LEAFS QUALIFY FOR STATE AT THE PEORIA NOTRE DAME IHSA SECTIONAL MEET

On Saturday, October 31st, the Leafs traveled to Peoria's Historic Detweiller Park to participate in the Peoria Notre Dame IHSA Sectional Meet. The field included teams from: Bartonville (Limestone), Chicago (Brother Rice), Evergreen Park, Geneseo, LaSalle-Peru, Lemont, Metamora, Midlothian (Bremen), Morris, Morton, Normal (University), Oak Forest, Oak Lawn (Richards), and Peoria (Notre Dame.) Due to COVID-19 restrictions, the meet was contested using the IHSA mandated schedule that required four separate races which allowed for less than 50 runners in each "race". Following the completion of all the races, the results were then "merged" to determine team and individual overall finishes.

During the "off-season", the IHSA revised the qualifying criteria for both the 2A and 3A classifications. In the past, there have been five sectional meets in each classification and the top 5 team qualified for the State Finals. They reduced the sectionals from five to four and now qualify the top SEVEN teams in each classification. The end result is a win for the sport since this change will allow for 28 teams to qualify for the IHSA State Meet instead of the 25 teams that have qualified in the past. The Leafs entered the meet "On a Roll" and hoping to end the 21 year drought that has existed since the team last qualified in 1999. That's right, the Leafs haven't qualified for the IHSA State Meet as a TEAM this CENTURY. There have been a plethora

of near misses. However, as Coach Ehlert often says "It is what it is". Coach Ehlert devised a race strategy that included a "controlled" opening mile and then attacking. To accomplish the goal of qualifying, the Leafs would each need to run strong races collectively. There was a LOT of excitement AND confidence as the Leafs' races neared.

Back to the meet. "Session One" took off at 12:00 PM and contained each of the 15 qualifying teams 6th and 7th runners with a few of the individuals who qualified without their teams. The Leafs had Junior Isaac Kuster and Freshman Cooper Schaad in the race. They both ran intelligent races and really "Set the Tone" for the team as they executed the race plan to perfection. Isaac and Cooper sprinted home crossing the finish line in 10th and 12th places respectfully. They were timed in 17:15 and 17:30. Game on!

"Session 2" took off at 12:45 PM and contained each of the 15 qualifying teams 4th and 5th runners with a few of the individuals who qualified without their teams. Racing for the Leafs were Sophomore Tyler Gehl and Senior Lucas Nicke. Shortly after the mile mark, Tyler "took off" and Lucas followed him. They ran past where I was standing running in FIRST AND SECOND places. It was a pretty cool moment and one that I will never forget. I am pretty sure I saw a SMILE on Tyler's face. There was a large pack on their tails. Tyler and Lucas sprinted home in 7th and 12th places. Their times were 16:44 and 17:10. Solid stuff. They really back up what Isaac and Cooper had started. Momentum is a powerful asset and the Leafs had a LOT of it.

Up next was "Session 3" which took off at 1:30 PM and contained each of the 15 qualifying teams 2nd and 3rd runners with a few of the individuals who qualified without their teams. Racing for the Leafs were Junior Tri-Captain Justin Johnson and Sophomore Gavin Allison. They continued to "Follow the Race Plan" and executed it to perfection. Both Leafs ran together through the first mile and then "Went to Work". The weather conditions were excellent in every way EXCEPT the wind. There was a strong south wind blowing with gusts up to 25 to 30 mph. Justin and Gavin sprinted home 11th and 15 places. Their times were 16:26 and 16:43. There were team members jumping up and down everywhere I looked. It was really happening. Every single team member had run a great race up to this point.

Oh boy, one more race to go. "Session 4" took off at 1:15 PM and contained each of the 15 qualifying teams' 1st runners with the top 9 individuals who qualified without their teams. Racing for the Leafs was Senior Tri-Captain William Plumley. William has enjoyed a tremendous senior season and to say that we were confident would be true. Still, how much stress can a person's heart take? William didn't disappoint as he ran a near perfect race. He "moved at the mile" and just kept hammering the last two miles. He just kept passing runners and holding off those who tried to go with him. He "stopped the clock" at 16:17 placing 6th in the "fast heat". The wind gusts really picked up during his "session" and effected the final places.

