### **LEAFS PLACE 18TH IN 58-TEAM FIRST TO THE FINISH INVITATIONAL**

On Saturday, September 10th, the Leafs traveled to Peoria's Detweiller Park to compete in the First to the Finish Invitational. The meet is one of the largest high school invitationals in the country hosting over 400 teams in the 3 Illinois Classifications. In all, there were 4,632 official finishers on the day in the eight races (J.V. races also.) The Leafs are a small Class 2A school.

The weatherman was kind to us with a race-time temperature of 70° with a low dew point. The athletes did have to battle a significant wind out of the north of 15-20 mph. In addition, the course was extremely wet and by the time the Leafs toed "da line" (4th race on the day), the turf was pretty torn up and it was a literal "mud fest". Obviously, fast times were out the window but the opportunity to compete with many of the state's best was "in da house". Of the eight races run on the day, the Maple Leaf Boys participated in the largest field with 852 runners completing the soggy 3-mile course. The meet management allows the 1A and 2A schools the option of running the whole team in the same race. Almost every team takes advantage of this opportunity instead of waiting around several more hours for the J.V. race.

The coaching staff was hoping for a Top 20 finish in the 58 team field and were pleasantly surprised when we finally found the results online, several hours later. The Leafs had finished 18th on a day which was far from perfect for our team. We feel confident that our team will improve dramatically, over the coming weeks as the Leafs roll into "Championship Meet Season" form.

Leading the way were: Nathan Soria, Brandon Ramos, and Blake Duncan who each cracked the top 100 as they finished in 84th, 98th, and 99th place respectfully. Nathan ran with the lead pack through the first half mile while Brandon and Blake "Packed" together. In fact, Peter Rizzo was with them through 2 miles and ended up as our 4th man in 134th while his "Twinkie" (Andrew) rolled into the finish chute in 206th place to seal our scoring. Throw in Charlie Schlinwein (out due to an A.C.T. Testing Date Conflict) and there is little doubt that he and Andrew would have "hooked-up" and they both would have mowed down several dozen competitors each. Completing our top seven were Maguire Hoon (293rd) and Freshman Neo Colter in 329th place who each ran strong races respectfully.

Several teammates ran strong races and the remaining team members rolled in in the following order: Noah Sebastian (335th), Nathan Carroll (359th), Kyle Sellers (371st), Christian Booth (457th), Juan Mejias-Dansbach (495th), Colby Rapps (500th), Ky Ariano (541st), Adam Wells (548th), Chandler Schwartz (561st), Nelson Laingen (580th), Thackery Newton (596th), Nathan Lambert (668th), Carson Mariman (710th), Jacob Jorgenseon (749th), Hayes Murphy (777th), Jack Sellers (807th), Nathan Yoder (810th), Luke Sebastian (815th), Chris Hodshire (826th), and Kenneth VanZuiden (841st.) The team raced without Kaleb Efflandt (injured), Nik Floyd (???), Tristan Johnson (A.C.T.), Tate Neff (A.C.T.) Charlie Schlindwein (A.C.T), and Cole Schwerdt (conflict.)

Following the cool down the team traveled to "Five Guys Burgers and Fries" for some "health food". There was quite a bit of grease covering our French Fries but, man, they were good. The burgers were outstanding also. Job well done to "Riz and Zoe" for tipping the team off on this delicious post race restaurant option. It takes a lot to pull me away from Avanti's

Let's get ready to roll at our very own Geneseo Invitational next Saturday. The meet format is structured so each class has its own race (Freshmen, Sophomores, Juniors, Seniors.) The top 20 finishers will earn medals and the team with the lowest team score will earn a Championship Plaque.
