GEHL, MOSBARGER, & SOTTOS LEAD LEAFS WITH BIG EFFORTS

On Saturday, September 9th, the Leafs traveled to Peoria's Historic Deweiller Park to participate in the First to the Finish Invitational. The meet is one of the largest cross-country invitational in the nation. There were 73 teams entered in the Class 2A Division alone. There were also races in both the 1A and 3A Divisions. The 1A races were unlimited allowing for each team to race their entire team. The 2A and 3A races are limited to each team's Top 10 runners. At the end of the meet there was both a girls and boys Open Division which offered a race opportunity to the athletes who hadn't raced yet. We chose to only race our Top 10 in the 2A race. In the past, we have had athletes suffer both physical and/or psychological injuries in the race because of how many runners were in each Open Race. Thus, Head Maple Leaf Coach Todd Ehlert elected to not participate in the Open Race. All non-racing team members were encouraged to still attend the meet and support their team. In addition, they would get the chance to gain some "Detweiller Park Magic". The numbers for the meet are simply astounding. There were close to 200 girls

AND boys teams in attendance. It was estimated that close to 6,000 total runners "Toed da Line". There were 73 boys teams entered in the 2A Boys race alone. Not every team ran the allotted 10-man team but if they had, that would have resulted in 730 runners in that race alone. Each team will be hopeful of a return trip to the park come the first Saturday in November to participate in the IHSA STATE FINALS. The bottom line is the fact that there is something VERY SPECIAL about this place.

Before discussing the race, I would like to note the fact that the Detweiller Park Top 25's (GHS Runner Rankings Overall and by Class) is the closest thing that we have to a true history of the sport for Geneseo High School. Most of the courses that we race on have been changed over the years resulting in the current lists for the courses only going back a relatively short period of time. The Detweiller Park lists go all the way back to the early 1970's. Geneseo has a proud history in distance running and it is on full display there. The fact that FOUR members of the 2023 team joined the lists is impressive. Remember, it is still early September. I am already "Drooling" for the State Finals in November.

On to the race. The Leafs entered the meet currently "Ranked" 10th in the State for 2A by Illinois Mile Split. Early season rankings don't mean a whole lot but it is a nice sign of respect for the team by the media. The boys have been working hard and are having a great season to date.

The Leafs' Top Harrier all season long, Junior Dylan Gehl, ran the Cross Country race of his life. He raced to 7th Place OVERALL and was "Clocked" in 15:04 for a season best time. That is the 5th fastest time for a Geneseo Boy on the course and is the 2nd fastest time ever for a GHS Junior (behind Dan Chenoweth's 15:02). GREAT JOB, DYLAN! "Cheno's" Junior Class Record is nervous for a VERY good reason. Look for Dylan to make a run at the GHS SCHOOL Record come November.

Finishing second for the Leafs was Senior Captain Sam Mosbarger who sprinted home in 41st place, earning a Top 50 Finisher Medal. His time was a lifetime best of 15:45 which was a huge personal best for him. His time also "Cracked" the Top 25 Individual List (17th.) He also established himself as the 13th fastest Senior Individual in GHS History for the course. Sam was the 28th fastest Senior on the day in the 2A race. He ran the race of his life and continues to improve on a weekly basis. Great Job, Sam. A sub 15:30 or faster on the course appear to be a realistic goal come November. The best way to lead is via example and you do it well on a daily basis. Keep "Dreaming Big".

Sophomore Jaxson Sottos was the next finisher for the Leafs and he also had a HUGE Race. He barely missed a medal via his 52nd place finish. Jaxson's time was impressive as he dipped under the elusive 16:00 barrier for the first time. He was "Clocked" in a fast 15:55 and he also joined the All-Time Top 25 Individual List (tied for 25th.) In addition, he is currently the 7th fastest Sophomore in GHS History for the Detweiller Course. Look for Jaxson to take a LOT of time off that when November rolls around and the Leafs are "Dancing at Detweiller" (AKA....racing in the

State Finals.)

