### **LADY LEAFS LEAD TEAM TO GENESEO INVITATIONAL TITLE**

On Saturday, September 15th, the Leafs played host to 12 other schools. The Geneseo Invitational is unique from any other meet we run all season in that there are four races for each gender and athletes run against their own grade level. To make it even better, our athletic department throws in 160 medals (20 per race) and 13 plaques (each division winner, combined girls and boys each, and overall combined.) The end result is that the only athletic award some athletes ever win is at our meet. We are proud to provide that opportunity. The Lady Leafs won 2 of the 4 divisions (lost in a tie-breaker in the junior race) and won the girls division going away. The boys team ended up losing the division by only 3 points (not bad considering who was held out of the meet with illness or injury.) When the total girls team points and boys team points were added up the Leafs had won their own Invitational. How cool is that. What a great day!

A special thanks goes out to the plethora of volunteers who helped run a successful meet. It literally takes an army to run a major invite and an army we had. Great job at the finish line, the homestretch, results tent, concession stand, t-shirt stand, etc. Thank you parents for your

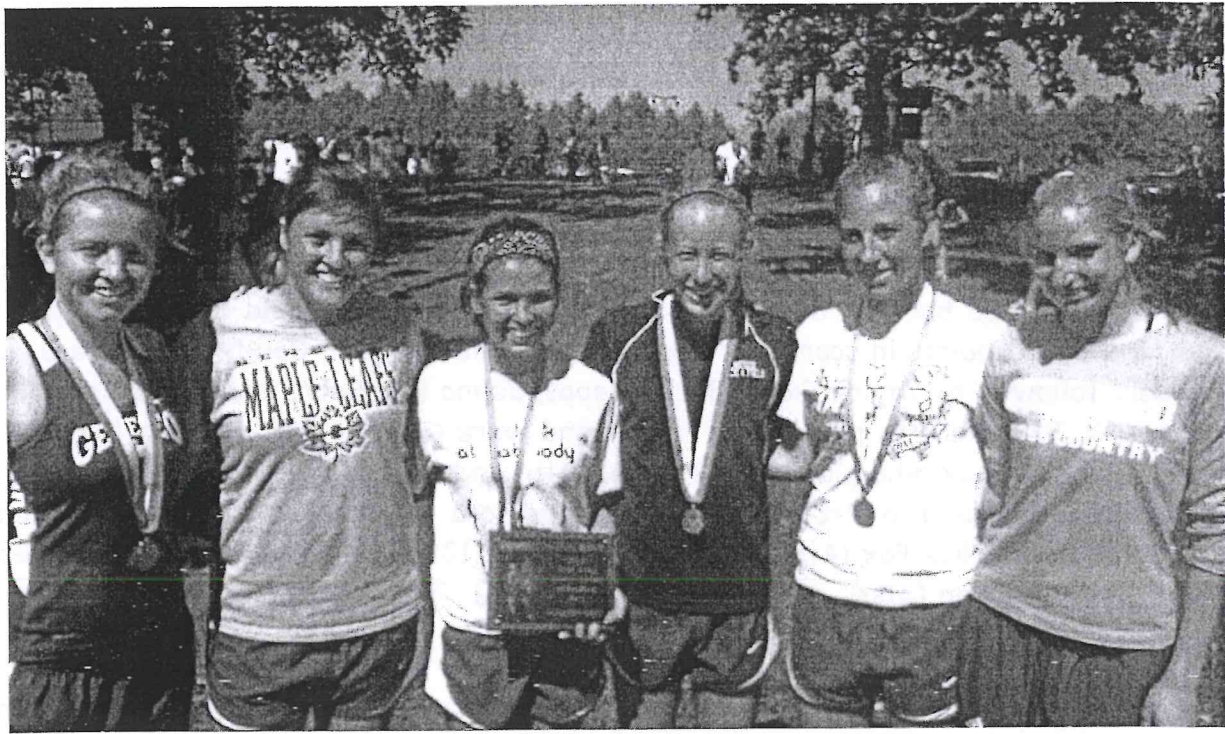

help and allowing us to work with your most prized possession (your child.) It is an honor and a privilege to work with your child.

The weatherman couldn't have given us a better day with race time temperatures in the 60's and virtually no wind. The course was hard and fast and the Leafs came ready to race. The Freshmen got things going at 9:00 am. The Lady Leafs powerful Freshman squad exploded off the line and never looked back as they grabbed 4 of the top 5 places and 5 of the top 8 to win the division title by 60 points in scoring a miniscule 20 points. Loren Coulter won the overall title and was closely followed by Taylor Claus, Becca Rapps, Jenna Freebern, and Olivia Carroll who grabbed 2nd, 4th, 5th, and 8th place. Not far behind were Callie Miller, Madison Miller, Caitlin Akers, and Lindsey Bideaux who placed 10th, 12th, 13th, and 26th place respectfully. The freshmen boys also put forth a strong effort and raced to a 4th place team finish. The team was led by top 20 medalists Nick Fox (4th), and Charley Elden (12th.) Not far behind were Keaton Darin (22nd), Gabe Johnson (31st), and Hunter Grau (37th.) The field was formidable and this group ran exceptionally well.

