## **LEAFS RUN WILD AT THE NORMAL WEST SECTIONAL**

On Saturday, November 2nd, the Leafs took a two hour bus trip to Normal, Illinois to participate in the Normal West Sectional. The meet was held at Maxwell Park and the weatherman gave us a pretty nice, early November day. The daytime high was 50° with a 12-15 mph wind. Race time temperatures were in the mid to low 40's with wind chills certainly in the 30's. The course was a bit soft in spots from all the rain (over 2 inches) that fell late in the week. Both Geneseo teams came into the meet ranked 9th in the rugged Normal West Sectional. It can be debated whether the Belvidere Sectional or the Normal West Sectional is the most competitive. The bottom line is they certainly rank 1-2 and we knew going in that even our very best efforts might not be enough to qualify for the State Finals. No Excuses, No Retreats, and No Regrets was the motto and boy did the Lady Leafs and the Leafs show up ready to roll. The I.H.S.A. qualifies the first 5 teams. In addition, the first 7 individuals not on qualifying teams also move on to next Saturday and the State Finals.

The Lady Leafs got things rolling at 10:30 AM as they reacted to the crack of the starters pistol. The entire team got out nicely. Senior Halle Olson led the team and she threw down a monster kick to barely miss the last qualifying spot by one place as she sprinted home in 15th place. Not far behind her was Junior Katie Puls who ran a great race herself and placed 24th overall. Sophomore Molly Lembke and Freshman Megan Coulter sprinted home in 63rd and 64th places

respectfully. Our 5th girl today was Sophomore Taylor Claus who blasted the homestretch and rolled across the finish line in 73rd place. Senior Tri-Captains Jessa Coulter and Morgan Kelly finished the team effort with strong 79th and 87th place finishes. The team simply ran AWESOME and barely missed qualifying with a very impressive 9th place team finish. Most of the team ran lifetime bests. Way to roll, Lady Leafs!

The boys team was up next and took the aggressive race strategy to heart as they got out nicely. Senior Tony Gatter ran down Freshman Nathan Soria with about 800 meters to go and roared to a Personal Best (just over 16 minutes.) Meanwhile, Nathan was hanging on for dear life and did a great job of going with the pack of: Senior Mitchell Lamb, Senior Chaise Blakley, and Junior Davidi Chenoweth. The boys ended up with a miniscule 1-5 spread of 11 seconds and they threw 5 boys into the top 50 as they placed 37th, 39th, 42nd, 43rd, and 47th places respectfully. For good measure, Super Soph-s Charley Elden and Gabe Johnson sprinted home in 63rd and 98th places. When the dust had settled, the Leafs had placed 7th overall and missed going to the State Finals by a mere 9 points. Your efforts were inspiring and very courageous. Most of the team ran lifetime bests. Way to DREAM BIG.

# GHS runners fail to advance

The Geneseo boys' and girls' cross country teams battled a tough field in the Normal West Sectional Nov. 2, and were unable to advance any runners to the state finals.

"We had a phenomenal day and both teams ran outstanding," said head coach Don Fredericks. "Our sectional and the Belvidere Sectional are the toughest 2A sectionals in the state.

Everyone ran a lifetime best."

Halle Olson just missed the cut with a 15th-place finish in the girls' race with a time of 18 minutes and 47 seconds to lead the Lady Leafs.

"Halle ran an incredible race, fell back and brought it home the last 400," said Fredericks. "I really thought she was high enough, but missed by one place."

Katie Puls placed 24th in

19:03; followed by Molly Lembke, 63rd, 20:10; and Megan Coulter, 64th, 20:12.

Taylor Claus finished 73rd at 20:24; while Jessa Coulter came in 79th at 20:32; and Morgan Kelly, 87th in 20:39.

"Katie really had a monster race and for a while I thought she had a shot," said Fredericks. "Our pack was solid, but back a little too far. It was a gutsy race for all the girls. I am proud of the season they had."

The girls' team finished ninth as a team.

Tony Gatter paced the boys' squad as he took 37th place with a time of 16:06; followed by Mitchell

Lamb, who was three seconds behind in 39th place at 16:09.

"Not much more could have happened for us," said Fredericks. "Having five guys cross the finish line in 11 seconds (of each other) is unheard of. They almost shocked the field because they finished nine points out of qualifying for state as a team."

David Chenoweth took 42nd in 16:12; while Chaise Blakley came in 43rd at 16:13; and Nathan Soria placed 47th in 16:17.

Charley Elden finished the day in 63rd at 16:33; and Gabe Johnson placed 98th in 17:08.

"David had his greatest race of the season on Saturday," said Fredericks. "No

one would have given us a shot. It is jawdropping to come nine points shy of qualifying for state. It was amazing to watch.

"The bus ride home was not filled with massive sorrow, and there was some disappointment, but they were proud."

The boys' team took seventh place overall.

"Not everything went perfectly this season. We had some things happen — battling illness and injury," said Fredericks. "All-in-all, we had the second biggest team in school history. I don't know how we ended up with 62 runners on the team, but I am really proud that many kids were a part of it. It was a really cool experience, and I wish we had one more week."