When "The dust had settled" and all the results were "merged", the individual results were posted on Shazam Racing's Page (they were the timing company.) We soon learned where each man had finished overall. William Plumley (14th); Justin Johnson (22nd); Gavin Allison (35th); Tyler Gehl (38th); Lucas Nicke (55th); Isaac Kuster (62nd); and Cooper Schaad (67th.) We then had to wait for the final team results to be posted. We were pretty sure that the team had made it but you never know. I'm not sure how long it was but time has never moved slower

for me. Finally, it was posted and the team had placed FIFTH with 145 points. They were only 7 points out of 4th place and sixteen points clear of the 6th and 7th place teams who tied with 161 points. They had DONE IT. THEY HAD QUALIFIED FOR THE STATE MEET. Unfortunately, due to COVID-19, the IHSA State Meet will not be held this year. Shazam is hosting a club "State Meet" and we are hopeful that our teams will receive an invitation to compete in the 2A race next Saturday in Chillicothe.

Let's put this accomplishment in perspective. The last time the Leafs participated in the State Meet as a TEAM (there have been several individual qualifiers) Bill Clinton was the President and Coach Ehlert was 28 years old with a thick head of hair. None of the team members were even born yet. The list goes on....and on....and on. Let me also be clear to not slander any of the Maple Leaf teams that were not able to participate in the IHSA State Meet. It certainly wasn't due to a lack of effort or commitment. During that 21 years, there were a plethora of "near misses". Each of those teams invested a tremendous amount of "Blood, Sweat, and Tears" into trying to accomplish that feat. The years have gone by but many of those former Geneseo Maple Leafs are still in contact with me and closely follow the team. It warms my heart knowing how proud they are of what the 2020 team has accomplished. You are all part of a very proud tradition in Geneseo Athletics and have added a significant "chapter" to that history. Job well done, Men.

I know this is getting long but I can't help it. I have to throw in a special "shout out" to the "PSYCH SQUAD". They were literally EVERYWHERE. Some of the guys had even climbed up some very BIG trees to encourage the team members who were racing. I can't wait to see what Andrew Burke was able to capture on camera. Another HUGE "Job Well Done" goes out to all of the families of the team members. Amazing support. Lastly, congratulations to Head Coach Todd Ehlert. He is a highly motivated man who who possesses an "Infectious" Enthusiasm". The dude is a winner. Whatever challenge that has been placed in his path has been conquered with a lot of hard work. It is an honor to be a member of his coaching staff and a part of this historic team. God Bless You All. "DREAM BIG"

Leafs finish season 'state-bound'

KYLE HARTWICK

PEORIA — In any normal year, the Geneseo cross country teams would be headed back to Detweiller Park next Saturday as qualifiers for the IHSA 2A State Meet.

However, in the COVID altered season, the Maple Leafs have to settle for their performances at sectionals to cap off a remarkable run.

Both the boys and girls teams would have qualified for the state meet. The boys team finished fifth with 145 points and the girls were sixth at 106 points. The top seven teams in 2A at each sectional would have qualified.

The last time the girls team qualified for the state meet was in 2009, and the boys last competed as a team in Peoria in 1999.

Esther Brown and Avery Magerkurth led the Maple Leafs with a pair of top-10 finishes. Brown took seventh with a time of 19 minutes, 13 seconds, and Magerkurth finished just five seconds back in ninth place.

William Plumley finished 14th overall, sixth in his flight, with a time of 16 minutes, 17 seconds for the boys. Justin Johnson was the next finisher for the Maple Leafs with a 22nd-place finish in 16:26.

Coach Kelley Timmerman made the choice to run her top two runners — Brown and Magerkurth — in the third flight, where the second and third runners from each team ran. That's

due to the chemistry the two developed over the course of the year.

"Our relationship means everything to me," Magerkurth said. "We push each other and always run as fast as the fastest runner on the course. Her presence is comforting for me and we always bring out the best from each other. Our connection is unbelievable."

The two placed second and third in their flight and fed off each other the entire race.

"I went to coach before the race and said I couldn't run without her," Brown said. "With us, one person pushes us for part of the race and the other stays behind. We work in tune. I struggled in first mile, but I pushed through it for her. We have each other's back."

