LEAFS COMPETE AT FIRST TO THE FINISH INVITATIONAL

Perfect weather conditions, a hard and fast course, and a tremendous field resulted in a plethora of personal bests for the Maple Leafs

COLTER AND NEWTON LEAD TEAM IN VARSITY AND OPEN RACES

On Saturday, September 9, the Leafs traveled to Peoria's Detweiller Park to participate in the First to the Finish Invitational. Formally known as the Peoria Woodruff Invitational, the meet's name changed when First to the Finish Inc. took over sponsorship of the meet. First a little history lesson.

First to the Finish Inc. History

For over 28 years, dedication to quality and service has made First to the Finish the complete source for track and field. They have built their reputation on providing track and field coaches and athletes a reliable source for quality apparel, equipment, and accessories.

Mike Viano (former teammate of Coach Freddy's at Eastern Illinois University), founder and owner, began First to the Finish in the basement of his home. As an avid runner, Mike wanted to provide

a service to track and field coaches and athletes. What started in a small basement has now grown into one of the three largest mail order businesses in the country dealing with track and field equipment and apparel. In the beginning, the word on First to the Finish got out by one page fliers; they now send out multiple catalogs including a 195 page full color catalog. They offer a full service website where you can review products and order online.

Back to the meet. There were 8 races (1A, 2A, 3A, and an Open Race for each gender.) I grabbed our calculator and did a little math. There were 336 teams that had runners finish their races. There were 3,892 runners that crossed the finish line. Spectators numbers in excess of 10,00. Simply put it was an amazing event. Once again, the course was extremely fast for those up front, but the extremely large number of runners in each race presented a couple of unique challenges themselves. One was trying to make the turns while the other was all of the dust that was kicked up. Now you know why cowboys wore something over their noses and mouths to filter the dust-filled air.

Almost every member of our team ran a lifetime best in the near-optimal conditions. The weather was perfect but there was a LOT of traffic on the course (other runners.) Our Varsity boys took off at 11:00 a.m. with each of the 58 teams limited to only their top 10 runners. The Leafs were racing without their top man, Blake Duncan (Sr.), who is still nursing a sore hip. Neo Colter (So.), Raymond Venneberg (Sr.), Andrew Rizzo (Jr.), Colby Rapps (So.), and William Plumley (Fr.) threw down a season best top 5 split of only 39 seconds with each man cracking the 18:00 minute barrier. In fact, Neo just missed dipping under 17:00 with a great time of 17:10. Our team is still a work-in-progress and today was a HUGE step forward in that process. Not far behind were; Rafe Morrison (Fr.) in 18:20, Christian Booth (Sr.) in 18:21., Nathan Carroll (Jr.) in 18:34, and Spencer Lindstrom (So.) in 19:17. Our team placed 37th out of 58 teams. No one has Geneseo on their radar so let's use that to our advantage and see how far we can progress in the coming weeks.

Onto the open race that saw 1,051 runners cross the finish line. The field included both the 2A and 3A open runners. Many of the 3A schools have over 100 runners on their teams and have enrollments of over 2,000 students (we have a little over 800.) Bring on "da Big Dogs". The Leafs placed 36th out of 78 teams. Leading the way were: Thackery Newton (Sr.) in 19:12, Luke Henkhaus (So.) in 19:40, Ky Ariano (So.) in 19:49, Ricky Chavez (Fr.) in 10:49, Luke Sebastian (Jr.) in 20:15, Will Sammons (So.) in 20:47, Hayes Murphy (So.) in 20:56, Will McKelvain (So.) in 21:04, Tanner Burgett (Fr.) in 21:16, Nathan Yoder (So.) in 21:18, Brad Smith (Jr.) in 21:42, Ethan Saucedo (So.) in 21:57, Jacob Jorgensen (So.) 22:18, Nathan Lambert (Sr.) in 22:20, Cade Hornback (So.) in 22:24, and Kyle State (So.) in 22:28. Henkhaus, McKelvain, Saucedo, Hornback, and State were all making their season debuts. With so many "Rookies" on our team it is truly impossible to know just how far we can progress. I know one thing....it will be a LONG WAY. Keep working hard and DREAMING BIG! Each of you can be "THE GUY" that is the difference-maker on this team. Believe it and LIVE IT!
