Excellent run for first time. We will need to leave at 8:00 pm tomorrow for IVC
This means that 9th hour people must be excused. Please talk with your teachers
concerning this problem. If the teacher does not want you to leave then you can
not go with us. We will be running in a park on the SE part of town.

All boys must have an insurance policy either from the school for \$5.00 or a letter
from your parents stating that you are covered or you will not be able to parti-
cipate after Thursday.