It wasn't just the top two for Geneseo, as former individual state qualifier Lacey Laxton posted a season-best time of 19:44 to finish 25th.

"It was a wonderful experience, cannot say enough about how hard this team worked this season," Timmerman said. "You never know how the cards are going to play out in a race like this. It's hard to judge unless you're really on top of things."

"This was the hardest I have pushed a group of girls, and they responded well with hardly any injuries. We ran longer runs, up to 11 miles in the season. They worked hard. The ultimate honor is to get down to state, I just wish we had that extra

week and get closure for the season. I'm so happy for the girls."

As he crossed the finish line, Plumley knew that he had finally accomplished what he spent the last few years pushing toward.

Last season, he finished just one place and one second back of qualifying for the state meet as an individual but knew when he finished today that no matter how the team race sorted out, he would be listed as a state qualifier in the record books.

"Today wasn't about personal bests, it was just about keeping pace and beating the guy next to me," Plumley said. "I'm happy I was able to pull it off and we were able to qualify as a team."

Coach Todd Ehlert was happy how everything ended for his team and was especially happy with the specific place they finished.

"The boys ran great today," Ehlert said. "The wind was crazy, but it warmed up throughout the day from when the girls were running. I'm really proud of how we finished, and it was really special because fifth is the traditional place to qualify for state."

"This team was really special to me," Plumley said. "I've been with most of them for the last three or four years, and we've been regional and conference champions in my time with the team. To qualify as a team, even though there's no state meet, is really great to see."

Geneseo Boys

Cross Country finish strong

by **Claudia Loucks**
Correspondent

If this was a "normal year" for student athletes, the Geneseo Maple Leaf cross country teams would be preparing for the IHSA Class 2A State Finals next weekend in Peoria. But 2020 is anything but normal, in the midst of the

COVID-19 pandemic, and even though both boys and girls teams qualified for State with their Sectional showings on Oct. 31 at Detweiller Park in Peoria, that was their final meet for the 2020 cross country season... And their performances were outstanding.

GHS boys' finished fifth

with 145 points and the girls came in sixth with 106 points.

There were 15 teams competing at Sectional with the top seven teams in Class 2A qualifying for State.

The last time the GHS boys' qualified as a team for the State Meet was in 1999.

Senior William Plumley finished 14th overall with a run of 16 minutes and 17 seconds. Justin Johnson was the next GHS finisher and came in 22nd with a time of 16 minutes and 26 seconds.

Coach Todd Ehlert shared his excitement for Plumley and for the team and said, "William came

in first at the Regional to help us capture second place as a team and he has worked so hard for the last three years that I have coached.

"We competed Saturday (at Sectional) just as if there would have been a State meet," he said. "The guys ran phenomenal under very

windy conditions."

"The guys were great yesterday. The whole team ran incredible and this is a really special group of guys."

Ehlert said, "I'm really proud of how we finished because fifth is the traditional place to

qualify for State....This has been a fantastic year for our team, winning the Western Big 6 championship, placing second at the Regional as a team, having William (Plumley) be the individual Regional champion. Finishing our season as a team by qualifying for State was icing on the cake."

Coach Ehlert also commented on the support from the entire boys' cross country team and he said many of them drove to Peoria on their own..."They are known as the 'hype squad' and they run around with a flag, a cow bell they ring and Vuvuzellas (horns) and that was a huge help for the team...It takes an Army to win."

Plumley was the standout for the team at Sectional and he also has

had a great senior season, including in mid-October when the Boys' Cross Country Team accomplished a goal they set for themselves at the beginning of the 2020 season - winning the Western Big 6 title for the first time.

"We went down there (to Peoria) knowing that would be our last race for the season and for the team," Plumley said.

"The conditions were

not that ideal as it was pretty windy. I think everybody stepped up to the plate and ran their heart out. This team is pretty special to me as we have been together for the last three or four years."

He added, "As for the team, I don't think they have to worry about future success when I'm gone. The guys are pretty determined and we have a lot of depth, so I think

they are going to continue to have plenty of success. I don't know what Track will look like this season, but I'm sure the school will do their best to let us compete."

When asked about future plans, Plumley said, "I'm planning to run in college, but I'm undecided as to where I'm going yet,"
