SORIA CRACKS TOP 100

On Saturday, November 7th, the Leafs were represented in the IHSA State 2A Boys Finals by Junior Nathan Soria. Every serious athlete has the goal of running in the State Finals. Few are able to achieve it. A lot of God-Given talent is a great start. Add to that a great number of off-season miles deposited in "da bank" in addition to a plethora of hard work during the course of the season and the results are omnipotent. Plus, add a bit of luck in regard to avoiding serious injury and/or illness. Lastly, a tremendous support system addressing proper nutrition, hydration,

7-8 hours of nightly sleep, etc. The list goes on and on and Nathan hit a home run in every category.

On to the meet. November 7th brought us a wonderful day for the State Finals. A projected daytime high of 54° with 10-15 MPH south winds were forecast with a zero percent chance of rain (what a contrast from last weekend!) The course dried up nicely from last week's rain and was lightning fast as evidenced via some of the amazing winning times that were turned in during all six races. The AA Boys took off at high noon and Nathan went out racing with his goal of trying to nail an All-State performance. He ROARED through the mile sitting around 30th in 4:51. It was a bit of a gamble but that is how Nathan runs best....aggressively. He was paying for his early effort by the mid point of the race and crossed the two mile mark in 10:20. He fought every step of the way and rallied in the last half mile to crack our school's Championship Meet History listings for the IHSA State Meet (which requires a TOP 100 Finish.) Nathan rolled in with a final finishing position of 100th exactly. He wanted more but that is probably the case for 90 percent of the field in EACH race. Nathan had a great season and we are extremely proud of him. Nathan is the first Leaf to qualify for the "Big Dance" since Jordan Starkey in 2012. Now it is time to rest up and then get ready to attack "da oval".

A special thanks goes out to the eight guys who gave up their Saturday to come and support their teammate even though Geneseo was hosting an IHSA State Football Game. Leading the charge were Senior Co-Captains Charley Elden and Gabe Johnson. Also joining the crew were fellow juniors Tate Neff and Chandler Schwartz. Representing the sophomore class was one of "da Nathans" (Nathan Lambert). Lastly, but certainly not least were the highly entertaining Rizzo Brothers (Andrew & Peter) along with their freshmen brother Kaden Rink. I will never forget the "mustache", "da cake", the numerous selfies with Kaden and Peter and any girl they could convince to join them, the cool-down up on "da hills" behind Detweiller Park (almost killed myself and Nathan Lambert), and the crew chowing down at Jimmy John's. Another special shout out to Mrs. Elden and Mrs. Johnson for fighting for more community recognition and organizing a Police and Fire Department Escort as we headed to Peoria. I had my doubts, and for that I am sorry. You both "hit a home run" and forced this old fossil to think "outside da box". The kids loved it. God Bless you both.

Upon reaching the cross country state finals, Geneseo's Nathan Soria took a look at where his hard work had taken him.

"It was cool to see all these athletes there and know they were all like you," Soria said. "This was the pinnacle of their season, too. Everyone was there for one last race. It was really cool to be a part of it."

The Maple Leafs' Soria finished in 100th place finishing with a strong kick in the final half mile to clock in at 16:01 at Detweiller Park in Peoria on Nov. 7.

With the top 25 earning all-state honors, Soria came out of the starting gate in good position as part of a pack in the top 30 after the first mile (4:51).

However, by the second mile, Soria was paying for his early push and began to fall back in the field.

With a perfect day for runners, Soria's mindset told him not to leave anything on the table.

"I knew it wasn't the best day to go out conservatively," Soria said. "I wanted to go out hard and be in a better position at the mile."

Being the only member of the Maple Leafs team to reach what coach Don Fredericks referred to as the "gold

standard," Soria ran for more than 500 miles during his summer training.

Soria's game plan to improve for next season remains the same, keep putting in the hard work.

"I'll have to really step up the training," Soria said. "We need to get more guys on board so we can go as a team. It's going to take a lot of work to make that jump from getting to state to doing well and placing at state."

Soria has another state trip in mind for the spring as he begins training for track season.

Last season, he was a member of Geneseo's all-state 4x800-relay team.
