LEAFS GRAB BRONZE IN BOYS COMPETITION

On Saturday, September 15th, the Leafs played host to their annual Cross Country Invitational which was held at Geneseo's Richmond Hill Park. The meet features a unique format that was copied from the now defunct Grant-Crystal Lake Invitational. The format features races for each grade level and awards the top 20 in each race with a medal. The winning team claims a plaque. All the points are totaled for each gender and a championship plaque is also awarded. Finally, the point totals for each gender are added together for an overall combined team champion.

This year's meet featured a couple of "tweaks" that we feel were significant improvements to the meet. The biggest was to change the course so that it didn't have to cross any pavement. The park has changed with improvements over the years. With the addition of the baseball field and paved parking lot the traditional course was forced to cross both pavement (over 100 meters) and traffic. Neither of those are good options. Thus the rational for the change. Head Coach, Todd Ehlert, came up with the new design which was received with rave reviews. The weather at last year's invite forced the consolidation of the four races into two. All of the coaches really like the "tweak" also so it is here for good. The meet included teams from: Bettendorf (boys only), Geneseo, LaSalle-Peru, Ottawa, Pleasant Valley (boys only), Sterling, Streator, and United Township. The weatherman was also good to us with virtually no wind and dry conditions. The daytime high of 91° was on the warm side but the meet had been over for many hours before that temperature was reached. Lastly, the administration approved the meet to use "Chip Timing". AWESOME MOVE!!!

Up first were the Combined 09 & 10 races at 9:00 a.m. The freshmen race will be discussed first. The freshmen boys team placed 2nd to a powerful Pleasant Valley Spartan squad that joined the fun this year. The Leafs ran great and had the highest team finish on the day for Geneseo. Leading the way was Justin Johnson who won the race in an outstanding time of 17:31.

With the race being combined, he didn't learn of his victory until the awards ceremony. Also cracking the Top Ten were Malakai Schaad (5th in 18:40) and Isaac Kuster (9th in 19:07.) Closing out the Maple Leaf scoring were Bode Neff (14th in 19:32) and Max Sottos (23rd in 20:49.) In case you were counting that was FOUR Maple Leafs earning a highly coveted Top 20 Finisher Medal with their 5th man only 3 places away. Great Stuff!!! Not far behind were: Kyle Lievens (25th in 21:36); Simon Anderson (47th in 25:54); and Jason Blick (49th in 26:04.) Needless to say, the future for Geneseo XC looks AWESOME!!!

The sophomore boys placed a solid 3rd as a team. They were led by William Plumley (17:19 in 2nd) who had the Leafs fastest time on the day. Joining him in the Top 20 were Rafe Morrison (11th in 18:22) and Lucas Nicke (15th in 19:03) as each man earned "hardware". Closing out the Leafs' scoring were Ricardo Chavez-Sanchez (24th in 20:06) and Tanner Burgett (36th in 23:08.) The team only lined up five men so everyone was a "scorer" meaning every place they could grab was HUGE! This is a special group and each man ran an inspired race. The team only finished behind Iowa powers Pleasant Valley and Bettendorf. Well done, Men!!!

The combined Junior and Senior race took off at 9:45 a.m. sharp. Only four teams cracked 100 points and the Leafs totaled 93 points to barely miss 3rd place. The team was led by: Neo Colter (6th in 18:00); Colby Rapps (11th in 18:27); and Spencer Lindstrom (13th in 18:56) as each man cracked the Top 20 to earn some highly coveted individual "hardware". Not far behind were: Ky Ariano (29th in 21:06); Will Sammons (34th in 22:07); Hayes Murphy (37th in 22:53); Will McKelvain (38th in 22:55); and Jacob Jorgensen (45th in 24:03.) It was awesome to see how focused each man was. There is something extra special about racing on your home course and that was on display in each of "da Leafs" as they dug deep as they raced before their home crowd.

