

LEAFS LUCKY TO AVOID CATASTROPHE

Pictured is our bus resting in the median of Interstate 74

MANY LESSONS LEARNED AT 2015 FIRST TO THE FINISH INV.

Where to start? On Saturday, September 12th the Leafs traveled to Peoria's First to the Finish Invitational. Approximately one-half hour into our trip on Interstate-74, our bus driver suffered a medical emergency. As he struggled to control the bus it drifted across the passing lane and into the median. Coach Fredericks rushed to grab the wheel as the bus popped out into oncoming traffic. Only God's Grace saved us from disaster as we narrowly avoided several head on collisions, an interstate overpass, and numerous median dangers. Upon re-entering the median, our bus almost tipped over but luckily we came to rest with no injuries. 911 was called immediately and the Woodhall EMT's were on the way. An EMT passerby stopped and was joined by Coach Ehlert (traveling to support the team) to aid our driver before the ambulance arrived. Before they arrived, we had at least four State Troopers on site to aid us. Our driver was rushed by ambulance to Galesburg and then airlifted to Peoria for emergency surgery. I am glad to report that he is recovering nicely.

Once he had been transported, we shifted our focus to determining if we still wanted to even race following our experience. The team said, "YES!" and with the State Troopers help we started to shuttle athletes with the help of several vehicles. Some of our parents, UTHS, Alleman HS, the Johnson R.V., Coach Ehlert...etc. In the end, 14 athletes (plus my wife and I) were on site when

Pinks Bus Service rolled out a 2nd bus. The remaining team members were given the choice of not racing, racing in the open race hours later, or jumping in the Boys 2A race upon our arrival. They unanimously voted to toe "da line" with their teammates. I asked our new bus driver if we could try to do a modified warm-up on the bus. She replied, "after what you guys have been through you can do anything you need to". We jogged in place for 5 minutes and then went through our flexibility routine as best we could. The boys spiked up on the bus and were on the Starting Line with a just a few minutes to spare before the starting gun fired. Coach Moe and I joined the team for a team prayer in which we thanked the Lord for protecting all of us and for Al's recovery. That was followed with a team-only message from our captains (Charley Elden & Gabe Johnson.)

At the gun, 59 full teams and way over 900 runners were off (this was only the 2A boys race.) The field was loaded with many of Illinois' best. Considering what they had been through, the team had every excuse imaginable to legitimately use. What followed was galvanizing as almost every single team man ran a Personal Best. Some by several minutes. When the dust had settled, the Leafs had placed 23rd out of the 59 teams. Leading the charge were: Nathan Soria (44th), Charley Elden (89th), Kaden Rink (140th), Gabe Johnson (165th), and Charlie Schlindwein (218th) who closed the team scoring. Not far behind were: Andrew Rizzo (234th), Peter Rizzo (305th), Kyle Sellers (325th), Blake Duncan (337th), Keith Elden (443rd), Nathan Carroll (459th), Cameron Darin (489th), and Maguire Hoon (498th) all cracked the top 500. Also running strong races were: Keaton Darin (514th), Thackery Newton (555th), Nathan Konvicka (612th), Christian Booth (613th), Ethan Baumgardner (631st), Chandler Schwartz (644th), Juan Majias-Dansbach (700th), Nelson Laingen (721st), Bo Lindstrom (754th), Keegan Banister (756th), Adam Wells (762nd), Sam Murray (771st), Nathan Lambert (848th), Kris Nguyen (857th), Nik Floyd (879th), Kaleb Efflandt (912th), and Nathan Stanfield (913th.) There were SEVERAL DNF's as 920 official finishers were recorded. Elliott Moore accidentally sprinted into the chute early as the lead runners lapped many in the 2nd pack (oops.) All in all this monster meet saw over 6,000 runners cross the line in the 8 different races (Class A, 2A, 3A, Open....Girls and Boys.) HUGE!

