The Geneseo Maple Leafs finished the season 10th at the Class 2A Normal U-High Sectional, at Maxwell Park, in Normal, on Oct. 28.

A senior, Blake Duncan paced Geneseo with a 31st-place finish in 16:15 on the three-mile course.

With seven individual qualifying spots up for grabs at the sectional, Duncan was just 14 seconds away from landing the final individual qualifying spot at the state meet.

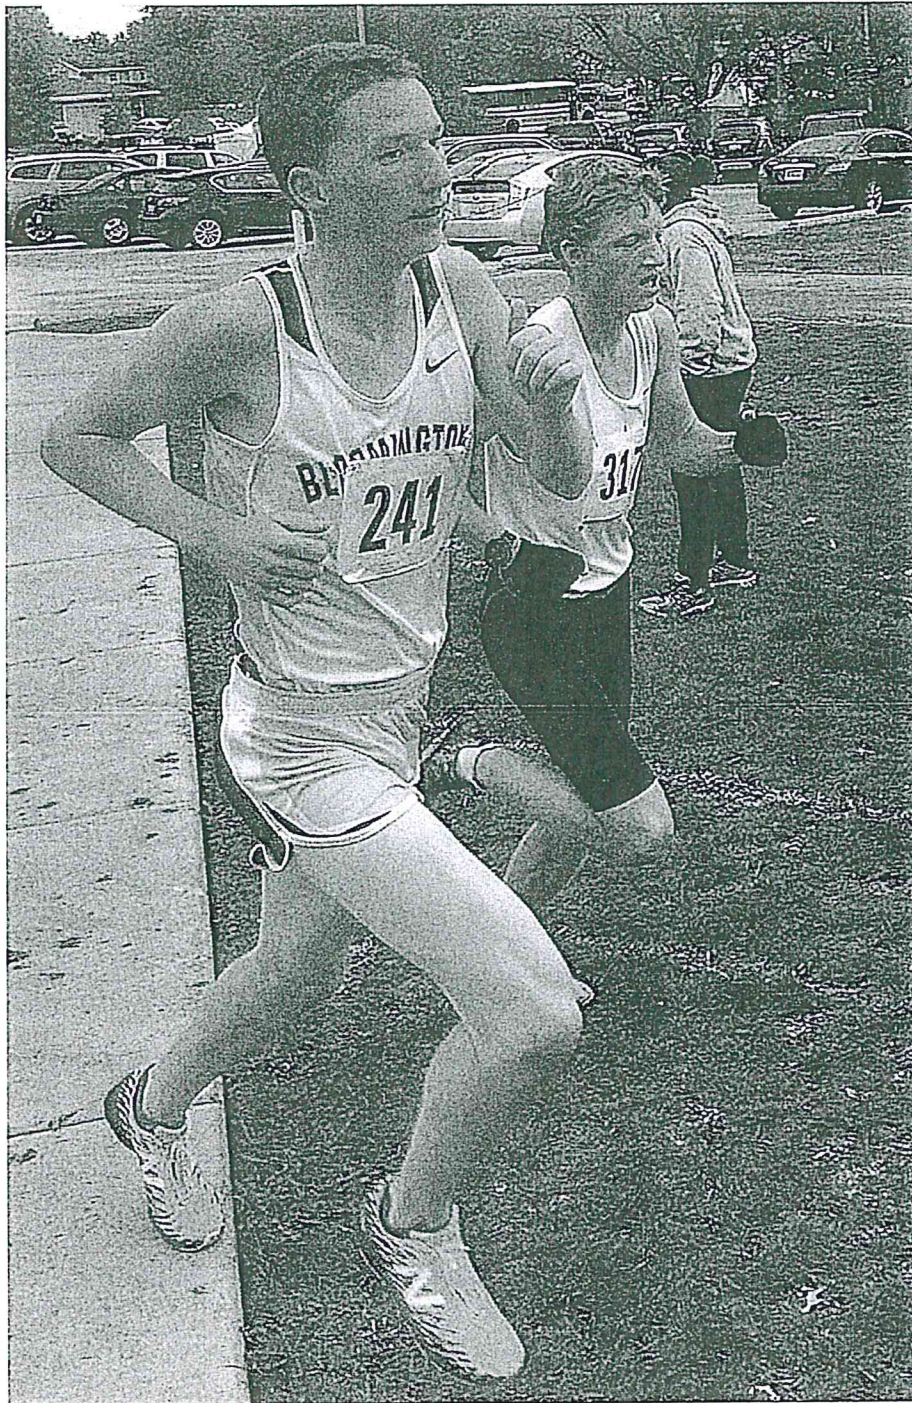

Geneseo's Neo Colter raced his way to a 73rd-place finish in 17:12, and William Plumley finished in 77th place in 17:17.

The Leafs' Raymond Venneberg captured an 82nd-place finish in 17:23, and Colby Rapps finished 91st in 17:42.

