## LEAFS CLAIM GOLD AT GENESEO INVITATIONAL

On Saturday, September 21st, the Leafs played host to their annual Geneseo Invitational. The weatherman owes us big-time after the sweltering heat he has thrown at us this school year. He really came through with an early morning reading in the high 40's with temperatures rising to a daytime high of 69°. With little to no wind and minimal humidity, we had a perfect day.

Participating teams included: Davenport North, Davenport West, Geneseo, LaSalle-Peru, Moline, Ottawa, North Scott, Rock Island (Boys Team only), Sterling, Streator, and United Township.

The meet has a unique format (I copied the idea from Crystal Lake Central) and allows each class of students to stage their own race. If a team doesn't have a full 5 competing athletes to field a full team, a "ghost runner" format is used so every team scores at every level. To speed things up, we utilize a delayed start for the girls (they go 3 minutes after the boys.) Each team winner per division is awarded a Team Championship Plaque (09,10,11,12) for each gender. In addition, the top 20 runners in each race win an individual medal. We then add all the girls points up (we do the same for the boys) and crown a overall girls and boys champs (more plaques.) We're not

done yet, then we add the girls points to the boys points and award plaques to the top 3 teams in the Overall Combined Division. God Bless Mr. Mackey for allowing us to run such a great meet and hand out so many awards. There are several athletes that will walk away from our meet with the only medal of their career. Pretty cool. The awards ceremony was pretty awesome also, hosted via our seniors and Zach Mackey being the MC.

On to the races. The freshmen got things rolling at 9:00 a.m. sharp. Nathan Soria helped lead the team to a 2nd place finish. He was joined in the top 20 (earning a medal) by Tate Neff who placed 20th. Not far behind were: Luke Johnson (25th), Keith Elden (28th), and Chandler Schwartz (36th) who closed the scoring. We actually tied for 2nd but Matt Ganson's 40th place sealed the deal and the Leafs were 2nd. Not far behind him were: Ross Chapman (44th), Sam Murray (46th), Bryan Dellett (49th), and Nelson Laingen in 52nd. Not bad considering that phenom's Kyle Sellers and Charlie Schlindwein were both sidelined with nagging injuries. To say that the future looks bright would be a HUGE understatement. Job well done, Men.

The freshmen Lady Leafs also raced with tremendous passion and purpose and placed a strong 2nd (only 4 points out of first.) Megan Coulter, Sally DeBrock, and Emma Alexander led the charge via their 3rd, 4th, 5th places. Alexis Perren added a strong 23rd place to help the cause. The Lady Leafs were racing without Jessica DuBois and Katelyn Mielke who are both injured. Add to that the fact that Morgan Hartsock was racing ill (we didn't know) and was unable to finish. How the Lady Leafs still almost won while taking a "ghost runner" for our 5th runner is simply jaw-dropping. Way to race, Ladies.

Next up were the sophomore boys. Charley Elden and Gabe Johnson gave us a strong 1-2 punch in one of the most competitive races of the day via their 7th and 12th place finishes respectfully. Keaton Darin (22nd) barely missed a medal and ran a great race as our third man. Not far behind were Keegan Banister (32nd) and rookie Nathan Konvicka who roared into the finish chute in 45th place. When the points were totaled our sophomores had recorded a highly respectable 4th place team finish. Wall to roll, Men!

Next up were the sophomore girls who were racing without Lauren Coulter (severe ankle sprain), Becca Rapps (bronchitis), Jenna Freebern (torn meniscus during Track) and Lindsey Bideaux (shin splint.) It doesn't sound too good so far does it? Well guess what? The Lady Leafs WON the division anyway with only four runners (yeah...they took a "ghost runner" hit for our 5th runner. Leading the way was the powerhouse attack of Molly Lembke, Madison Miller, and Taylor Claus who rolled into the finish chute in 2nd, 4th, and 6th places respectfully. Not far behind was our fourth runner in 15th place. That would be Callie Miller and she never looked better. Ladies.....AWESOME. Get everyone healthy and get ready to chase some STATE Hardware.

The junior boys were off next and David Chenoweth continued his comeback after a plethora of early-season setbacks. "Cheno" ran a strong race and placed 4th overall in the junior race. Joining him on the awards stand via his top 20 finish was Chris Bagley who placed 17th overall. Josiah Cropp (21st), Sean Pemble (23rd), and Raul Falcon (23rd) closed the scoring as each man ran with a ton of passion and purpose and barely missed earning individual medals. The boys placed a strong 4th and were one of the biggest surprises of the day.

Off next were the Lady Leafs in the junior division. Katie Puls ran a very strong race and placed 3rd overall in a very fast race. Joining her on the medals award stand were Ashley Kempher and Mikayla Bowton who each cracked the top 20 with their 17th and 18th place races respectfully. Rookie Adison Cunningham was forced to drop out (via Coach T's arm twist) due to a leg injury. The junior girls were also racing without Savannah Chapman (family conflict) and Kaytlyn Gramling (leg injury.) Thus the team was forced to take two "Ghost Runners". Amazingly, they placed 4th as a team anyway. Another HUGE surprise and help to the total team score. Way to "man up", Ladies.