Junior Max Johnson was the fourth finisher for the Leafs and he sprinted home next in 110th place. Max was timed in 16:36 for a season best time and averaged 5:32 per mile. It takes at least a time of 16:02 to "Crack" the Junior Top 25 Individual List. Look for Max to make that happen the next time he is in Peoria. I wouldn't be against the "Big Yohanson". Max was the 26th fastest Junior on the day in the 2A race. Way to Roll.

Sophomore Kaden Elmer was the next Maple Leaf to cross the finish line. He sprinted home in 174th place and "Stopped the Clock" at 174st place. Kaden ran a season best time of 17:06 which improved his previous best time by 26 seconds. He was also just the 31st Sophomore to cross the finish line on the day in the 2A Boys Race. The time 16:42 is sitting at 25th on the Sophomore Individual List for a GHS Runner on the Detweiller Course. Look for Kaden to make a serious run at "Cracking" that list come November.

Sophomore Aidan Bries sprinted home next for the Leafs. Aidan is still dealing with a painful case of Osgood-Schlatter's that has resulted from him growing a LOT in the last year. The boy is getting TALL. Anyway, he has discovered the "Magic" of Icing and is rapidly regaining his fitness. He is improving like CRAZY. Aidan placed 206th in the race and "Stopped the Clock" at a season best of 18:20. Look for Aidan to also make a serious run at the Sophomore Detweiller Top 25 List come November. Keep it rolling, Aidan.

Freshman Phenom Jack Kreiss was the Leafs' next finisher and recorded an impressive time of 17:21 which was good enough to move him into the number 17 spot for a GHS Freshman on the Detweiller Course. Jack was the 23rd Freshman to cross the finish line. Great Job, Jack. You are still early in your GHS Running Career and are racing at an extremely high level. Set your sights on "Cracking" the 17:00 Minute Barrier the next time you race at Detweiller. Hopefully, that will be this November in the IHSA STATE FINALS.

The next Leaf finisher was Junior Christian Haney who "Threw Down" a time of 17:46 which took 21 seconds off of his season best time. That isn't an easy assignment in this huge field. Christian sprinted across the finish line in 254th place. Great Race, Christian. You have come a long way since last fall. We are VERY Proud of you. Keep up the dedication. All of those "Right Choices" on and off the athletic field will pay HUGE dividends for you when Championship Meet Season rolls around.

The "Reigning Bell Ringer" was the next Maple Leaf to "Bring It". Junior Rylan Lambert sprinted home in a season best time of 18:21 which was good for 320th place. He improved his personal best time for the season by 24 seconds. Once again, as I mentioned in Christian Haney's race....it is HARD to run really Fast in the middle of "The Hornet's Nest". You were in the middle of the fight and we are VERY Proud of you. Keep up the good work and continue to chase your potential. Keep "Dreaming Big" and backing those Dreams up with the dedication and hard work that excellence demands.

Last, but certainly not least, was Maple Leaf Sophomore Graysen Carlson. Graysen is a Cross Country "Rookie" and his learning curve has been Extremely Impressive. Graysen sprinted home

in 18:38 which was just off of his season best time of 18:26. He was also in the middle of an extremely busy weekend that included flying home to leave with the Geneseo High School Marching Band who competed later that day in the Peoria area. He needed to head home right after his race so he could join the bands pre-competition preparation. This young man is one to keep your eyes on. Very few people have any idea who he is. I predict that will change as he continues to improve during the course of the season. We are glad you joined the team. Keep striving for a Top 7 Sport, Grqysen. You are a gifted young man who has a VERY cool Grandpa.

When the "Dust had Settled", the Leafs had placed 10th in the 73 team field. Great Job, Men. This was an "Early Season" "Snap Shot" of where you are currently at as a team. The best part is you are only going to keep getting better. We need EVERY Man to do his best to contribute to the team on a daily basis. "Together You CAN". Keep "Dreaming Big" and paying the price that excellence DEMANDS. Great Efforts. Also, a special "Shout Out" to the teammates who were NOT alternates but came to support their team anyway. You made a difference by being there. Keep up the Great Job, Leafs.
