Olympic Gold Medalist Frank Shorter was in attendance at the Rock Island Invitational on Friday spectating as he was in town for this weekend's QCA Marathon. Frank Shorter is a true American living legend and he watched YOU race. Pretty cool stuff.

## NO "B's NO "G's"

Frank Shorter is the only U.S. athlete to have won two Olympic medals in the marathon. He started as a long distance track runner, winning the NCAA six miles for Yale in 1969. Shorter went on to win five AAU titles at six miles/10,000 m; he also won the AAU outdoor three miles in 1970 and the indoor title in 1971. He won the 1971 Pan American Games 10,000 m event and, at the 1972 Olympics, he set a U.S. record in the 10,000 m heats, which he further improved by taking fifth place in the final. At the 1979 Pan American Games he won bronze in the 10,000 m. Despite these track successes, Frank Shorter will be best remembered as a marathon runner. He made his marathon début when he placed second to Kenny Moore in the 1971 AAU Championships. In his second race he won the PanAm Games title, and he rounded off his first season as a road runner with the first of his record number of four victories in the Fukuoka Marathon. In winning this Japanese classic for the second time in 1972, Shorter set his career best of 2-10:30. Shorter is often described as being responsible for the late 70s running boom in the United States. He became highly visible as a television announcer and commercial spokesman, and started his own chain of running stores, based in Colorado, which markets his own brand of running apparel.

### Personal Bests:

## GIRLS RUN TO GOLD WHILE BOYS A STRONG 4TH AT ROCKY INV.

On Friday, September 21st, the Leafs traveled to Rock Island's Saukie Golf Course to participate in the Rock Island Inv. which was held in conjunction with the Augustana College Inv. To say the least, this has been a pretty crazy week with Homecoming and all. We had numerous teammates missing in action due to a conflict with the Homecoming Parade. I don't remember this conflict ever existing before and I hope it will never happen again. The coaching staff certainly understood the dilemma. To add to the confusion, several team members were missed in the results (chip in race number.) Included in this group of athletes was Halle Olson who placed 2nd OVERALL in the race. Mistakes will happen and they certainly did. The course was hard and fast but the wind was blowing at 20 mph to slow the times. Racing on a fast golf course is always a lot of fun and add in the hundreds of college athletes who raced directly after us made it even more special. We also appreciated the Geneseo middle school team's support (signs included.)

The girls got things rolling at 4:00 p.m. as the F/S and Varsity races were run together and separated later. Emily Ford grabbed the lead early and never looked back in winning in a time of 19:33 in very windy conditions. Junior Halle Olson busted out of the trailing pack to close to within 6 seconds of Em and provide the Leafs with a 1-2 punch as they led the team to the championship. Amazing. Morgan Kelly ran her best race of the season as she ran to 5th place in the Varsity Division. We were all scratching our heads because we counted her 8th but PV had 3 of their girls running in the F/S division. Regardless, this was a tremendous race by Morgan and really bolsters the team's state aspirations. Freshmen Taylor Claus and Lauren Coulter closed out the scoring with 11th and 15th place finishes. Challenged with getting out a bit quicker they responded (maybe a little too quick) but showed tremendous coachability in doing so. Rounding out our top 7 were Jessa Coulter (18th) and Sarah Dellest (20th) who each ran strong races. Kylie Lembke provided a course tour for the "Molster" in bagging 27th while Jeni Bergles, Cortney Backes, and Amber Forbert (yes that's right...she's back) closed the deal with 51st, 60th, and 61st places.

It was impossible to get a feel for what the F/S race looked like until the results were posted since the race was run in conjunction with the Varsity race and we didn't have any clue as to which athletes were in which race. When the dust had settled, we found out that Iowa's number one rated Pleasant Valley Spartans, who appeared to have grabbed 5 of the top 7 places in the Varsity race, actually had 3 of those girls running F/S. Anyway, Freshmen Becca Rapps, Molly Lembke, and Jenna Freebern ran strong races to lead the team to a strong 3rd place (only two points out of 2nd) via their 7th, 14th, and 15 place finishes. Mikayla Bowton and Madison Miller closed the scoring with strong 17th and 20th place finishes. Not far behind was Olivia Carroll in 23rd followed by Lindsey Bideaux and Savannah Chapman (in spikes) in 31st and 32nd places.

The Boys were off and flying at 4:30 p.m. and the race went out at a blistering pace. The team did a good job of staying under control and ran to a close 4th place finish. Leading the way was senior captain Jordan Starkey who threw in a jaw-dropping move late in the race to pull next to All-Stater Tyler Rasso. Jordan placed a strong 3rd with his inspiring race. Fellow senior Mitchell Lawson continued his strong season as our 2nd man in 13th place. Next up came the pack attack

of Mitchell Lamb, David Chenoweth, Tony Gatter, and Chaise Blakley who punched in with solid 26-29 places. Bryce Gramling was next up in 55th followed by Sam Alexander (70th), Josh Dodge (75th), Hunter Kuffel (76th), Karl Flynn (82nd), Michael Neuwohner (83rd), and Ryan Petsche in 84th place. It was great to see a lot of teammates working together during the race. Keep that up, Men, as we head into Championship Meet Season.