On to the seniors. The biggest surprise of the meet goes to these guys as they SHOCKED the field by winning the whole thing. They narrowly held off Sterling by 2 points with U.T. only 3 points behind them. Leading the way were Geneseo's "Big 3" senior pack of Chaise Blakley, Mitchell Lamb, and Tony Gatter who crossed the finish line in 5th, 8th, and 9th places respectfully. Karl Flynn and Sean Geffert closed the scoring with strong 24th and 27th place efforts as each man barely missed the top 20 individual medal hug-a-thon. Rookie Payton DeMay was also in the mix with a strong 30th place finish. The team was also running without Bryce Gramling (ACT), James Hartsock (sick), and Tyler Mahsem (injury.) Great efforts. Way to lead by example, Men. Keep up the hard work. "Citius, Altius, Fortius"

Last up were the senior Lady Leafs. They were running without Sarah Dellett (family conflict), Hannah Johnson (illness), and Natalia Mangieri (ACT.) The girls put up one heck of a fight and were led by Halle Olson's championship run (our only individual winner.) Halle has been nailed by a plethora of obstacles but appears to have put all of that behind her. The fact that there was a college coach there to look at her didn't hurt either. Jessa Coulter and Morgan Kelly packed it up nicely and aided the cause via their tremendous 5th and 6th place finishes. Closing out the scoring were Cortney Backes and rookie Abby Larson who sprinted home in 18th and 19th places respectfully. The girls scored our lowest team total of the day (49) but were beaten by North Scott by a scant 3 points. What a wonderful display of senior pride. Keep leading this team, Ladies, each and every day. We have NO weak links. Way to race with PASSION AND PURPOSE!

The Geneseo cross country runners defended their home turf Sept. 21 as the Leafs and Lady Leafs captured the Geneseo Invitational title.

"Absolutely, I am surprised to take first," said head coach Don Fredericks. "Was I expecting us to win? You always hope so, but there are some very talented teams there. For the team to end up winning the team championship without several runners was a very pleasant surprise. To win the girls and boys combined races made that all the more sweeter."

Halle Olson paced the Geneseo contingent with the highest finish of all the GHS runners as she crossed the finish line in first place in the senior girls' race with a time of 20 minutes and 37.90 seconds.

"Halle Olson was our one individual champion," said Fredericks. "She has had a hard start to the season, but won by 58 seconds, which is a great finish for her. She ran just a great race."

# Geneseo girls impressive in own cross country invite

**GENESEO** — The Geneseo Maple Leafs cross country runners, led by senior Halle Olson, are attacking this season without hesitation.

The Maple Leafs girls won three of the four class races at the Geneseo Invitational Saturday.

Olson gave the day a perfect conclusion by winning the girls senior race in 20:37.90.

"This medal is one of my favorites now," Olson said. "Just because of everything that it means.

It's my senior year and it is really nice to be at this point right now."

At the Silver Streak Invitational, Olson's season began with her collapsing from heat exhaustion after a bad reaction to medication. After sitting out a few weeks as a precaution, Olson wasn't going to miss this meet and attacked the hills at Richmond Hill Park with everything she had.

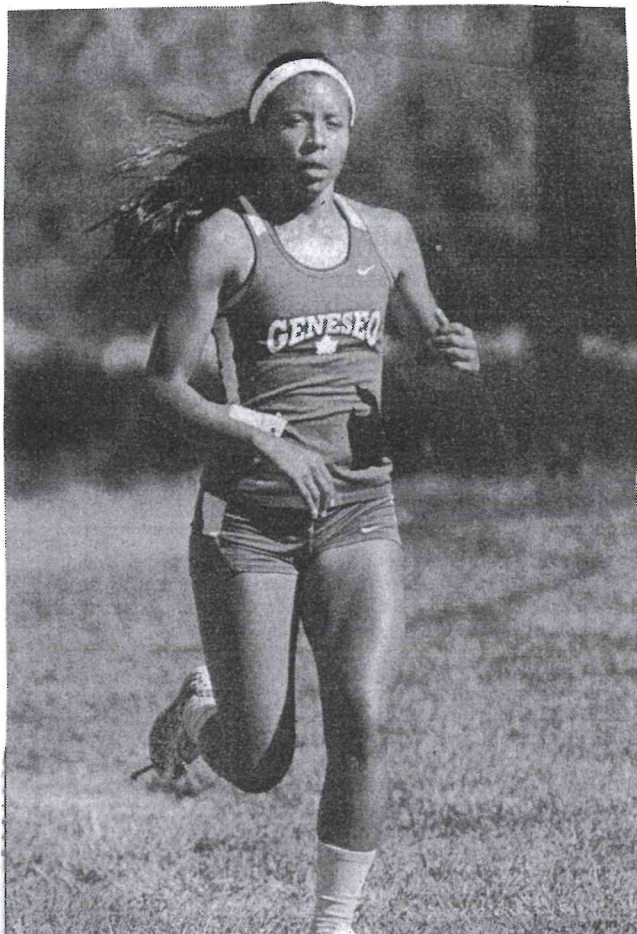

"I was ready to get out there and go," Olsen said. "I didn't get to run at the meet last weekend at Detweiller (Park in Peoria, home of the state finals), but I felt there mentally and physically. There was nothing

stopping me from going out and doing the best I could in this race."

