatter, Starkey race at state finals

Geneseo High School senior Paige Gatter and junior Jordan Starkey battled with the state's best runners in the 2A field at the 2011 IHSA Cross Country State Finals Nov. 5 at Detweiller Park in Peoria.

"I thought both ran tremendous races," said head coach Don Fredericks. "The 2A class this year was not the same in past years with the IHSA raises the enrollment levels, and the result was more competition."

Gatter was on the course first as she tried to fight her way into the Top 25 to earn All-State honors. She finished the day in 43rd place out of 209 runners as she crossed the finish line in 18 minutes and 28 seconds.

"Paige came down with a head cold so she was not at 100 percent, but she was only 4 seconds off her all-time best on the course," said Fredericks. "I am very proud of the race she ran, and taking 43rd in that field is tremendous."

"I think the race went pretty well," said Gatter. "I gave it all I had left, and it was a good way to end my senior year. Usually it would be nerve-racking at state, but knowing I made it that far it gave me a sense of accomplishment. I knew I did all I could and made it to state."

Starkey was up next for Geneseo where he also tried to make his way up in the pack to reach the Top 25 to earn All-State honors. He crossed the finish line in 51st place out of 209 runners with a time of 15:44.

"Jordan did a great job and ran a great race," said Fredericks. "He ran a lifetime best, 6 seconds better

than he has run before at Detweiller. The fact that he is only a junior, the goal will be to come back with hardware next year. He did a good job for the first time being there."

"Getting to state was my goal all year, and it has been my goal since freshman year," said Starkey before his race. "I am happy to have made it to state because I have put in a lot of time and miles. I am hoping for a personal record, and everything else is icing. I am just glad to be here."

"We had a very successful season, and this is a very special team," said Fredericks. "The money on the team is as good as I can remember. Every day was a pleasure, and they were a lot of fun to be around. They worked hard, played hard and really cared about each other."

All-state not enough for Hoyer

By Chris Steele

chrissteele@qconline.com

PEORIA — The IHSA Cross Country state stage is where big dreams can happen, and where harsh realizations come crashing down.

Sherrard's Robbie Ann Hoyer earned all-state honors, finishing 16th (18:17), but was upset she was unable to reach her goal of cracking the Top 10 at Detweiller Park.

The Sherrard sophomore held strong in the 13-16 position in the pack, yet couldn't make the final push to get up with the leaders.

Still, Hoyer has set even higher aspirations for next season.

"I'm hoping to get Top 5 next season," Hoyer said. "I really think our team can go to state, and I hope we do."

After the Rocky cross country program was spared being cut in January, Rock Island's Celeste Arteaga has taken her running to new heights of excellence.

Arteaga had an exceptional race at last weekend's Normal West sectional where she set a school record of 17:47 that had her looking for an all-state finish. But while the senior fell short of her Top 25 goal (36th, 18:20), she experienced so many things she never thought possible.

"I never expected this," said Arteaga of her season. "Between setting the school record and placing well in meets — I'm sad it's coming to an end."

Geneseo's Paige Gatter (43rd, 18:28) was another 2A

runner looking to finish with all-state honors, yet a cold struck at just the wrong time in her season. The Maple Leaf senior's mentality is to never give up, and collapsed after the race leaving everything out on the course.

'I never expected this. Between setting the school record and placing well in meets — I'm sad it's coming to an end.'

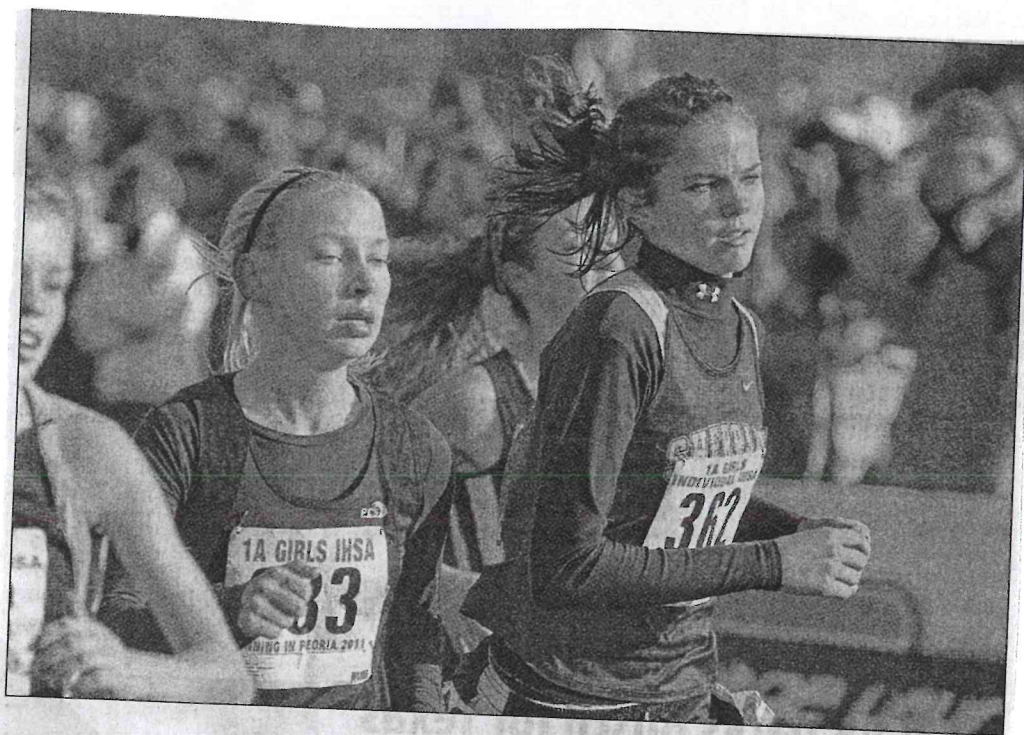

Celeste Arteaga,
RI runner

"I wanted to give it my best shot," said Gatter. "I knew it was my last race and I had to push myself with everything I had."