Last up were our Seniors who were racing with only 4 men and were forced to score a "ghost runner" as their 5th scorer. The team fought hard and placed an impressive 5th in the Senior Division despite scoring that "ghost runner". A ghost runner is a term that is used to complete team scoring if a team doesn't field a "full scoring 5". If there are 50 runners in the field, the first "ghost runner" would be scored as 51 for All teams needing one. If a team only fielded 3 runners they would score a 51 and 52 for their 4th and 5th runners. Leading the Leafs were the Rizzo Twinkies as they both grabbed Top 20 Finisher Medals as Andrew placed 11th in 18:19 while Peter placed 20th in 19:32. Not far behind were fellow Seniors Nathan Carroll (27th in 20:14) and Luke Sebastian (36th in 21:17.)

When all the "dust" had settled, the Leafs had placed 3rd overall in the Boys Division behind Iowa heavyweights Pleasant Valley and Bettendorf. Those schools didn't compete in the Girls Division so when the boys team total was added to the Lady Leafs 2nd place total, their combined point total of 577 points claimed the overall GOLD! Pretty cool stuff. On the day, 195 boys and 76 girls had crossed the finish line. That's pretty good numbers for an invitational with 7 girls teams and 9 boys teams. We hope more teams will join the fun next year. A special thanks goes out to everyone who helped pull this meet off. From the course set-up, booster club sales, girls signs, course officials, etc....THANK YOU!

The Geneseo boys' cross country team finished runner-up in the freshmen race and combined with the girls' team to win the overall team title at Richmond Hill in Geneseo on Sept. 15.

With each class year racing as a separate team, the Geneseo boys' four grade classes combined to finish third.

In the freshmen race, Justin Johnson won the individual title in 17:31.2, and Malakai Schaad ran down fifth place in 18:40.0.

The Leafs' Isaac Kuster came in ninth place in 19:07.1, and Bode Neff finished 14th in 19:32.8.

Geneseo's Max Sottos landed 23rd in 20:49.8, and Kyle Lievens finished in 25th place in 21:36.1.

The Leafs' Simon Anderson came in 47th place in 25:54.9, and Jason Blick landed 49th in 26:08.

In the sophomore race, Geneseo's William Plumley finished runner-up in 17:19.4, and the Leafs finished third in the team competition.

Continued from B1

Plumley has been the top finisher from Geneseo to start the season, and he's seen enough from the team this year to be thinking about a state berth.

"We just need to make sure everyone is trying as hard as they can and that nobody is slacking off or giving each other grief about times that are bad," Plumley said. "We just need to keep persevering to achieve all of our goals."

Geneseo's Rafe Morrison came in ninth place in 18:22.5, and Lucas Nicke finished 15th in 19:03.1.

The Leafs' Ricky Chavez ran down 24th in 20:06.3, and Tanner Burgett finished 36th in 23:08.5.

In the junior race, Geneseo's Neo Colter led the way with a sixth-place finish in 18:00.7, and the Leafs finished fourth in the team race.

Geneseo's Colby Rapps ran down 11th in 18:27.8, and Spencer Lindstrom finished 13th in 18:56.4.

The Leafs' Ky Ariano came in 29th place in 21:06.5, and Will Sammons finished in 34th place in 22:07.0.

Geneseo's Hayes Murphy landed in 37th place in 22:53.2, and Will McClevain finished in 38th place in 22:55.5.

The Leafs' Jacob Jorgensen captured 45th place in 24:03.6.

With the Maple Leafs having a strong runner pacing each grade class, Geneseo's Colter believes the team should have high expectation for this season.

"We haven't made to state as a team in quite a while," Colter said. "That's been our main goal to take baby steps on the way to the championship season."

In the senior class race, Geneseo's Andrew Rizzo led the way with an 11th place finish in 18:19.4, and the Leafs finished fifth in the team standings.

Peter Rizzo came in 20th place in 19:32.6, and Nathan Carroll finished 27th in 20:14.3.

The Leafs' Luke Sebastian landed in 36th place with a time of 21:17.4.
