SOTTOS AND GEHL LEAD LEAFS

ON Saturday, September 7th, the Leafs traveled to Galesburg's Lake Storey Park to participate in the 47th Annual Galesburg Silver Streak Cross Country Invitational. The field consisted of teams from: Abingdon-Avon, Annawan-Wethersfield, Dunlap, East Peoria, Ft. Madison, Galesburg, Geneseo, Knoxville, Macomb, Metamora, Morton, Normal West, Peoria Notre Dame, Ridewood, Rockridge, ROWVA, United (Monmouth), & UTHS. The weather was unseasonably cool. The daytime high was only 66°. When the team arrived at 7:30 a.m. the temperature was still in the high 40's. By race time the temperature had climbed into the mid 50's. There was a noticeable NNE wind in the low teens. The Varsity Races are run first in this meet with the F/S races to follow. We have chosen to run all of the Freshmen and Sophomores in the F/S race. I will discuss that race later. On the line were trophies to the Top 3 Teams in the 18-team field. Also, individual medals were awarded to the Top 30 Finishers. The current course at Lake Storey has been run since 2015. Thus, this is the 10th year for the current course.

The Varsity Boys race started at 9:40 a.m. The guys were pretty fired up after watching the Lady Leafs race first. Sophomore Brooklyn Smith won the Varsity Race beating several All-

Staters. The Maple Leafs' Dynamic Duo of Junior Jaxson Sottos and Senior Dylan Gehl, once again, led the way as they both finished in the top 10. Jaxson placed 4th running the 2nd fastest time EVER for a Maple Leaf on the current course. His time is only 2nd to Senior Dylan Gehl who "Threw Down: a time of 15:37 last season. Dylan is still on the "Rebound" following a serious knee injury suffered during the Track season. Jaxson is also now number two on the Junior List. Dylan wasn't too far behind and ended up placing 6th overall. His time of 16:19 is the 5th fastest performance EVER for a GHS runner and moved him into the number two spot on the GHS Senior List. Great Job, Men.

Up next was the rest of Geneseo's "Scoring 5". Juniors Kaden Elmer and Graysen Carlson each earned highly coveted "Top 30" Individual Finisher Medals. Kaden sprinted home in 17:23 and placed 23rd overall. His time was the 10th fastest for a GHS Junior EVER on the current course. Graysen was only six seconds behind him as he took OVER A MINUTE off his previous best time for the course. His time of 17:29 is now the 11th fastest time for a GHS Junior EVER on the current course. Closing the scoring for the Maple Leafs was Senior Max Johnson. Max had a tough day but still fought hard, giving it everything that he could. Way to Lead by Example, Max. He placed 49th overall and was timed in 18:17. His time moved him into the #16 spot for a GHS Senior on the course.

Rounding out the rest of the Leafs were Senior Rylan Lambert (56th place timed in 18:40....new #20 on the Senior List for the current course), Senior Christian Haney (85th place timed in 19:46), Senior Jacob Taylor (94th place timed in 20:00), Senior Tyler Holtzen (107th place timed in 20:38), Junior Calvin Bell (110th place timed in 20:54), Senior Connor Douglas (116th place timed in 21:15), Senior Shane Bagby (121st Place timed in 21:30), Senior Mason Anderson (136th place timed in 22:57), and Camden Baumgardner (139th place timed in 23:09.) Rylan , Tyler, Calvin, Connor, Shane, and Camden all ran personal bests on the course. GREAT JOB, MEN.

When the "Dust had Settled" and the team scores were tabulated, the Leafs found themselves winning the 3rd place team trophy. Class 2A number two (state-ranked) Morton won with a mere 35 points. Metamora was a bit of a surprise in 2nd (76 points). The Leafs scored 100 to grab 3rd as they held-off Peoria Notre Dame (104) and Normal West (105). Great Job, Men. All of our F/S ran "Down" and everything wasn't perfect and you still grabbed some nice hardware. Also having 4 men place in the Top 30 was impressive. Keep up the good work. Bring on Detweiller!!! That's where we will be headed next Saturday. Get Ready to FLY!!!

BOURNE AND KREISS LEAD GENESEO F/S TO 5TH

The F/S boys race started at 11:00 a.m. sharp. A LOT of teams decided to run their "Young Stars" in this race. Thus, the field was much more competitive than it has been in quite some time. Individual medals were awarded to the Top 20 Individual Finishers while team trophies were awarded to the Top 3 Teams. There was a plethora of talent in this race and I predict that multiple individuals in the field will earn "All-State" Honors before they graduate from high school.

Leading the way for the Leafs was Freshman Henely Bourne. Henley was the current GHS "Bell Ringer" and backed that up with another Great Race. Henley ran an evenly paced race and just

kept moving up. He ended up placing 8th overall and was timed in 18:10. His time is the 4th fastest EVER for a GHS Freshmen on the current course. Not too far behind him was Sophomore Jack Kreiss who placed 14th. Jack went out "Hot", running with the lead pack and paid the price. He did a great job of hanging on for a Top 20 Medal. Jack was timed in 18:10 which moved him into the #14 Sophomore spot for a GHS runner EVER on the course. Up next were: Sophomore Micah Johnson (30th place timed in 19:13), Freshman Kael McCord (35th place timed in 19:23), and Freshman Greyson Clerhout (48th place timed in 19:58). Micah is now the 23rd fastest GHS Sophomore EVER on the current course. Kael and Greyson moved into 15th and 18th places on the GHS Freshmen list for the current course. GREAT JOB, MEN.

Not far behind came the hard charging "2nd Wave" of: Freshman Fritz Bolme (53rd place timed in 20:09), Sophomore Alex Aleman (63rd place timed in 20:25), Sophomore Connor Runty (78th place timed in 21:38), Freshman Patrick Versluis (97th place timed in 23:25), and Freshman Rylan Carlson (100th place timed in 23:32.) Great job of racing men. I was on my bike (bad left hip...can't run anymore) and was all over the place. Each member of the F/S team is Very Coachable and listened to the advice that they were given during the race. We saw it as they reacted appropriately. Thank you, Men. You are the future of our team and the future looks BRIGHT.