The Maple Leafs finished with a runner in the top three in all four events with freshman Megan Coulter in third (21:52), sophomore Molly Lembke second (22:11), and junior Katie Puls in third (21:12).

On the boys' side, the Maple Leafs seniors won the team title, paced by Chaise Blakley's fifth-place finish (17:38.00).

United Township's Austin Webster won the individual title in the senior race with a time of 16:14.32, and teammate Sean Dopler finished third (16:54.55).

**KATIE PULS** paces the junior girls' pack at the Geneseo Invitational.

After undergoing a makeover this season, the Panthers seniors are still expecting to make school history after making the move to class 3A.

"I think nothing has really changed," Dopler said. "I think we can keep up what we have been doing. Our training has been going really well and that's all you can ask for is everyone improving."

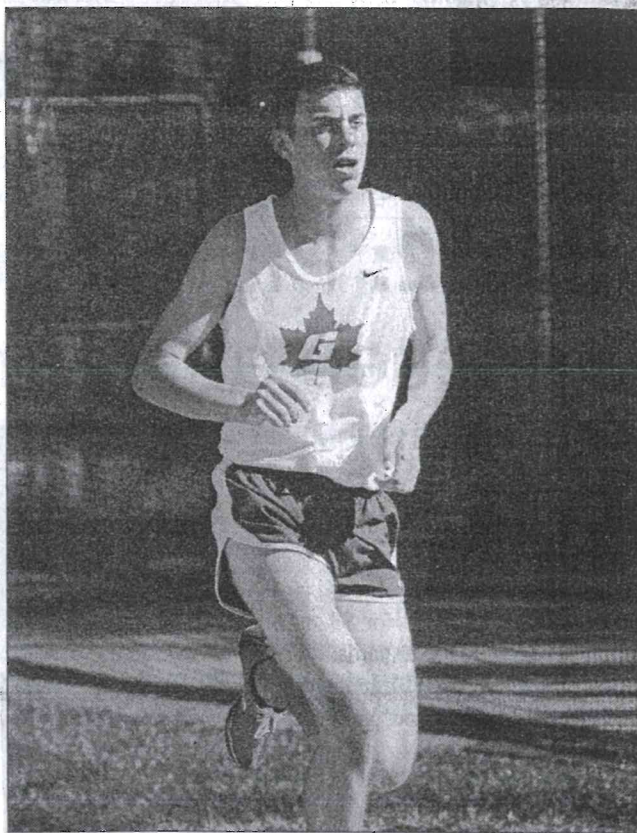

At the First to the Finish Invitational, Webster raced to a season-best time of 14:57.82 at Detweiller Park and he feels the Panthers will be ready to chase history come championship season.

"We just need to get focused," Webster said. "I think the senior class can do that. I honestly believe in our team, and I see a lot of improvement."

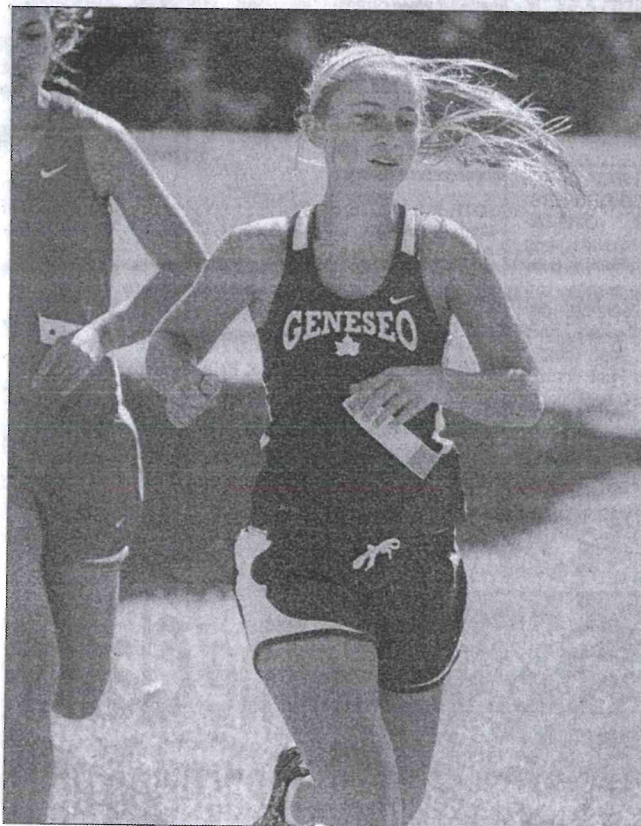

Rock Island's junior class reined in the team title with Josh Hathorn leading the way with a runner-up finish.

With a high ceiling, Hathorn believes this is just the start for the Rocky team.

"We have a tough team this year," Hathorn said. "It's something special and our team still has a lot of potential to improve on this year."
