LEAFS RUN STRONG AT LOADED STERLING INV.

On Saturday, October 6, the Leafs traveled to Sterling's Woodlawn Park and their 40+ team invitational. Included in the large number of teams were many of Iowa's and Illinois' best teams. The meet format consisted of a Freshmen/Sophomore Division, Varsity Division, and an Open Division for both the girls and boys. Needless to say, the competition was ferocious and should prove to be a good preparation for the upcoming Championship Meet Season. The Indian Summer is officially over as the daytime high of 46 degrees reminded us that we are into October. The temperature for the start of the F/S Girls Race at 9:00 am was still in the 30's. We had a ton of tremendous races and I heard zero negativism in regard to the conditions. Way to "Ramp It Up, Leafs"!

First up were the Lady Leafs in the F/S Girls Race. We loaded this one up (keeping our top young guns down) and the end result was an impressive 3rd place trophy behind state ranked Minooka (3A) and Kaneland (number 3 in the 2A rankings.) The Lady Leafs were led via "pack attack" (that's pack as in running together....NOT da Packers.....Go Bears.) Katie Puls, Taylor Claus, and Lauren Coulter racked up Top 11 places (7th, 9th, and 11th) and provided a strong start to our team score. Way to work together, Girls. You got me pretty fired up watching your race. Becca Rapps added a medal winning effort herself (top 30 earned medals) with her 30th place. She knew what place she was in and had a "dog fight" on her hands to grab the last medal. Solid stuff, Kid. Closing the team scoring was Jenna Freebern in 47th who was closely followed by Molly Lembke in 50th. Both Lady Leafs also did a great job of working together. Mikayla Bowton ran as our 7th girl and rolled to a strong 72nd place finish. Great Job, Lady Leafs.

Up next were the F/S Boys. We were hoping for a Top 10 finish and the boys blew that away with a strong 6th place team finish (missed the last trophy by only 13 points.) The team was led via top 30 finishers Nick Fox and David Chenoweth. Nick ran to a jaw-dropping 4th place finish while David was out hard early and hung on for a hard-fought 12th place finish. Solid stuff, Men. It takes 5 to score a team and we still needed 3 more scores to decide our team fate. Charley Elden (41st), Nolan Fasset (46th), and Gabe Johnson (55th) provided those solid efforts to help the team to its strong finish. It should be added that Gabe's big smile can probably be attributed to the fact that his dad (Scott...aka...Carp) returned from Afghanistan the previous night....although, he (Gabe) was also seen talking to several girl (that would certainly put a smile on his face!) Also in the line-up were Freshmen Keaton Darin and Hunter Grau who ran to strong 72nd and 95th place finishes. 5 of our 7 runners are only Freshmen so what you men accomplished is pretty amazing.

The Varsity Girls raced at 10:00 am and the quality of the field was simply amazing. Our girls ran to an impressive 11th. Add in the fact that 3 of our top seven varsity runners weren't in the race (they ran down in the F/S Race) and the end result is an impressive amount of depth on the Lady Leafs' roster. Leading the way (as she has all season) was Senior Emily Ford who earned a hard-fought for top 30 medal with her 25th place finish. Next up was Halle Olson who roared home in 60th place as she passed at least 30 runners in the last mile. Maggie Schlindwein was the next Leaf home in 72nd place. Pretty impressive stuff considering her late night cheering at the Sterling game in very cold temperatures. This kid is a "gamer" and we are very lucky she is doing "da double". Thanks, Mags. Morgan Kelly and Jessa Coulter closed the scoring with strong 78th and 85th place finishes. Way to "bring it", Ladies. Sarah Dellett and Dani Manna completed the team effort with solid races themselves as they ran to 117th and 119th places. A lot of team packing was observed after Emily and Halle who were on their own. If you are lucky enough to have a teammate of similar ability, there is a phenomenal strength in the words "TEAM" and "PACKING". Way to roll, Lady Leafs.

Up next were the Varsity Boys who took off at 10:30 am. The team was once again led by senior Tri-Captain Jordan Starkey who ran to a sparkling 10th place finish. Considering the strength of this field, Jordan's race was extremely impressive. He was stride for stride with athletes who will earn All-State Honors in a few weeks. Keep up the faith, Stark. Next up were Mitchell Lawson (coming back after Bronchitis) who ran to an impressive 67th place finish. Up next was the Varsity Boys "Pack Attack" as Mitchell Lamb, Tony Gatter, and Chaise Blakley rolled home in 98th, 114th, and 121st places after running together for most of the race. The team ended up a solid 16th in the loaded field and running without two of their top 5 (Fox and Cheno ran in the F/S Race.) Solid stuff, Men. Closing the team effort were Bryce Gramling and Marcus Gagnon who each ran strong races themselves and finished with 145th and 148th place finishes.

The Open Girls were up next and the field included over 250 runners. The "dust bowl" back in da woods was pretty nasty and our Lady Leafs ran strong races. Senior Rookie Kylie Lembke barely missed a top 30 medal with her amazing 32nd place finish. Madison Miller wasn't far behind in 40th place as she simply ran "out of her skull". Way to roll, Ladies. Callie Miller, Lindsey Bideaux (speaking of going nutts.....WOW), Cortney Backes, and Olivia Carroll, Caitlin Akers, and Jeni Bergles were also ran strong races and finished in 92nd, 107th, 113th, 117th, 119th, and 122nd places respectfully. Rachel Ganson (G-Girl) was running hurt and still cranked out a strong 194th

place while "da new girl" Savanah Chapman closed the deal with a strong race of her own in 219 and was able to RUN every step of the race for the first time. This kid is coming on like crazy. Bring on da NIB-12...WE ARE READY.

Last, but certainly not least, were the Open Boys who took off at 11:30 am. Rookie Senior, Sam Alexander, was our team leader until fellow rookie Josiah Cropp (only a sophomore) caught him in the last 400 meters. Josiah and Sam placed 108th and 112th overall to lead the team in the 200 plus runner field. Keegan Banister and Josh Dodge were close behind in 121st and 134th places respectfully. Senior Tri-Captain contributed another strong effort in 153rd while Raul Falcon won a battle with teammates SP and TJ as he rolled home in 161st place. Next up were Sean Pemble and Tom Jackson in 172nd and 174th places. Closing the team effort was Michael Neuwohner who continued his amazing improvement via his solid 191st place finish in 23:03. Great job, Men. Bring on the NIB-12.

Michael Neuwohner, 191st, 23:03.

"This will bode well for championship meet season," said Fredericks. "I am definitely happy, and we had monster PRs and that was fun to see that."

Geneseo will compete next for the conference title at 10 a.m. Oct. 13 at LaSalle-Peru.

"Conference is tough," said Fredericks. "On the girls' side, Yorkville is ranked second and is defending state champs and Kaneland is ranked third. On the boys' side, Yorkville's boys are ranked third. Our conference is tougher than our sectional and we will know a lot about our teams after this weekend."