Last up was the F/S Boys race. Like the girls race, we had no clue who was racing in which race and simply had to wait until the results were posted to see how things came out. The boys team ran to 2nd behind Iowa powerhouse Pleasant Valley and were led by Nolan Fassett and Charley Elden who ran to 7th and 9th places respectfully. Not far behind were Gabe Johnson, Keaton Darin, and Hunter Grau who closed the scoring with strong 19th, 22nd, and 23rd place finishes. Josiah Cropp (29th), Sean Pemble (44th), Keegan Bannister (46th), Raul Falcon (58th), and Blake Lyon (65th) closed the door with strong efforts themselves. Way to race Leafs. Keep up the hard work. Championship Meet Season is just around the corner.

# Girls nab top honors; boys place fourth at invite

The Geneseo varsity girls' cross country team led the way for the Geneseo contingent of runners at the Sept. 21 Rock Island Invitational.

"It was a small field and Pleasant Valley is ranked No. 1 in the state, but they held out their Top 7 girls, so I am not sure, but they might have nipped us if they ran their girls," said head coach Don Fredericks. "We were thrilled to walk out with the team championship trophy."

The varsity girls grabbed first-place honors behind Emily Ford and Halle Olson, who went 1-2 in the race with Ford taking the tape in 19 minutes and 33 seconds and Olson in 19:39.

Morgan Kelly placed fifth overall in 20:14, followed by Taylor Claus, 11th, 20:44; Lauren Coulter, 15th, 20:57; Jessa Coulter, 18th, 21:22; and Sarah Dellett, 20th, 21:26.

"We had some great things happen," said Fredericks. "Emily Ford busted away pretty early and it was a lot of fun to watch her run with a lot of confidence. Halle Olson was bunched up in a pack, but managed to bust out to take second, and Morgan Kelly, by far, had the best race of her season."

The freshmen/sophomore girls placed third with Becca Rapps leading the team in seventh place at 21:05.

Molly Lembke took 11th in 21:51, while Jenna Freebern, 12th, 21:52; Mikayla Bowton, 14th, 22:25; Madison Miller, 16th, 22:47;

Olivia Carroll, 17th, 23:09; and Savannah Chapman, 19th, 25:26.

The varsity boys brought home fourth place and ended up only two points out of third.

"The boys were disappointed when they saw the team scores, but it is what it is," said Fredericks.

Jordan Starkey raced his way to a third-place finish with a time of 15:38, followed by Mitchell Lawson in 16:38 for 13th.

"Jordan ran a gutsy race, he caught Tyler Rasso of UT with a 150 meters to go, but Rasso was able to hold him off," said Fredericks. "I think it opened Rasso's eyes when Jordan caught him. Jordan was in some pretty good company."

Mitchell Lamb placed 24th in 17:19, while

David Chenoweth came in 25th in 17:20; Tony Gatter, 26th, 17:21; Chaise Blakley, 27th, 17:24; and Bryce Gramling, 39th, 18:35.

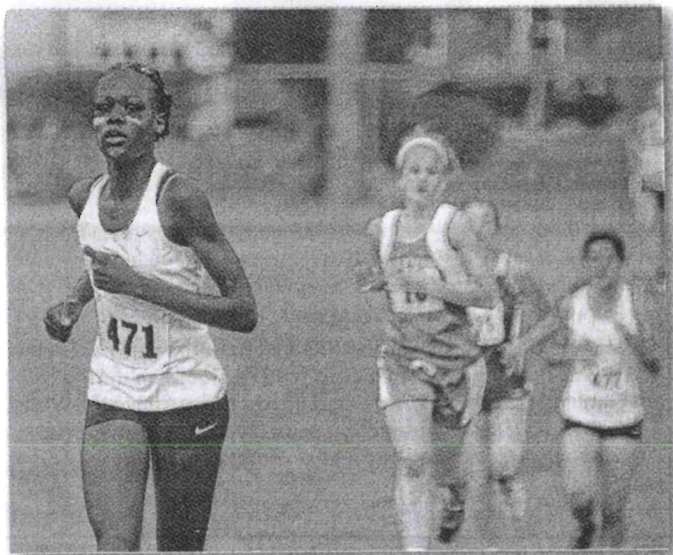

The freshmen/sophomore boys' team nabbed a second-place finish for the squad with Nolan Fassett in seventh at 17:57, followed by Charley Elden in ninth at 18:06 and Gabe Johnson, 10th, 18:22.

Josiah Cropp placed 12th in 18:25, followed by Keaton Darin, 18th, 19:17; Hunter Grau, 19th, 19:36; and Sean Pemble, 33rd, 20:37.

The cross country team will next be in action at 9 a.m. Oct. 6 at the Sterling Invite.

"We are definitely coming into the home stretch," said Fredericks. "We need to get our kids healthy and this is a great week to get some late season conditioning in."

Rock Island freshman Agok Ayuen races at the Rock Island Invitational on Friday.