Once again, our bus driver, Al, is recovering from successful heart surgery in Peoria. Thanks to everyone who said a prayer for him and his family. Keep them coming. God's Grace SAVED US TODAY. Thank HIM, Men! Also, a special thanks to all of the parents who helped us out. Men, give your parents an extra squeeze for several days. We were so very lucky. I spent the entire trip back studying the median and was amazed at how few safe spots there are to do what we did. There were heavily wooded median areas shortly before and after "da spot". I also had the pleasure of sharing my seat with my best friend, Tessie, and greatly appreciated her help and support on this challenging day. I LOVE YOU!

Fredericks' heroics

saves lives

By CHRIS STEELE
Republic Sports Editor

Geneseo coach Don Fredericks has been on countless bus rides, but the team's ride to Peoria on Sept. 12 will be one he remembers for the rest of his life.

With an hour still left until the boys' cross country team reached their meet in Peoria, Fredericks started to feel the road getting rough.

Heading down Interstate-74, Fredericks saw the bus driver having a medical emergency and was slumped over on the steering wheel.

When the bus began drifting into the median and into oncoming traffic, Fredericks was able to get ahold of the steering wheel and navigate the bus through the danger.

"I was afraid we were going to die," Fredericks said. "What would you think if you came up on the interstate going the wrong way? I mean, how many people have ever had it happen and come out of it with no damage or injuries? It was a rare set of circumstances. It was truly a miracle."

With the bus traveling toward an overpass, Fredericks was forced to stay in the oncoming traffic avoiding several head-on collisions straddling the side of the road and the passing lane.

Once the bus had reached

THE TEAM BUS, carrying the Geneseo boy's cross country team to the First to the Finish Invitational, came to rest in the median of Interstate 74.

the other side of the overpass, Fredericks was able to bring the bus to rest back into the median.

"The headline in the newspaper the next morning could have been very different," Fredericks said.

Not a person looking for the spotlight, Fredericks said he was just an instrument of the Heavenly Father and did the same thing anyone else would have done.

However, his training as a drivers ed teacher helped him compartmentalize the situation and guide the bus to safety.

Fredericks said a myriad of

things had to come together for them to all come away from the incident unscathed.

"When the driver blacked out, we could have been anywhere," Fredericks said. "Thank goodness the he didn't jerk the wheel. We could have rolled. How would that have turned out?"

Driving 70 miles per hour with no law requiring seat belts, you become a missile."

On the ride back, Fredericks found himself looking at the median thinking just what could have happened if they had hit one of those rough spots with steep trenches or trees.

"With the rain we had few

days before, if we had more rain and the median had been softer we would have tipped for sure," Fredericks said. "We almost tipped going in, and we almost tipped coming out into oncoming traffic. We almost tipped when we went into the median to reach our final resting position."

Traveling to support the team, EMT and Geneseo Middle School cross country coach Todd Ehlert was able to provide aid to the driver before the ambulance arrived.

The Geneseo boys' team still wanted to continue on and run at the First to the Finish Invitational in Peoria.

Several runners were able

It was a miracle.'**

Geneseo coach,
Don Fredericks

to hitch rides on buses with Alleman and United Township and others rode with parents heading to the meet.

Geneseo athletic director Travis Mackey was able to get a second bus to the stranded runners.

Fourteen athletes along with Fredericks and his wife Theresa were able to reach Detweiller Park just in time for the race.

"It should leave a lasting imprint on every single member of our team," Fredericks said. "It will stay with us forever. I don't think anyone will ever forget it. We have to realize how lucky we are. We have been given a gift.

"Any of us could have been killed so easily. There's a reason for it. With God's grace and God's mercy, I think he has bigger plans for us."

Fredericks stressed the importance of always having a passenger for long trips to avoid any unforeseen moments on the road because you never know what is just around the corner.

"It wasn't just lucky," said Fredericks of the incident. "It was a miracle."