The Moline girls finished a solid season as a team, placing 24th of 26 teams at state, being the first Maroons' girls team in nine seasons to make the state stage.

Maroons coach Tauwon Taylor felt that this season's state trip was a good learning experience for his team.

"They ran their hearts out," Taylor said. "From a coaching standpoint, that is all you can ask from your team. I'm extremely pleased with the way that we handled today."

Rasso, Adlfinger earn all-state honors at state cross country

By Chris Steele

PEORIA — The United Township High School boys cross country team felt like a wild card coming into Saturday's 2A state championship race at Detweiller Park.

The Panthers capped an up-and-down season with a solid 9th-place team finish that shattered the UT school record of a 16th-place team finish set in 1979.

UT sophomore Tyler Rasso (15th, 15:07) continued his impressive postseason run, finishing with all-state honors.

"I feel really good about this," Rasso said. "We are on the highest stage in Illinois with all these elite athletes surrounding us. It's a big moment."

United Township coach Russ Boore was proud of the effort that his boys displayed, especially senior Keith Sands (70th, 15:57). Sands was the team's No. 1 runner until a battle with mononucleosis sidelined him midway through the season. Even running sick, Sands was able to make it into the team's lineup and contribute the past two weeks.

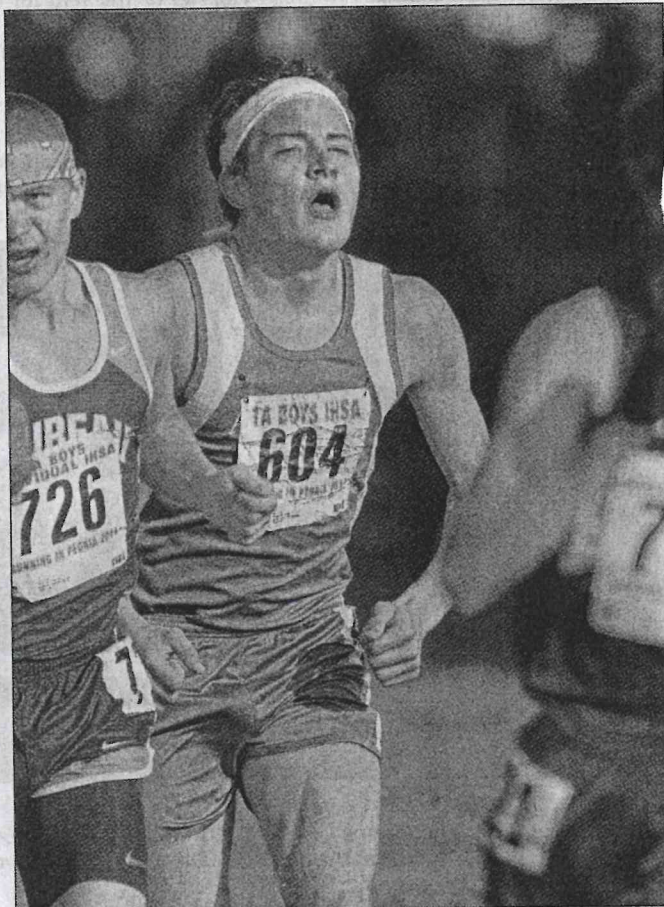

"Sometimes we get things we don't deserve," said Boore. "I think the world of him. He's been a great leader even while he's been sick."

Two other local 2A runners made the most of their first state trips.

Geneseo's Jordan Starkey (51st, 15:44) made the most of being the first male Maple Leafs state qualifier in four seasons.

"We worked so hard," Starkey said. "Our goal was to make it to state, and I'm happy just being here."

Rock Island junior Eric Ikundrio (87th, 16:06) was proud of his finish, but sees

Alleman's Ethan Adlfinger runs during the 2011 Class 1A boys' state cross country meet. Of the 314 runners who qualified for the finals race on Saturday morning, the junior finished the course at 15:23 and in 13th place.

bigger things on the horizon.

"I was a novice this year," Ikundrio said. "Next year, I will run a 15:30."

Alleman's Ethan Adlfinger (13th, 15:23) earned all-state in 1A as the team finished 14th out of 25.

Adlfinger was running sixth at the halfway point, but fatigue hurt him down the stretch as the leaders pulled away.

"I'm going to train at a high level for next season," Adlfinger said.

ger said. "And just get a little stronger for the last mile."

Mercer County senior Sam Whan just missed all-state by three spots, finishing 28th in a time of 15:42. Monmouth-Roseville's Devin Clark was 51st (15:59).

Erie-Prophetstown finished 16th in the 25-team 1A field with Devin Johnson finishing 52nd (15:59), while Sherrard was 21st, led across by senior Michael Holdsworth (109th, 16:38).
