LEAFS COMPETE IN da SYCAMORE INVITATIONAL

On Tuesday, August 30th, the Leafs traveled to DeKalb's Afton Forest Preserve to participate in the HIGHLY competitive Sycamore Cross-Country Invitational. The meet falls on a Tuesday so it is far from a perfect fit considering the fact that it is a school day with a two hour bus trip each way. Making it even more interesting was the fact that the weather was extremely "iffy" with threatening thunderstorms moving in from the north. Head Sycamore Coach Michael Lambin is a great coach and put together this field which included 8 STATE-RANKED teams and several more that probably will be state-ranked before the "dust settles" come early November. He decided to "Roll da Dice" and proceed with the meet. However, he did shorten the meet's duration by starting the Varsity Girls and F/S Girls five minutes after the boys races started. It worked to perfection as the meet beat the threatening weather.

Leading the Varsity Boys to an 11th place finish was Brandon Ramos who raced to a highly coveted Top 30 Varsity Medal via his 28 place finish. Not too far behind were: Nathan Soria (45th), Charlie Schlindwein (52nd), Blake Duncan (55th), and Kyle Sellers (82nd) to close the scoring for the Maple Leafs. The team was racing with all of our freshmen and sophomores being held down

for the F/S race. Next up were: Maguire Hoon (89th), Christian Booth (98th), Adam Wells (107th), Nelson Laingen (114th), Chandler Schwartz (115th), Thackery Newton (123rd), Nathan Lambert (126th), Tate Neff (129th), Cole Schwerdt (145th), and Tristan Johnson (146th.) Several Leafs were held out due to conflicts or missing physicals (da Coach Freddy recruiting is still in HEAVY motion.) It was a bit of a shock to see us place only 11th out of 16 teams but, remember, this was an extremely talented field, we had a two hour bus ride, our "young guns" were held "down", and we are far from "Championship Meet Season" PEAK. Keep doing the work and let's see how far we can take this thing.

The F/S Boys raced to a 5th place team finish. Leading the Leafs were "da Twinkies" Peter and Andrew Rizzo who raced to 4 and 13th places respectfully to grab medals (awarded to the top 20 in the F/S race.) Completing our scoring top 5 were: Neo Colter (32nd), Colby Rapps (52nd), and Nathan Carroll (62nd.) Solid stuff, Men. Nathan put forth an exceptional effort after "tweaking" his back shortly after the mile. Also running strong were: Ky Ariano (98th), Juan Mejias-Dansbach (117th), Hayes Murphy (118th), Jacob Jorgensen (122nd), Luke Sebastian (159th), and Kaleb Efflandt (167th.) Once again, we had several team members held out due to the categories of "needing physical" and "just joined and needs a bit of training". We are very excited about our "newbies" and feel certain that given a few weeks of training, the Leafs are going to have SEVERAL surprises. DREAM BIG, Men. We are proud to have you on our team and VERY excited about your future as a distance runner.