The Maple Leafs' Rafe Morrison landed 91st with a time of 17:42, and Christian Booth finished in 99th place in 17:59.

From one-to-five, Geneseo was separated by only a 1:05, and one-to-seven, Geneseo was separated by only 1:44.

With two teams who are favorites to win the state title in Class 2A according to il.milesplit.com, Mahomet-Seymour (41) won the sectional team crown in a head-to-head battle with runner-up Normal U-High (65).

"DADDY DOUGLAS" FLYIN' AT THE SECTIONAL

Pictured is Senior Tri-Captain Blake Duncan who barely missed qualifying for the State Finals by a mere 14 seconds.

Senior Tri-Captain Blake Duncan (16:15) led the charge by crossing the finish line in 31st place, missing a "date with state" by only 14 seconds. Next up was Sophomore Neo Colter (17:12) who roared home in 73rd place. Neo ran 2 seconds faster at Peoria's First to the Finish Invitational in ideal conditions. This effort blew that race away. Freshman William Plumley (17:17) was up next,

finishing 77th and destroying his Personal Best. Senior Raymond Venneberg (17:23) rolled in next in 82nd also destroying his Personal Best. Right on his tail was Sophomore Colby Rapps (17:24) who finished one place back in 83rd, also taking well over 20 seconds off of his Personal Best. Our next man was Freshman Rafe Morrison (17:42) who placed 91st, taking almost 40 seconds off of his Personal Best. Last, but certainly not least, was Senior Tri-Captain Christian Booth (17:59) who patiently supported his team as the "first alternate" until the "door of opportunity" swung open. Christian sprinted home in 99th place, as he really moved up "BIG TIME" in the last mile and finish his high school career with a 21 second Personal Best.

I don't know what the future holds in regard to my coaching career. I have shared with the administration my desire to continue coaching if the opportunity is there. Only time will tell. If this ends up being my final XC coaching moment, what a way to go out. It is impossible to compare "apples to oranges" but this team performance certainly ranks as one of the most impressive performances during my entire coaching career. It also speaks volumes in regard to the high quality of the field. The team placed 10th (the IHSA has us listed as 11th.....) They probably won't correct the results since we didn't qualify but that doesn't really matter. What does is the pride that every member of the team should feel. That includes the support crew that was literally EVERYWHERE on the course. The team members who didn't make the trip but gave their all on a daily basis. Coach Moe and Tessie for all of their contributions. And lastly, the amazing parental support that never ceases to amaze me. God Bless Each and Every One of YOU. Thank you for making the past months COME ALIVE WITH EXCITEMENT! I am smiling as I type this along with a LOT OF PRIDE. I

I hope to see many of you as members of our 2018 Track and Field Team. For those who choose another path.....All the best to you! Stay in touch and remember if any of you ever need anything, you can always count on us to be there for you. LONG MAY YOU RUN!!!

LEAFS PLACE 10TH IN RUGGED I.H.S.A. NORMAL (UNIVERSITY) HIGH SCHOOL SECTIONAL

On Saturday, October 28th, the Leafs traveled to Normal's Maxwell Park to participate in the Normal University High School I.H.S.A. Sectional. The field was "loaded" with 9 "state ranked" teams including numbers 1 & 2. The Leafs were ranked 13th in the Sectional coming into the meet and the goal was to do better than that. Hopefully, a lot better. The weatherman made "scoring" a Personal Best a challenge with a race time temperature of 36° and 15 to 20 mph winds. Add to that some light rain, sleet, and even snow and you end up with a pretty nasty day to watch a XC meet. For the athletes, on the other hand, it was a day they will never forget as challenging conditions offer the opportunity to create "special" memories.

The field included teams from: Bloomington, Dunlap, Galesburg, Geneseo, LaSalle-Peru, Mahomet (Seymour), Metamora, Morris, Normal (University), Normal (West), Ottawa, Peoria (Notre Dame), Peoria (Richwoods), Rantoul, Rock Island (Alleman), Streator, Urbana, and Washington. The girls raced first with a starting time of 10:00 a.m. The boys were up next at 11:30 a.m. At the coaches meeting (held at 9:15 a.m.), the meet host (Normal University High School), shared with us that the course had been altered to make it a "true" 3 miles. I have always suspected that it was a bit short and I am glad they "fixed" that situation.

On to the race. The field "got after it" following the 11:30 "crack" of the starter's pistol. Our team goal was for Blake Duncan to find the individuals that he could hang with that would help pull him to an individual qualifying spot. After that, we asked our 2-7 runners to try and "pack" it up through the mile and then "roll the dice". Blake was in the top 15 at the mile and our 2-3-4-5-6 were all within 3 seconds of each other with our 7th man getting trapped in the large field and was 20 seconds behind the pack. What happened next was inspiring. Each man "went deep to the well" as 6 of the 7 boys ran season best times, despite the challenging conditions, with the only man not to accomplish that missed by a mere 2 seconds. That speaks volumes about the "spirit" of this team. They ran with a tremendous sense of "passion and purpose".
