

AND THEY'RE OFF

Pictured is the start of the Open Boys Race which had 1094 Finishers

LEAFS PLACE 24TH IN 31st ANNUAL FIRST TO THE FINISH XC INVITATIONAL

On Saturday, September 8th, the Leafs traveled to Peoria's historic Detweiller Park to participate in the 24th annual First to the Finish Invitational (formally called the Peoria Woodruff Inv.) The meet gives our team a chance to familiarize itself with the site of the STATE FINALS. Twenty-Five teams qualify for the State Meet in EACH of Illinois' Three Classes (Girls and Boys.) This meet is much larger than that. There were 56 Boys Teams in the 2A Race. In all, there were 175 boys teams (all 3 classes) and 160 girls teams. There were 477 finishers in the 2A Boys Race alone. In all, there were 2,538 male finishers (all 3 classes) along with 1,875 female finishers. In case you are curious, that adds up to 4,413 Finishers. There were a bunch of DNF's (did not finish.) Putting it mildly, this is a HUGE MEET!

The projected weather forecast called for a race time temperature in the low 60's and a lot of rain. The temperature was accurate but the rain stayed south. The course was very soft from 5 inches of rain the previous three days but wasn't wet. The result of over 4,400 runners race on the course was not good for the grass on the Detweiller Park course. With several additional large meets scheduled in the coming weeks, it is doubtful the there will be much grass early in

November for the State Meet. The Leafs hope to be there to race in the STATE FINALS, nonetheless!

The 2A Boys Race took off at 11:00 a.m. sharp. Each team was limited to ten men. All remaining teammates would compete in the 12:20 p.m. Open Race. The race was an early season "snapshot" of the Leafs' "work in progress". We know our team is extremely young and the learning curve will be HUGE! The race plan was to "pack it up" with appropriate teammates and then "move at the mile". The team executed the plan to perfection and most of the team were able to move up nicely during the last two miles of the race. The team placed a respectable 24th in the 56 team field. Leading the team, once again, was Sophomore William Plumley who just missed a prestigious Top 50 Finisher Medal by a mere 14 seconds with his time of 16:42 which was good for 68th place. Freshman Justin Johnson cracked 17:00 minutes for the first time (16:59) which was good for 104th place. Close behind were the rest of our "scorers" as Junior Neo Colter (165th / 17:27), Sophomore Rafe Morrison (173rd / 17:31), and Rookie Sophomore Lucas Nicke (196th / 17:40). All ran strong races. Not far behind were Freshman Malakai Schaad (201st / 17:43 and Senior Andrew Rizzo (234th / 17:54) who rounded out our Top 7. In case you didn't notice, that's ALL SEVEN MEN UNDER 18:00. Great Job, Men! Junior Colby Rapps (266th / 18:12), Senior Nathan Carroll (371st / 19:20), and Senior Peter Rizzo (387th / 19:35) each ran bravely and gave the team tremendous depth. This is only the BEGINNING, Men! In the words of Head Coach Ehlert...."Keep Dreaming BIG".

As mentioned earlier in this article, the Open Race was HUGE with well over ONE THOUSAND competitors. The race was dominated by the 3A State Powers. Several of the "Big Dogs" have enrollments of over 3,000 students and over 100 athletes on their rosters. "So what?", was the attitude the Maple Leaf's Open Runners. The course conditions were headed "south" by that time of the day but the guys ran their hearts out anyway. There was so much "traffic" on the course that late in the race there was a steady stream of runners almost a MILE in length!!! Pretty cool stuff. The Leafs had five men crack the Top 500 as Sophomore Ricardo Chavez-Sanchez (426th / 19:24), Junior Luke Henkhaus (478th / 19:43), Junior Will Sammons (484th / 19:46), Freshman Bode Neff (493rd / 19:48), and Freshman Kyle Lievens (498th / 19:48) led the way. The rest of the team fought equally hard as Senior Luke Sebastian (571st / 20:16), Junior Ky Ariano (658th / 20:41), Junior Hayes Murphy (662nd / 20:43), Sophomore Tanner Burgett (750th / 21:13), Junior Will McKelvain (925th / 22:50), Junior Jacob Jorgensen (933rd / 22:55), Freshman Simon Anderson (1,072nd / 27:26), and Freshman Jason Blick (1,073rd / 27:37) "brought it home in style". Junior Ethan Saucedo also raced past two miles but ran into stomach issues and was forced to drop out. We are proud of each man! The team was challenged to run the race like it was 2.75 miles long and then "kick hard", counting how many runners each man could pass in the last quarter mile. It was awesome to watch!!! Keep the momentum rolling and get fired up to race "At Home" next Saturday!!!
