NORTH CENTRAL CONFERENCE CROSS COUNTRY RUN

Ottawa High School welcomes you to the North Central Conference Cross Country Run to be held at Ottawa High School (King Field) on Thursday, October 19, 1972, at 5 PM.

ENTRIES

1. Each school may enter a maximum of seven boys in each division, with scores of the first five finishers to be used in determining the team score.
2. Fewer than five boys may run in any one division, but their school will not count in the point standings for team awards.
3. Please list on the enclosed entry sheet the names of the boys you plan to use in each division.
4. There is no entry fee.

AWARDS

Awards will be given according to NCIC policy. Medals to the first five Varsity finishers; ribbons for 6th-15th. Fifteen ribbons for F-S.

COURSE

The course is generally flat and mainly sod with part of the cinder track used for about $\frac{1}{4}$ mile of the race. Either spikes or cross country shoes must be worn. The course is the same as the one run in the Ottawa Invitational of Sept. 16.

Length of the Varsity Course is 2.95 miles. Length of the Frosh-Soph Course is 2.27 miles. The Varsity course record is 14:39.1 and the Frosh-Soph record is 11:43.1.

TOURS OF THE COURSE

A tour will be held at 4:15 PM. See enclosed map for further data.

DRESSING FACILITIES

Teams must dress at home since we have no locker space available. Each school is responsible for its own valuables.

SCORING SYSTEM

The tag system, as used in the Ottawa Invitational, will be used to speed up scoring. We are attempting another innovation in cross country scoring and need the enclosed entry blank by Tuesday, ~~Sept~~ October 17.

*ALL-CONFERENCE SELECTIONS

The first ten(10) runners to finish in the Varsity run will be designated as All-Conference runners, a proposal approved by coaches, athletic directors, and administrators in the September 1972 meeting of NCIC schools.

QUESTIONS

Additional information may be obtained by calling or writing Bob Anderson, Cross Country Coach, Ottawa High, 815-433-1323.

Best of luck to each team.

Bob Anderson