Next up were the sophomores. The Lady Leafs only toed the line with 3 girls (that's all the sophomore girls we have) and each girl ran great. Katie Puls continued her phenomenal improvement as she raced to second place while Mikayla Bowton joined her on the medal stand with a top 20 placing of her own as she raced to a strong 19th place. The "New Girl" Savanah Chapman ran a great race herself in placing a strong 28th as the team placed 3rd. Leading the boys team to a strong 4th place showing were David Chenoweth (10th) and Nolan Fassett (15th) as each Leaf earned a prestigious top 20 finishing medal. Completing the team scoring were rookie Josiah Cropp (23rd), Tom Jackson (37rd), and Sean Pemble (40th.) Rounding out the team was rookie Raul Falcon who placed a respectable 41st. The team placed a strong 4th.

The Junior girls ended up running with only 4 team members as Katie Lynch and Cortney Backes were held out with injuries. Amazingly, the girls almost won the division anyway. Leading the charge was Halle Olson who won the race going away. She is running with a lot of confidence and it shows. Not far behind were: Jessa Coulter (5th), Morgan Kelly (8th), and Sarah Dellett (13th.) Even though the girls had to take a ghost runner for our 5th scorer they tied 1st but lost the tie-breaker. Great job, Ladies. The junior boys were up next and they turned more than a few heads with a strong 3rd place team showing in the most competitive race of the day. To say this field was loaded would be a tremendous understatement. Leading the Leafs were top 20 medalist winners Tony Gatter (8th) and Chaise Blakley (15th.) Closing out the scoring were Mitchell Lamb (23rd), Bryce Gramling (36th), and Rookie, Karl Flynn (42nd.) Way to Race, Leafs.

## SENIORS GO OUT ON TOP

Pictured are Jeni Bergles, Rachel Ganson, Maggie Schlindwein, Emily Ford, Dani Manna, and Amber Fobert. The Senior Lady Leafs who won the Senior Division in Saturday's Geneseo Invitational.

Last but certainly not least, were the seniors. It is still hard for me to process that this group is now in their senior year. To say that time flies is putting it lightly. The girls team was racing without Amber Fobert who was once again held out. Leading the charge were Emily Ford, Maggie Schlindwein, and Dani Manna who grabbed 3 of the top 4 places in the race as they finished in 1st, 3rd, and 4th places respectfully. Closing the scoring and the team title were Jeni Bergles (18th and a medal) and Rachel Ganson (a strong 27th place.) Great Job, Ladies. Last up were the senior boys. The team was racing without senior captains Hunter Kuffel (sore shin) and Jordan Starkey who was gunning for his 4th straight title (he woke up sick.) The team placed 2nd anyway and were led via Mitchell Lawson great 3rd place and Marcus Gagnon in 21st place. Not far behind were rookie XC men Sam Alexander (22nd) and Josh Dodge (25th.) Add in Michael Neuwohner's 34th place finish along with Christoph Stemmermann's 38th and the team shocked the field with a strong 2nd place team showing.

# Geneseo cross country nabs home invite title

It was Ladies' Day on the Richmond Hill cross country course at the Sept. 15 Geneseo Invite with the Lady Leafs taking home first-place honors on girls' side, along with three girls nabbing top honors in their respective races.

The boys' and girls' teams combined to claim the invite title, while the boys' team took second.

"It was definitely a glorious day for Geneseo cross country," said head coach Don Fredericks. "Obviously, everything didn't go perfectly for us and we were without Jordan Starkey, who would have been going for the sweep, but came down sick the day of the race.

"Overall, I was very happy with the team and the effort. Our depth was certainly rewarded."

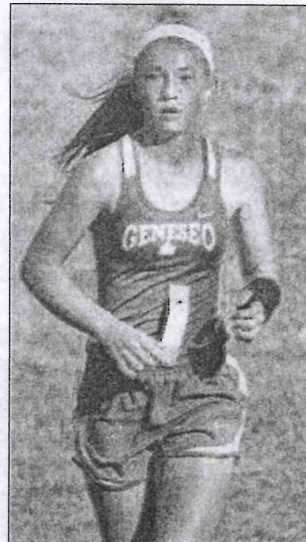

Starting off the day was Lauren Coulter winning the freshman girls' race in 21 minutes and 5 seconds, while Halle Olson captured the junior girls' race title with a time of 20:48.

Emily Ford came away with her final Geneseo Invite title in the senior girls' race, taking the tape in 19:54.

GENESEO — Very few moments come where you get to leave a lasting legacy.

The Geneseo girls' cross country team left a lasting impression at Richmond Hill Park on Saturday, winning three of the four class races at the Geneseo Invitational.

The host Maple Leafs' Lauren Coulter (21:05) started the day off with a win in the freshman race, Halle Olson (20:48) crossed first to win the junior race and Emily Ford (19:54) won the senior flight by 1 minute, 21 seconds over the closes competition.

"It was the last time we are going to run on this course," Ford said. "It was a good way to end it."

The Maple Leafs won the girls combined and the overall titles, while United Township earned the boys crown.

During her freshmen season, Ford was a part of Geneseo run to a fourth-

place Class 2A state finish, and looks to build her own legacy in her final season.

After an eighth-place finish at the First to the Finish Invitational at Detweiller Park in Peoria last Saturday, Ford felt confident that the girls' team is ready for another special run.

"I remember how much I looked up to the seniors that season," Ford said. "They all pushed the team, and I hope that I will be able to do the same thing for our group of girls."

On the boys' side, United Township's junior class finished with five runners in the top six finishers as Tyler Rasso (16:03) won his flight for the second consecutive season.

"I don't even know the last time we have won the boys title," Rasso said of the Geneseo Invitational. "This team has been in the making for the past few years, and all of us have been working hard doing whatever we can to get better."