Rocky junior Isabel Vallejo was fourth (20:17), leading the Rocks who had four freshmen in its top seven.

"It means a bright future," Rock Island girls coach Tony VanDeWalle said. "For the girls to place this close to Geneseo is going to give them a lot of confidence down the road."

On the boys' side, Pleasant Valley (32) won the team title with Spartan Caleb Darke (15:25) winning the race. Defending champ United Township was second (57) with Alleman finishing third (87).

The Panthers' Tyler Rasso was second overall in 15:36, and Geneseo's Jordan Starkey logged a solid third-place finish in 15:38.

"We are shooting to peak in the final two or three weeks of the season," said UT coach Russ Boore. "We are taking some steps, and we have some time to improve on that and are excited about the next three or four weeks."

**Rock Island Invitational:** The Maple Leafs' Emily Ford (19:33) won the six-team girls race with teammate Halle Olson (19:39) just behind in second in leading the Leafs to the team crown.

Geneseo showed its depth in winning. Despite missing two of their top five runners — Maggie Schlindwein and Dani Manna missed the meet because of homecoming commitments — the Leafs claimed the title with 34 points. Class 2A rival Rock Island was second with 51 points.

"There's a lot of competition on the team," Geneseo coach Don Fredericks said. "The girls are fighting for positions so they can continue their seasons once we get to the championship season. There's a friendly rivalry going on."

# Motivated Ford running in high gear

BY CHRIS STEELE  
chrissteele@qconline.com

One of the greatest challenges an athlete faces is how they handle adversity.

Geneseo's Emily Ford spent the end of last season cheering on the two Geneseo qualifiers at the IHSA State Cross Country Meet at Peoria's Detweiller Park after failing to qualify at sectionals.

A year removed from earning all-state honors as a sophomore, Ford remained undeterred by the setback her junior season.

'I know this is my senior year and I want to give it all that I have.'

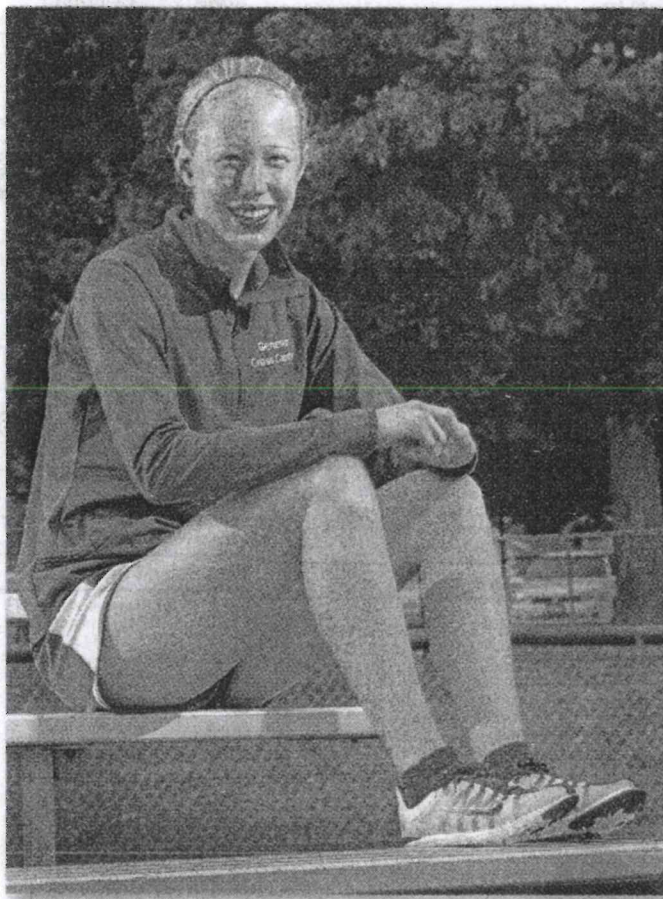

EMILY FORD  
Geneseo runner

Instead, it was incentive to go even further than before.

"It definitely made me want it even more cheering them on," said Ford of not competing for the first time in her career on the state stage. "I've used it as motivation for this season, training in the summer and the off-season. I know this is my senior year and I want to give it all that I have."

This week's Metro Pacesetter for The Dispatch and The Rock Island Argus has had that hard work rewarded with back-to-back wins at the Geneseo Invitational (19:54) and Rock Island Invitational (19:33).

It's that willingness to go the extra mile that has shaped Ford's season into something special thus far.

**Geneseo senior runner Emily Ford is this week's Metro Pacesetter for The Dispatch and The Rock Island Argus. Ford won the Rock Island Invitational title last Friday.**

"I have been a leader by example," Ford said. "I've always liked to be the last person on the track or the last person in the weight room. I think people see that and see it pay off."

That atmosphere has become contagious for the Maple Leafs' cross-country team, and Ford believes this is only the start.

The Maple Leafs made some early-season noise by

finishing eighth as a team at the First to the Finish Invitational among Class 2A's top teams with Ford leading the way with her season best time of 19:09 on the grounds of Detweiller Park.

"Our main goal is making it to state as a team," Ford said. "Anything after that would be icing on the cake."
