LEAFS "RUN WILD" AT 2023 "RUST BUSTER" TIME TRIAL

On Tuesday, August 15th, the Leafs held their annual "Rust Buster" Time Trial. Both the Boys and Girls team raced over the 3,000 meter course. The middle school team joined in the the fun also and raced over the final mile of the course. The meet was held at Geneseo's Richmond Hill Park. The temperature at race time (6:00 pm) was 75° with a low dew point. Needless to say, those are rare weather conditions for August in "The Land of Lincoln". The team took advantage of the great weather conditions.

Head Boys Coach Todd Ehlert and Head Girls Coach Aaron Skopek elected not to use any type of handicap system and to start all of the high school athletes together. Ditto for the middle school teams. The boys team grabbed the Top Ten places followed by Freshman Brooklyn Smith who established a new girls course record herself. Leading the way for the Maple Leafs was Junior Dylan Gehl who took FIFTY SECONDS off the old course record of 10:44 run by Gavin Allison in 2021. He was timed in a quick 9:56 for the challenging 3,000 meter Richmond Hill Course. His time was also a new Junior Class Record. Up next were: Sophomore Jaxson Sottos (2nd Place in 10:22), Junior Max Johnson (3rd Place in 10:25), and Senior Sam Mosbarger (4th Place in 10:28.) Each man smashed Gavin's old course record and they were separated by a mere 6 seconds. Each man also established a new Class Record (except for Max who is now number two behind Dylan.) Way to roll, Men! Rounding out the team's "Top 7" were: Sophomore Kaden Elmer (5th Place in 10:57), Freshman Jack Kreiss (6th Place in 11:16), and Junior Christian Haney (7th Place in 11:29.) Great running, Men. Kaden is now the 3rd fastest Sophomore ever for the

race, while Jack established a NEW Freshmen class record. Christian is now the 9th fastest Junior in school history for the race. GREAT STUFF, MEN!

Up next were: Freshman Micah Johnson (8th Place in 11:53), Sophomore Aidan Bries (9th Place in 12:20), and Junior Rylan Lambert (10th Place in 12:35.) Micah is now the 6th Fastest Freshmen while Aidan recorded the 15th Fastest Sophomore time for the race. Rylan also "Cracked the Top 25 list for Juniors with the 17th fastest time ever for the race. Up next was the surprise of the meet for me. Never having run cross country before Sophomore Graysen Carlson decided to race after joining the team THAT DAY! He chose to not just show up and watch but actually RACE. RACE HE DID! He was the Leafs' 11th finisher on the day and was timed in 13:05 (18th fastest Sophomore ever for the race.) Simply AMAZING STUFF. Rounding out the team's "Top 14" runners were: Senior Austin Hull (12th Man in 13:23.....18th fastest Senior), Junior Jacob Taylor (13th Man in 13:55.....good for 25th on the Junior List), and Junior "Rookie" Shane Bagby (14th Man in 14:05....just missed making the list.) Way to Race, Men!!!

Rounding out the team's efforts were: Junior Mason Anderson (15th Man in 14:17), Sophomore Matthew Darnall (16th Man in 14:18), Sophomore Calvin Bell (17th Man in 14:26), Freshman Connor Runty (18th Man in 14:27), Junior Zach Meier (19th Man in 15:08), Senior Ryley Rowold (20th Man in 15:28), Freshman Jacob Berry (21st Man in 15:34), Senior Tyson Duda (22nd Man in 15:52), Junior Guage Damewood (also a "Rookie"....23rd Man in 16:30), and Junior Camden Baumgardner (24th Man in 17:10).

We are very proud of each man who was able to "Toe da Line". One of the things I love the most about this sport is we don't "Pick Starters". EVERYONE is a STARTER. No one has to sit out while others see action. Carpe Diem. Also, this team has a plethora of talented guys who have "Bought In". Bringing with them a power dose of both Passion and Purpose. Keep Dreaming BIG and backing those dreams up with the hard work and smart decisions that are needed to make those dreams come to fruition. Every single member of this team has the potential to be "The Difference Maker". Try and contribute to the goal of maximizing each athlete's potential this season and beyond. All the best, Men. You are in for quite a journey. Don't forget to enjoy the ride.
